I. Introduction, Mission, and Privilege of ASMS

ASMS Mission Statement

To provide academically motivated Alabama students with exceptional preparation in the fields of math and science, empowering them to improve their community, state, and nation.

Vision Statement

To become a premier research-focused learning community – committed to innovation, interdisciplinary collaboration, and diversity.

Honor Code and Pledge

A working school Honor Code is predicated not only upon widespread honorable intent within the school community, but also upon clear understanding of the parameters of the code and consistent application of and attention to the code itself. In short, to be effective, it must be understood and utilized. Attention is given to introducing all members of the school community to the expectation of honor and to the use and functioning of an Honor Code as a tool in the development of individual character. ASMS recognizes that our goal is to graduate students who conduct themselves honorably, and that this goal is often achieved through a process of trial and error. Accordingly, honor infractions are viewed within a spectrum. For a more detailed explanation of this see the Student Code of Conduct.

Honor Code

Every student shall be honor bound not to cheat (including plagiarize), steal, or disrespect the property of others, or lie about anything pertaining to the school. Any student found guilty of violating the honor code and/or the student code of conduct will face sanctions up to and possibly including expulsion. Actively aiding someone in breaking the Honor Code is a violation and will be punished as such. The Honor Code applies to students while they are on or off campus.

Honor Pledge

As a member of the ASMS Community, I resolve to uphold the Honor Code of this school. I pledge that what I say and do will be in accordance with this code.

Spirit of the Handbook

The spirit of the Handbook is grounded in the expectation of students to exercise reasonable judgment before they act. Students, therefore, should stand “on notice” that the caveat “...including but not limited to...” should apply to all sections. ASMS reserves the right to deal with instances of inappropriate behavior in a timely and efficient manner, taking actions deemed to be in the best interests of the students, faculty, staff, and school. The policies set forth in this student Handbook provide a reasonable guide for acceptable

student behavior at ASMS and apply to all ASMS students regardless of age. In all instances students are expected to ask questions and exercise reasonable judgment before they act. In addition to the policies and procedures outlined in the Handbook, all ASMS students must abide by local, state, and federal laws. This Handbook takes effect August 9, 2019.

Notice of Non-discrimination

The Alabama School of Mathematics and Science does not discriminate on the basis of race, color, national origin, sex, disability, age, sexual orientation, creed, religion, or veteran status in the administration of employment, educational programs and activities, and admissions. Anyone who claims to have been unlawfully discriminated against due to any ASMS regulation or policy or the official action of any ASMS employee should follow the Alabama School of Mathematics and Science Grievance Procedures (forms and information are located within this Handbook). Inquiries or complaints may be addressed to Title II and IX Coordinator, 1255 Dauphin St., Mobile, AL 36604.

Family Involvement

Family involvement is a significant component in assuring that time spent at ASMS is a successful experience for each student. Parents provide security, love, values, and discipline for their child. The ASMS academic and residential programs will give the students opportunities, structures, and materials with which to learn and grow. Together, the faculty and staff work with parents to help students reach their highest potential. This is achieved by requiring a family commitment as part of the decision to attend and remain at ASMS. This commitment is enhanced by a continuing and good relationship with the home and the family. ASMS parents/legal guardians are fully responsible for the behavior and performance of their children while enrolled at ASMS. Important aspects of parental support include encouraging and enforcing appropriate student behavior, monitoring schoolwork and grades, and keeping up with school activities and information. Two-way communication between the school and home is critical to student success. ASMS will contact parents to keep them informed of their student's progress and of school events. ASMS will depend on parents to keep staff and faculty members informed of issues and concerns.

Communication of Amendments or Addenda

All policies and procedures in this Handbook are subject to change. If at any time an amendment to the Handbook is made, students, parents, faculty, and staff will be notified in writing prior to the implementation of the new standards.

Visitors to ASMS

At the Alabama School of Math and Science our primary goal is the safety of our students and staff. As such, ASMS is not an open campus. However, family and non-family visitors are welcome at ASMS so long as they abide by the guidelines set forth in this handbook.

The term "visitor" applies to any person who is **not** a current student, employee, someone acting on behalf of ASMS, board member, on the School Board of Directors, or Foundation Board of Directors.

ASMS reserves the right to refuse entry to any visitor at any time.

Individuals who meet certain conditions are considered ineligible for "visitor status":

- A former student who was expelled from or not invited back to ASMS.
- A former faculty or staff member who was terminated from ASMS or whose employment contract was not renewed.
- A former student who withdrew from ASMS while facing disciplinary action.
- Other conditions may apply on a case-by-case basis according to the school's discretion.

All visitors must first report to the Bedsole Building Lobby to obtain a visitor's badge which shall be visible at all times while the visitor remains on the school premises. All visitors should be prepared to show an ID upon registering at the Reception desk. Visitors are asked to wait in the Reception area until their party arrives. Unless invited by faculty or staff, every visitor must be on a student's approved list of visitors. Visitors must be escorted at all times by the person whom they are visiting. Visitors and their sponsor will be held

responsible for all expectations and guidelines stated in this Handbook. Any guest not abiding by the Handbook will be asked to leave campus immediately. Visitors other than immediate family are not allowed in the residence halls. Visitors of the opposite sex (not including immediate family members) must remain in the common areas of the first floor of the Bedsole building. These areas are as follows: the coffee house, TV room, and the lobby.

No person is permitted on the grounds of ASMS or in any school building, function, residence hall, or any other school facility as a visitor without the authority of the appropriate ASMS official. Any person who enters or remains upon ASMS property without legitimate purpose may be found to be trespassing, subject to arrest and penalties as defined by statutes.

Visitors may drop items off at the front desk from 8 a.m. to 8 p.m.

If a visitor is disruptive, defiant to any faculty/staff member, or in any way seeks to subvert the general order and well-being of ASMS, that visitor will be asked and required to leave the campus and thereafter banned from visiting the campus or attending any ASMS related function. ASMS reserves the right to contact the police if a visitor refuses to leave when asked.

Permitted Visitor Times

Monday - Thursday 3:30 p.m. - 7:00 p.m.

Friday 3:30 p.m. - 9:00 p.m.

Saturday 9:00 a.m. - 9:00 p.m.

Sunday 9:00 a.m. - 7:00 p.m.

