- Pen Pal Committee Proposal: \$280 will be requested for this committee. Three events will be hosted. The first event is called Letters from a senior in which graduating students will write letters to the incoming class giving them advice for their years ahead. The second event is where during fall term, students will write letters to their future selves to be opened at the end of the year. The third event is appreciation letters than can be mailed from campus to whoever our students want to thank. This program will be announced tomorrow at assembly and the interest form will be due the 20th. Students will know their pen pal the following Monday. The

tentative name for this is “From Me, For You”. The committee will be open to anyone and they will help run the events and deliver the letters. Closing Remarks

- SGA meetings start at 6 sharp, so that is when you need to be here. If you have an issue with being here exactly at 6, please notify May so that she may work with you.
- SGA will be hosting a lock in this year on April 23! This will be put on by the entire SGA. The lock in starts at 12 and lasts till the sunrise with lots of events in between. The night starts with a school wide pillow fight and night long nerf gun wars. It will use a lot of the budget. Every hour is filled with many activities and has a theme. In the morning, the entire class meets on the front lawn to watch the sunrise.