Meals for Visitors

Students may invite their guests to eat with them in the Cafeteria. Visitor's meals may be purchased from the Cafeteria staff.

Alumni Visitors

Alumni in good standing are welcome to visit the ASMS campus during business hours, from 9:00 a.m. through 4:00 p.m., Monday through Friday. Alumni visitors must first report to the Bedsole Building Lobby to obtain a visitor's badge which shall be visible at all times while the visitor remains on the school premises. Alumni visitors should be prepared to show an ID upon registering at the Reception desk. Alumni are asked to wait in the Reception area until an Ambassador or staff member can greet them. Alumni must be escorted at all times while on campus. Alumni will be held responsible for all expectations and guidelines stated in this Handbook. Any Alumni not abiding by the Handbook will be asked to leave campus immediately. No person is permitted on the grounds of ASMS or in any school building, function, residence hall, or any other school facility as a visitor without the authority of the appropriate ASMS official. Any person who enters or remains upon ASMS property without legitimate purpose may be found to be trespassing, subject to arrest and penalties as defined by statutes.

The term "Alumni" applies to any graduate of ASMS.

An alumnus can instead be considered a "visitor" if they are on a student's approved visitor list and as such are subject to all visitation guidelines set forth in this handbook.

We request that Alumni call at least 24 hours prior to their arrival so an ambassador or staff member can be reserved for their visit. If a reservation is not made there is no guarantee an ambassador or staff member will be present or available upon the alumni's arrival.

Overnight Guests

ASMS will not accept overnight guests.

Sex Offender Visitor Notice

No adult sex offender, after having been convicted of a sex offense involving a minor, shall loiter on or within 500 feet of ASMS property. No adult sex offender, after having been convicted of a sex offense involving a minor, shall enter onto the property of ASMS while school is in session or attend any school activity at any location unless the adult sex offender does all of the following:

1. Notifies the President, or his or her designee, a minimum of one regularly scheduled school day in advance of any event or activity to seek approval for their presence on the property or attendance at school activities. The President has the right to deny approval.
2. If given approval, immediately reports to the President, or his or her designee, upon entering the property or arriving at the designated school activity.
3. Complies with any procedures established by the school to monitor the whereabouts of the sex offender for the duration of his or her presence on the school property or attendance at the designated school activity.

Legislative History

Established in 1989 by an act of the state legislature, the Alabama School of Mathematics and Science is a residential, public high school for sophomores, juniors, and seniors pursuing advanced studies in mathematics, science, and technology. With an advanced sequence of study in mathematics, the sciences, and the humanities, the educational environment is enhanced by the availability of computers, modern laboratory facilities, independent research, field trips, and opportunities for special projects. The fine arts and music programs offer students an opportunity to discover and develop artistic talents. ASMS opened in September of 1991 with a class of 140 juniors, a sampling of the many talented and highly motivated students of Alabama. The goal of the school is to provide an intensive educational experience to highly motivated students, from a wide variety of backgrounds.

The residential context combined with a liberal arts, mathematics, and science curriculum offers a unique experience that prepares young people to develop the skills and knowledge to assume future leadership roles in scientific research, business, industry, education, and government. In addition, the school serves as an educational resource to faculty, students, and individuals throughout the state.

ASMS is truly a public school, available to any applicant who is selected. Students do not pay tuition or boarding expenses. They only pay a general fee for the academic year. While students have the right to attend public school at home, it is a privilege to attend ASMS. The school, which is located in Mobile's Dauphin Way Historic District, is a true partnership between the state of Alabama and business and industry. The operating budget is supplied by the state, and the facility is owned and maintained by the Alabama School of Mathematics and Science Foundation. The Foundation is a charitable group that receives donations from businesses, industries, individuals, and other foundations.

Privilege of ASMS

Attendance at the Alabama School for Mathematics and Science is a privilege and not a right. A student's right to access a free public education resides in the home school district. Given the school's mission, ASMS continually monitors and evaluates students' progress toward students' achieving their full potential by utilizing the strengths of ASMS's unique living/learning environment. Examples are: Work Service, Required Study Hours, and personal conferences with a student's counselor, teacher, staff member, or residential life staff. Acceptance into ASMS is for a one-year academic period, and a student must remain in good standing, academically and outside of the classroom, throughout a given academic year to be invited to return in a subsequent year. Furthermore, ASMS will not accept students who are convicted sex offenders. If a student is convicted while enrolled, he or she will be administratively dismissed immediately.

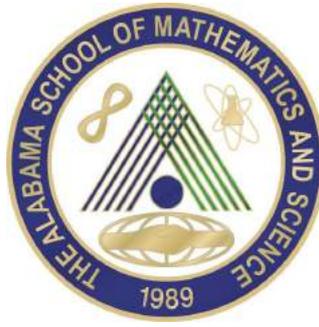

Student Accommodations

Accommodations are modifications to conditions that would otherwise cause a student, because of a disability, to be at a disadvantage relative to non-disabled students in their access to ASMS's programs for students. Reasonable accommodations provide equitable access to programs or facilities and do not fundamentally alter the essential nature of a course or academic program. The Federal Government stipulates that ASMS does not have to grant accommodations when it can demonstrate that making the modifications would fundamentally alter the nature of the service, program, or activity ASMS offers. Because a student has the right to attend a public school in their home county, ASMS will not make accommodations that fundamentally alter the nature of learning or residence life services, programs, or activities. Some

examples: ASMS will not follow 504 educational plans, IEPs, or requests for additional time for tests and assignments, special access to teacher notes, fewer homework problems, distraction-free rooms, or the use of calculators or other electronic devices when an instructor bans their use. Moreover, no accommodations will be made to audio or video record class lectures or demonstrations.

II. ASMS Traditions

Boo Bash

For one ghostly night in October, the Bedsole Building is turned into a haunted house walk-through. This event is hosted by the senior class.

Class Trips

Class trips help students bond with each other. The first weekend on campus, students go on trips with their classes for the day. Whether it be to the beach or a museum, these trips allow students to get to know each other. Also, classes take trips together throughout the year, like to Disney World, Six Flags, or New Orleans.

Exam Care Packages

Before finals week begins, the Student Academic Affairs Committee puts together some delicious and fun goodie bags for everyone to help them through finals week.

Geekfest

Geekfest is held towards the end of every term. Geekfest includes plenty of fun games, dance battles, bouncy castles, Lego-building competitions, anime, board games, and food to last the evening.

Goofy Olympics

Goofy Olympics is a major competition held between ASMS halls (Newton, Einstein, Curie, and DaVinci) and is held Fall Term.

Hall Competitions

Hall competitions are held throughout the year. At the end of the year, the hall that has won the most hall competitions and has the most hall points wins a plaque and bragging rights for the next year.

Hall Dinners

Halls host dinners for special events. Parents help cater food and these dinners are a great way for students to bond with their friends on the hall. ASMS does not coordinate these events but allows parents to use the dining portion of the cafeteria.

Mega Musical Chairs

Mega Musical Chairs is hosted by the SGA during spring term. ASMS students find sponsors for a large and intense game of musical chairs. The winner of Mega Musical Chairs gets to donate all of the proceeds to a charity of their choice.

Move-In Day

In August, students return to campus with all their belongings, ready to begin a new year. They are assisted by student leaders and other volunteers, helping them settle in as much as possible.

Open Mic Night

Every term, the SGA Activities Committee hosts Open Mic Night, similar to a talent show. Anyone can sign up to perform.

Polar Bear Plunge

Every January, through the SGA Activities Committee, students come together to raise awareness for the melting ice caps by jumping in the freezing cold pool. Participants earn an exclusive Polar Bear Plunge button and get to enjoy lots of warm and delicious free food.

Prom

Prom is hosted by SGA every April. Students dress formally and partake in a night full of dancing and memories! Before the festivities begin, seniors are “led out.” Lead out is when the senior is announced in front of the student body and is escorted by a person of their choice, usually a family member or a significant other.

Science Bowls

ASMS hosts the Alabama State Science Bowl for middle schools and high schools. Students are able to volunteer, and it is a great way to earn service hours.

StressFest

StressFest is a large party held by the Peer Advisors before Spring Term finals every year. It is a great way for students to celebrate the last day of class, but also prepare them to buckle down for the finals coming ahead.

Winter Formal

Winter Formal is held before Christmas Break. Put together by the SGA Activities Committee, this event allows students to dress up for a fun night of dancing and great memories.

III. ASMS Buildings and Facilities

The ASMS campus is comprised of seven buildings, five of which are nearly 80-years-old. The ASMS campus was mostly built in the 1940s and served as Dauphin Way Baptist Church for roughly 50 years. The ASMS Foundation purchased the campus in 1989 and heavily renovated the buildings and constructed the Boys' Dorm. The Bedsole Building, which used to be the ASMS Student Activity Center, was built in 2008.

Help Desk Ticket System

Students, faculty, and staff use the online Help Desk Ticket system to report issues such as a broken air conditioner, light bulb out, or WIFI not working. The help desk ticket system can be accessed online at the ASMS website, Dragon Portal.

Administration Building

The Administration Building first floor houses the Cafeteria, nurse's office, laundry room, and the Office of Student Affairs. The second floor houses the Auditorium, President's Office, Office of Academic Affairs, and Board Room. The Office of Finance and Human Resources, Office of Recruitment and Outreach, Office of Facilities, and the Office of Development are housed on the third floor.

Band and Art Studio

The Band and Art Studio is located on West Campus, which is across Ann Street adjacent to the main campus. The Art Studio is a large, open room dedicated to jewelry design, painting, sculpture, ceramics, book making, clothing design, and other art-related projects. The Band Room is housed in the back half of the building which is also used for theatre projects.

Bedsole Building

The Bedsole Building is a multi-purpose building named after Ann Smith Bedsole, one of the school's founders and long-time board members. On the first floor, the building houses the Security Office, Front

Desk, Coffee House, TV Room, Game Room, Pi Store (snack bar), Communications classroom, a History classroom, PE and Health classroom, weight room, fitness center, and gym. The second floor houses the library, Media Room, and a History classroom.

Boys' Dorm

The Boys' Dorm is a two-story building with four hallways and a large, newly renovated community bathroom on each floor. It was added to the campus in 1991. Each floor has a common area that features comfortable furniture, flat-panel TVs, kitchenettes, and other amenities. Rooms accommodate two students and feature two beds, two armoires, two nightstands, and two desks with chairs. In some instances, however, three students will be assigned to a room. Students enjoy the privilege of decorating their own dorm rooms. Refrigerators are permitted within size limitations. The Boys' Dorm also houses a Security Office on the first floor and a study room on the second floor.

Girls' Dorm

The Girls' Dorm is a four-story building with eight halls and eight community bathrooms. Each floor has a common area that features comfy furniture, flat-panel TVs, kitchenettes, and other amenities. All rooms accommodate two students and feature two beds, two armoires, two nightstands, and two desks with chairs. Students enjoy the privilege of decorating their own dorm rooms. Refrigerators are permitted within size limitations. Furthermore, there are honor dorm rooms for girls on the fourth floor of the Humanities Building which houses up to 13 girls who apply to live there after their first year on campus. To apply to live on the Humanities Hall, girls must have a minimum of at 3.5 GPA and no discipline violations.

Humanities Building

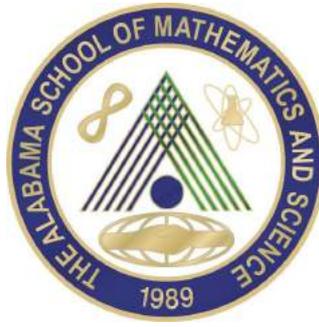

The first floor houses classrooms, faculty offices, and DeBakey Hall, which is a lecture hall. The second floor houses faculty offices and language classrooms. The third floor houses faculty offices, classrooms, and the Music Department. The fourth floor houses the girls' honor dorm.

The MakerSpace includes classrooms and robotics/rocketry workspaces. Classrooms are designed to facilitate remote instruction and/or remote meetings.

Science Building

The first floor houses Physics classrooms, the Optics Lab, the Robotics Lab, and faculty offices. The second floor houses Math and Computer Science classrooms and faculty offices. The third floor houses Biology classrooms and faculty offices. The fourth floor houses Chemistry classrooms and faculty offices.

IV. Academics

An ASMS education pushes students to be creative thinkers, intellectual risk-takers, and entrepreneurial problem-solvers. Not only are ASMS faculty members experts in their fields, our instructors are dedicated to high-quality, innovative teaching and learning. Perhaps most importantly, they are mentors and guides who are deeply invested in the success and growth of ASMS's students. The ASMS faculty and President establish the curriculum, implement it in regard to the calendar, credits, and graduation requirements, and set the standards and penalties for academic discipline. The student shall be afforded due process in academic matters in accordance to the guidelines that follow.

Student Due Process

The intention of ASMS is to afford due process when the procedures contained within the Student Code of Conduct are implemented. The degree of procedural due process provided shall be based on the gravity of the offense and the severity of the contemplated penalty. Before being punished for violations of school regulations or Board policy, students have the right to the following minimum due process procedures:

- School rules will be clearly stated and related to the educational purposes of the school.
- School rules will be fair and specific enough for students to know what they may or may not do.
- Students, parents, and guardians will be informed of the rules affecting behavior and discipline.
- When disciplinary action is involved, school personnel and students will comply with required procedures, including but not limited to, providing oral or written notice to the student of charges and evidence, as well as an opportunity for accused student to provide an explanation of the events.
- For long-term suspension (more than 10 days) or expulsion, ASMS shall afford the student the right to a hearing before the Disciplinary Committee.

Academic Integrity Policy

Academic integrity is essential because dishonest behavior undermines student learning and the credibility of ASMS. High standards of academic integrity safeguard a student's reputation, reflect well on ASMS, and contribute to the well-being of society. Conversely, breaches of academic integrity diminish students, school, and public trust in academic endeavors.

While at ASMS, students belong to an academic community and have responsibilities to that community. Upholding these responsibilities maintains the high regard in which ASMS qualifications are held and fosters public support for educational ideals and ASMS. Students should be proud of the high standards of academic integrity for which we strive. Society flourishes when high standards of integrity are evident.

ASMS students are expected to maintain high levels of integrity in all of their academic pursuits. Cheating of any kind (on any exam, quiz, lab, tests, homework, or any other type of assignment), as well as plagiarism of thoughts, words, or ideas are prohibited. Students who engage in academic dishonesty will be dealt with in accordance with the policies outlined in the Code of Conduct.

Cheating is a form of academic dishonesty in which the person misrepresents his or her mastery of the course content. Cheating applies to examinations, labs, written assignments, online discussion, and any other form of student assessment. Examples include but are not limited to the following:

- Using unauthorized materials such as a textbook, prepared notes, study aids, or an electronic device during an examination;
- Unauthorized access to or use of someone else's computer account or computer files to complete an assignment;

- Submission of an assignment purchased from a commercial entity (e.g., term papers, software programs, etc.);
- Unauthorized preprogramming of and/or access to electronic devices; and
- Leaving a classroom or testing area during a test to access information or answers.

Plagiarism is a form of dishonesty by which the person misrepresents someone else's words, ideas, phrases, sentences or data as his or her own or otherwise fails to properly acknowledge the source of such material through complete and accurate citations and reference lists. Both the intentional and unintentional use of another's work constitutes plagiarism. Examples include but are not limited to the following:

- Directly quoting another person's words without the use of quotation marks and/or acknowledging the source;
- Submitting the same written work to fulfill the requirements of more than one course without the explicit permission of the other instructors;
- Paraphrasing or restating another person's ideas, opinions, or theories without acknowledging the source; and
- Failing to properly cite an original source when using a secondary source.

Fabrication is a form of dishonesty by which the person deliberately invents or falsifies information or research findings with the intent to deceive. Examples include but are not limited to the following:

- Citing information not taken from the source indicated;
- Citing a source that does not exist;
- Intentionally distorting the meaning or applicability of data;
- Citing sources in a bibliography or reference list that were not used in the project; and

Other Examples of Academic Integrity Violations include but are not limited to the following:

- Posting another's work on the internet without that person's permission;
- Unauthorized or inappropriate access to use of another's computer account, email or electronic files;
- Misrepresentation to avoid academic work by fabricating an otherwise justifiable excuse such as illness, injury, accident, personal emergency, etc. to avoid or delay timely submission of academic work, or the taking of an examination, or to request an incomplete or WP in the course;
- Coercing any other person to engage in academic dishonesty or misconduct; and
- Aiding any other person engaged in academic dishonesty or misconduct.

Advanced Placement Policy

AP Courses

The Advanced Placement program at ASMS permits students to enroll in a maximum of three official Advanced Placement courses per year. Students may request being scheduled in the course and selection is determined by the corresponding instructor and class availability. Once enrolled in the course, students may not drop the class and must continue until its conclusion. Individual teachers may set the policy with regard to requiring students to take the AP exam at the end of the year. Teachers are not required to approve a request to take the exam and may deny it based upon a student's past performance. Currently, ASMS offers the following Advanced Placement courses: AP English Literature, AP English Language, AP Biology, AP Environmental Science, AP Chemistry, AP United States History, AP Physics C, AP Physics 1 & AP Physics 2 (formerly AP Physics B), AP Computer Science, and AP Studio Art.

AP Exams

Students are required to register for the AP exam and follow the deadlines required by ASMS and the College Board. When registering for an exam, students are required to pay for the exam at that time or apply for a fee waiver. The following procedures are required for any student wishing to take an Advanced Placement exam:

- The student must either take the corresponding course or submit a request to test in another subject area. If a student is requesting to test without taking the corresponding course, they must be able to provide evidence of preparation for the AP exam.
- Students must submit a permission form signed by two faculty members in that discipline. This form must be approved by the college counselor pending receipt of all required documentation.

Attendance Policy

Class attendance is an integral component of academic success; therefore, students must be in attendance to take full advantage of the academic opportunities offered at ASMS. Absences or tardiness can have a substantial impact on a student's academic performance and should be kept to a minimum. Absences from class will be classified as either excused or unexcused.

Attendance Records

Faculty are responsible for keeping attendance records of students in their classes and for expressing the ASMS attendance policy in their course syllabi. To ensure accuracy of attendance record keeping, the school nurse will post a daily record of medical excused absences and the nurse or the Director of Student Affairs will post non-academic administrative excused absences.

Unexcused Absences

Unexcused absences will be closely monitored and corrected with the below disciplinary actions. Unexcused absences carry over from course to course and from one term to the next.

Consequences for Unexcused Absences (See also Disciplinary Procedures)

1st Absence: Suspension of walk off privileges (1 week) with parent notification

2nd Absence: Saturday School (4 hours) with parent notification

3rd Absence: In dorm restriction (3 days) with parent notification

4th Absence: In dorm restriction (5 days) with parent notification

5th Absence: Referral to Discipline Committee as a major infraction which could lead to school dismissal

Tardiness

Students are expected to be on time for all classes. Tardiness of more than fifteen (15) minutes to one class meeting may be counted as an unexcused absence. Leaving class for more than ten (10) minutes may be counted as an unexcused absence. Students will consult with the course syllabi to determine an instructor's expectations with respect to tardiness. Tardies are cumulative across all courses taken in one term, but do not roll over. Consequences acquired in one term will be resolved regardless of the term in which consequences were acquired.

Consequences for Tardiness (See also Disciplinary Procedures)

1st Tardy: Administrative warning and parent notification

2nd Tardy: Two (2) hours extra work service with parent notification

3rd Tardy: Saturday School (4 hours) with parent notification

4th Tardy: Suspension of walk off privileges (1 week) with parent notification

5th Tardy: In dorm restriction (3 days) with parent notification

6th Tardy: Referral to Discipline Committee as a major infraction which could lead to dismissal from school

Excused Absences

When a student needs to be absent from class for an excusable reason, it is the responsibility of the student and parent to follow proper protocol to inform the school of the requested absence. Parents are asked to schedule family activities, medical appointments, college visits after school hours or during school breaks. It is the responsibility of the student to obtain assignments prior to their absence and make up any work during their absence. Circumstances may arise where exceptions are appropriate, however every effort should be made to limit class absences for any reason.

Illness on Campus

Students who will need to miss class due to illness must report to the nurse's office. To be excused from a first period class, the student must report to the nurse by 7:45 a.m. If the nurse cannot substantiate the student's claim of illness, the student will be expected to attend class. To be excused from all other classes during the day, the student must report to the nurse 30 minutes prior to start of the class. In the event a student is placed on room restriction due to an excused illness, the following procedure will be implemented.

Medical Room Restriction Procedure

- Nurse or Hall staff implements room restriction due to medical reasons.
- Student will stay in their dorm room until the next a.m.
- Food may be obtained from the cafeteria in a takeout box during meal times and the student will go back to their room.
- Bathroom breaks are allowed during Room Restriction.
- After school activities are not allowed and the student is to remain in their dorm room.
- If a student needs medical attention, they will call the front desk and ask to be transferred to the nurse's office.
- If a student needs medical attention after hours, they may summon the lead hall advisor through another student or call the front desk and ask for the lead hall advisor.

Illness Off Campus

Students who become ill while at home for a weekend or a break should not return to campus until they are well and able to attend classes. It is the responsibility of the parent or guardian to report their child's health status to Student Affairs before 6:00 p.m. on Sunday night (251-441-2100).

Absences Requiring Prior Permission

When a student will be absent from a class for an excusable reason (excluding illness, medical emergency or unexplained circumstances), students must submit the proper absence request form to faculty for authorization of the excused absence. This excused absence request form must be submitted at least one (1) class meeting prior to the anticipated absence. Only the President, faculty and medical personnel have authority to excuse a student's absence from class.

- **Pink Form:** Excused absence for personal reasons (see Academic Affairs Office)
- **Blue Form:** Excused absence for class field trip (see President's Office)

College Visitors to Campus

Students must obtain prior approval from their instructors to attend a college meeting. The student must also sign up in advance in the College Visit Log Book located in Academic Affairs. Students are excused from class to attend college representative meetings on campus but may not miss a previously scheduled exam.

College Visits

Senior students taking an official college visit must submit the proper absence form at least one (1) week in advance, notify their teachers, and bring proof of the visit which may include college letterhead listing the dates a student visited the campus. Sophomore and junior students should schedule college visits during long weekends or breaks.

Excessive Absences

Whether excused or unexcused, excessive absences have a detrimental effect on a student's academic standing. Accruing (3) three unexcused absences in a course may be cause for a faculty member to assign the grade of WF for that course. Accruing five (5) or more total absences, excused and unexcused, will prompt an administrative assessment to ascertain the reason(s) behind the excessive absences. A determination may result in a recommendation of dismissal from school or a plan of action.

Long Term Absence

The following are guidelines to be followed by the administration in dealing with situations where a student is absent from ASMS for long periods due to illness or another serious matter.

Assessment

On the 5th consecutive day of absence from all classes, an assessment will be conducted by the Director of Student Affairs. Parents will be contacted, and doctors' opinions will be sought, if necessary. Questions that will likely be pertinent are: What is the nature of the illness? How much time will elapse before the student will be capable of working up to full capacity? Is the student capable of doing any work at all at this time?

As a result of the assessment several scenarios are likely:

- If the student is capable of some work at home, he/she may be able to return to ASMS as a full-time student.
- If the student is not capable of some work at home immediately following the assessment, the maximum time the student can be out and return to a full load assignment is one additional week after the assessment.
- If the student can return to ASMS and carry a partial load within two weeks after the assessment, the student will be placed on a light load for the remainder of the quarter.
- If the student is capable of some work at home after the assessment and returns to ASMS within two weeks of the assessment to a partial load assignment, he/she will be given an independent study when he/she is capable of a larger load, up to the end of the 7th week.
- If the student will not be able to return to ASMS and carry a full load within two weeks of the assessment, it will not be possible for that student to return to ASMS full-time that quarter. (This amounts to a three-week absence.)

When a student cannot return to ASMS in any given quarter, the situation will be reviewed to ascertain whether the student will be able to return to ASMS in a subsequent quarter and still complete the requirements for an ASMS graduation diploma.

Counseling Center

The role of the Counseling Center is to foster educational, social, and psychological growth by helping students develop academically and personally. The Center provides students with academic and college counseling, career counseling, and personal/adjustment counseling. Our ASMS counselors emphasize principles of accountability by encouraging students to take responsibility for their behavior, values, judgments and choices. Students are assigned an Academic Counselor who works with them while they attend ASMS. Group and individualized meetings are scheduled throughout the year to help students make valuable academic decisions. It is critical that students attend all scheduled meetings. Missing a scheduled meeting not only undermines the scheduling process and jeopardizes the college application process, but it also is inconsiderate behavior. In addition to self-referrals for personal counseling, students also may be referred to the counselors by faculty or staff. Scheduling group seminars on current topics and providing support groups as needed are also a part of the philosophy of developing a whole person. These groups and seminars may be either student or counselor initiated.

Crisis Intervention

Counselors provide twenty-four (24) hours a day/seven (7) days a week crisis intervention to assist students in residence. Crisis situations may include depression, the loss of a loved one, or other matters with which students need immediate help.

Course Syllabi

Faculty will provide an electronic or paper copy of the course syllabus to each student within the first week of class attendance. The syllabus will serve as the basis of expectations between the teacher and the student. Each syllabus will state the course requirements, grading policy, grading scale, exemption policy, attendance policy, dates of major tests, papers and/or assignments, and late work policy. See sample attendance policy at the end of this Handbook.

Credit Transfer Limitations

Credit will be given only for courses that were approved before the course was taken, that were taken at accredited institutions of higher learning, and that are not offered at ASMS. Classes taken will not be listed on the ASMS transcript nor factored into the GPA. They will however be attached to the transcript listing the school and the course taken.

Curriculum Summary and Graduation Requirements

The following represents the standards that must be met in each student's studies at ASMS. While ASMS strives to provide a varied and individualized curriculum, only rare circumstances would allow for approval of any variation in the following requirements. Courses completed prior to 9th grade will not be counted toward ASMS graduation requirements with the exception of Algebra or Geometry taken in the 8th grade. All requirements are stated in Carnegie Units (CU's). Specific graduation requirements are given below. Directed Study Policy

ASMS encourages students to take on research and readings outside the classroom but under the direct supervision of a faculty member. Students may receive .25 or .50 CUs for the course. Prior approval to teach the course must be obtained from the President's Office. (See approval for Directed Study form.) If a course is to receive .25 CUs, there must be a minimum of two direct contact hours per week and either a written

component to the course or an oral exam. If a course is to receive .50 CUs, there must be a minimum of four hours of direct contact and a written component to the course. Attendance is mandatory and any absences will be submitted to the Registrar and Progress Reports to the appropriate counselor.

A Directed Study class may not replace a required graduation course, nor will it count towards a fifth academic class. Students must apply to take the Directed Study before the end of the Drop/Add Period and secure the signature of the instructor prior to turning in the form to their counselor. Students must have a minimum of a 3.5 unweighted GPA and will not be permitted to take more than two DRs per term.

Electronic Devices in the Classroom

Students are encouraged to use electronic devices—laptops, tablets, calculators, smart phones, etc.—in ASMS classes, but only for activities appropriate to instruction and learning. Instructors determine appropriate use of electronic devices, and include a statement explaining any general limitations in each Course Syllabus, as approved by the President's Office.

Such distracting activities as Web browsing, checking email, answering the phone, responding to a recorded message, texting, using social media applications, or instant messaging are specifically prohibited in all classes and other academic settings, and will be sanctioned under the Student Code of Conduct.

Phones and all other devices must be silenced during class or in any academic setting including the auditorium, lecture hall, classrooms, conference rooms, and supervised study areas. Any sound that interrupts a class or academic activity will be considered a violation. Students are not permitted to audio or video record class sessions without express permission from an instructor. See Audio or Video Recording and Surveillance policy in this Handbook.

Violations of these Electronic Device guidelines could result in confiscation of the offending device for a specified period, even on the first offense. Repeated violations will be considered an Intermediate or Major Violation under the Student Code of Conduct.

Grading Policies

Grading follows a letter evaluation system:

A	100-90	Excellent and Passing
B	89-80	Good and Passing
C	79-70	Satisfactory and Passing
D	69-60	Below Average and Failing
F	59-0	Poor and Failing
P		Passing
S		Satisfactory (an interim grade)
I		Incomplete
WP		Withdraw Passing
WF		Withdraw Failing
AUD		Audit
R		Repeat

Academic Probation

All students must maintain a GPA of 2.5 or greater. Any student falling below a GPA of 2.5 based on a schedule containing a minimum of five (5) academic courses is placed on probation. Any student whose course load falls below five (5) academic courses is placed on probation regardless of their GPA for the term. If a student is placed on academic probation after his or her first term, he or she has one academic term to achieve a term GPA of 2.5 or greater based on a schedule containing a minimum of five (5) academic courses. A GPA of 2.5 or below is cause for greater concern. Any student on probation will be

evaluated by the Director of Student Affairs, Dean of Academics, and the President to determine if the student may stay at ASMS. If the student fails to achieve a GPA of 2.5 or greater in the following term, the student will be dismissed from ASMS.

Credit

Credit is awarded for courses successfully completed with a grade of "A," "B," "C," or "P." For courses that extend over more than one quarter, credit will be awarded at the end of the sequence and an "S" on a report will indicate satisfactory progress is being made.

Failing a Course

Students have only two opportunities to pass any given course. Once a student fails a course, he/she must pass with a grade of "C" or better the next time he/she is registered for that course. If a student does not earn a "C" or better, he/she will be dismissed from ASMS. Students may opt not to repeat courses that are not part of their graduation requirement. The following rules apply when a "D" or "F" is the earned grade: When a student earns a "D" or an "F" in a course required for graduation, the course must be repeated. Once the course is completed successfully, the original grade earned will remain on the student's transcript with an addition to said transcript showing an "R" for repeat after the course has been repeated. The passing grade will be recorded after repeating the course.

Grade Point Average (GPA)

For the purpose of establishing grade requirements for probation, clubs, and other activities, the GPA is computed from end of term grades in academic courses only. ASMS uses a four (4) point scale. A=4 points. B=3 points. C=2 points. D & F=0 points.

Grade Changes

No grade changes will be made after mid-term of the following quarter. Also, grade changes cannot be made to graduates' transcripts following the last working day of June.

Grade Restrictions for Seniors

Seniors may not have a failing grade (i.e. D or F) or withdraw (i.e. WF, WP) in any course during their final term at ASMS. A senior who fails a course or withdraws from a course during their last term at ASMS will not be allowed to participate in graduation ceremonies.

Incomplete Grade

At the end of a quarter an instructor may label a course incomplete, "I." An incomplete must be designated as complete with a grade by the end of the next grading period (i.e. incompletes at the end of Fall Quarter must be completed by mid-term of the Winter Quarter), with the exception of courses ending in the Spring for which the last working day in June will be the deadline. Seniors must remove all incompletes by the close of business on the last day of finals of the Spring Quarter to qualify for graduation exercises.

Withdraw Passing (WP)

A Withdraw Passing grade initiated by a faculty member or a student must be done, normally, at least two weeks prior to the first grading period. It cannot be done if it causes a student to drop below the required five academic subjects per quarter.

Withdraw Failing (WF)

A Withdraw Failing may be initiated by a school official. It is due to excessive absences from class, disruptive behavior, academic failure, or other academically or socially undesirable behavior. A student may continue to audit a course with the instructor's permission.

Graduation

Ceremonies for end of the year are in two parts. The Senior Honors Convocation is held to recognize special achievements of students. Commencement Exercises are held to honor graduating students. All graduating seniors are expected to attend both functions.

Loss of Privilege of Graduation Participation

It is to be noted that students who have not completed the requirements for an ASMS diploma will not be permitted to participate in Commencement Exercises and may not walk or receive a diploma. Furthermore, seniors who fail to adhere to the Honor Code, Student Code of Conduct, Community Life Expectations, Policies and Guidelines, and satisfactorily complete work service also may be subject to loss of their privilege to participate in any end of year events, including Commencement Exercises.

IDF Reports

Approximately halfway through each term, a progress report is issued by teachers for any student with a 50% or greater likelihood of receiving a failing grade (F, D, or U) in a course if student performance continues at the same level. In such instances, a progress report of IDF is recorded (in danger of failing). The instructor also includes a comment with the assessment summarizing the student's performance to date. ASMS can request a phone or on-campus meeting with faculty, staff, parents, and the student. Under some circumstances, ASMS will require an on-campus meeting.

Library Services

The ASMS library is a resource center and workspace for students. All communications and questions regarding the library should be addressed to the librarian, or the library assistant. Students are accountable for any material checked out from the ASMS library and must clear their account quarterly. Textbooks are to be returned at the end of each quarter at a designated location unless the text is required the following quarter. Students must return all textbooks during check out at the end of the school year. Students are required to pay for lost or damaged textbooks before they will be allowed to register for the next school year. At the time of withdrawal or graduation, a student's charges owed to any library, ASMS or local, must be cleared before transcripts will be released. Library hours will be posted outside the library.

Copy Machine: A photocopy machine for student use is located inside the library.

Access to Local Libraries: Students at ASMS have access to the library facilities at the University of South Alabama and the Mobile Public Library. Damaged or lost books or materials are the responsibility of the student. Misuses of these privileges may result in loss of privileges.

Library Laptops: The library offers a limited number of laptops for students to check out during the school year. This service is a privilege to students. If a laptop is damaged while checked out to a student, that student will be held responsible and will incur any repair or replacement costs. Students who checkout a laptop will sign a form signaling that they will treat the school property with respect and agree to pay repair or replacement costs associated with any damage.

Off-Campus Course Credit

Courses taken at colleges or universities (not as repeated courses) may be used as elective credit at ASMS, if such course work is not normally offered at ASMS. Prior approval must be granted. The complete policy on course credit from institutions other than ASMS is as follows:

For students entering ASMS with course credit from another institution the following rules apply:

Eighth Grade and Below: No credit will be awarded for any courses taken as part of the 8th grade or any lower grade curriculum, except for Algebra I or Geometry taken in the 8th grade – which must be properly documented on a transcript. In situations where a student registered in 8th grade or a lower grade and traveled to a high school and took a high school course with other high school students, the course will be

recognized by ASMS and credit awarded if, and only if, the high school at which the course was taken issues an official transcript attesting to the course taken, the grade accomplished and the credit value. A notation on the 8th grade cumulative record is not acceptable as evidence that the course was taken at a high school. The grade attained for such courses must be an, A, B or C to be awarded transfer credit.

Other High School Credit

Students will be given credit for all courses taken at an accredited high school where the grade attained was A, B or C. No credit will be awarded for grades below C.

University Credit

Students with university credits will be given full credit for all courses taken where the grade attained was A, B or C. No credit will be awarded for grades below a C.

For students at ASMS who take courses at outside institutions as a condition of ASMS Attendance:

Students may be required to take courses during the summer as a condition of their continuing at ASMS or coming to ASMS. In such cases the President, or his/her designee, will give approval, on an individual basis, for the course and institution proposed by the student to fulfill the requirement.

For students at ASMS who take courses in addition to the ASMS Course Load:

Students who wish to take courses in the summer, or during the regular school year, at an institution other than ASMS must follow a procedure, which parallels that for directed study. The permission request must be presented in written form to the President. The request must include the name of the university at which the proposed study will take place, the name of the course and a copy of the course description from the university catalogue. Permission requests will be entertained only for courses that do not replicate ASMS courses.

Remote Instruction

ASMS reserves the right to transition to online or remote instruction in the event of a pandemic, weather emergency, etc.

Release of Student Information

Outside ASMS: No confidential information other than that required by state and federal law will be given over the phone or in writing to a third party, unless there is written parental or student approval. Correspondence from the school can be sent to only one set of legal guardians or custodial parents. If duplicate information for more than one parent/guardian is needed, the parties involved should forward it. (See section on FERPA and HIPAA laws)

Within ASMS: Student information is shared among certain faculty and staff while reviewing the student's progress, behavior and needs. This information is used to provide the student with support, help and special care when needed to counsel the student, to determine behavior and consequences, or to evaluate the desirability and feasibility of keeping the student at ASMS.

Routine Correspondence and Change of Permanent Address

ASMS requires that a parent, legal guardian or responsible adult family member serve as contact for routine correspondence, permission and emergencies. ASMS requires that parents or guardians make current home address, email address and telephone numbers available at all times. This information is essential for use in emergency situations and for compliance with the Alabama residency requirement. Changes to this contact information should be made by the parent by calling the Office of Academic Affairs. The Registrar will make the necessary changes in the primary student database and notify all offices of the update. Having correct contact information for a student and their family is a safety issue. As such, if a student or their family members provide false contact information, the student will be administratively withdrawn from ASMS.

Temporary Changes

Occasionally parents must be away from home for business, vacation, etc. It is essential that the parent provide ASMS with the name, address, and phone number of the person(s) to contact in case of emergency and how and where to locate parents during this time. Notification should be made by emailing the Office of Student Affairs (Student Affairs will notify the Registrar).

Scheduling

Each student will be scheduled for at least five academic subjects per quarter. Schedules will be prepared for them in accordance with requests submitted by students. Students not requesting the minimum number of courses required will be scheduled according to availability of courses. A Drop/Add period will take place the first two days of each term to allow students with class conflicts and unscheduled graduation requirements to make such changes and additions. Changes for reasons other than these will be made only if deemed necessary by the counselor and approved by the President. Students who enroll in Advanced Placement courses may only withdraw during the first term Drop/Add period. Otherwise, Advanced Placement courses must continue for the entire sequence.

Sophomore and Junior Re-Enrollment

Invitations to return as juniors and seniors are offered to students who have demonstrated an acceptable standard of academic, residential, campus work service, attendance, and behavioral performance during the sophomore and junior years.

Intent to Return Form

Students seeking to return to ASMS as juniors and seniors must file an Intent to Return Form by the stated deadline. However even if students fill out this form and register for the next year, they are not officially granted readmission to ASMS until the School has extended an invitation.

Promotion Meetings

At the end of the winter quarter the faculty and staff hold promotion meetings and make recommendations about members of the sophomores and junior classes. More than grades are considered at these meetings, including but not limited to contributions to the school, attitude, manners, tolerance and charity towards others, willingness to work with the school, and encouragement of others in the same.

Academic/Behavioral Review Committee

During the third term, the Director of Student Affairs and the Dean of Academics will convene an Academic/Behavioral Review Committee composed of administrators, counselors, faculty, and staff to review all Intent to Return Forms and to hear recommendations for denial of junior and senior re-enrollment based upon a student's performance as a sophomore or junior.

Invitation to Return

All students not referred to the Academic/Behavioral Review Committee will receive an invitation to return in June. A student who clearly fails to meet academic and/or behavioral requirements (see Academic/Behavioral Probation – Return to Home School) for return as a junior or senior will be notified immediately by the Director of Student Affairs. The student will not receive an invitation to return. It is within ASMS's rights to invite or not invite a student back, as attending ASMS is a privilege and not a right. An Alabama resident has the right to attend the public school in his or her home county.

A student with borderline grades, attendance concerns, behavior concerns, or with a combination of academic and behavioral issues will be reviewed by the Director of Student Affairs and a committee of faculty and staff prior to a final decision being made regarding his/her return. The Director of Student Affairs and the committee will complete the review no later than two weeks after the end of the academic year and make a final decision concerning the return of the student. Students and parents will be notified within one week of the decision (by phone, email, or mail). The Director of Student Affairs may recommend that: (1) the

student will be issued an invitation to return with no qualifications, (2) the student will be issued an invitation to return on probationary status with a contract to be developed in a meeting with the student and parents prior to the beginning of the school year, or (3) the student not be invited to return.

Appeal Process

Notification of the decision not to issue an invitation to return will include a description of the appeal process. Students or parents who desire to appeal this decision must, within ten (10) working days of receipt of the final decision by either student or parent/guardian, submit a formal written appeal to the ASMS President. The appeal shall include a written statement by the student explaining the reasons for his/her appeal. Upon receipt of the written appeal, the President will review the student's entire record at ASMS. The President may or may not request a conference with the student and his/her parents. Within ten (10) working days of the receipt of appeal, the President shall render a decision on the appeal and this decision shall be forwarded to the student and his/her parent(s)/guardian by certified mail. The President's decision will be final, as student has a right to a public education in their home county, while attending ASMS is a privilege.

Special Projects

Special Projects are week-long programs designed to encourage intellectual excitement and experiential growth for both students and faculty in a context often not possible in ordinary classroom situations. They complement the regular academic offerings and may include intensely focused programs, travel, and integration of disciplines. All Special Projects are supervised by faculty. Supervising faculty will define appropriate academic requirements according to the goals of each project. Special Projects week is typically scheduled between Winter and Spring Terms.

Requirement

Each student must participate in and successfully complete with a grade of "P" for pass a Special Project during each year of residence at ASMS. Successful completion will earn 0.25 CU per year. Failure to pass the Special Project will result in a school-initiated withdrawal. No unexcused absences are permitted during the Special Project. The President must give direct permission for a student to not participate in Special Projects at the appointed time. If excused, a specific time frame must be set as when and how a student will make-up the special project. A Special Project brochure will be available to students before the end of winter term. The same ASMS rules of conduct, regulating students' behavior while residing at the school, apply to behavior while participating in Special Projects. All projects will produce some tangible product or service.

Student Orientation

All incoming sophomores and juniors are to complete satisfactorily the Orientation Program into which they are scheduled. There are no unexcused absences from an orientation class. Topics for this class include study skills, library research and plagiarism issues, time-management, and stress management.

Study Hall

Study Hall may be assigned for students who have earned a D or an F or who have a GPA of less than 2.8 at mid-term or at the end of the term. The assignment to study hall is mandatory until the end of the term. In addition, faculty members may assign struggling students to study labs for a designated period of time.

Term System

The academic year at the ASMS consists of four terms. These terms are designated as Fall, Winter, Spring, and Summer. Fall, Winter, and Spring Terms are dedicated to normal school programming. The Summer Term is dedicated to summer camp programming and outreach opportunities.

Transcripts

Official Requests

Transcripts must be requested through the Office of Academic Affairs. Official transcripts will be released to another institution or scholarship service only if a Transcript Request Form has been completed properly and submitted. Transcripts are not released unless all fees due ASMS have been paid.

Unofficial Requests

Unofficial transcripts will be issued to students with a written request to the Office of Academic Affairs. Current students may also access their unofficial transcripts on Blackbaud.

Verification

Transcripts may be accessed on Naviance. The Registrar may be contacted to address any questions.

Withdrawal or Graduation

At the time of withdrawal or graduation, a student's charges owed (such as student activity fee, any athletic or club fees, fees from any library, ASMS or local) must be cleared before transcripts will be released (outstanding fees must be paid before transcripts are released).

Withdrawal

Students are permitted to withdraw from ASMS upon completing the withdrawal procedure. Students planning to withdraw should consult the Office of Student Affairs, which will explain the withdrawal procedure, provide the withdrawal form, and schedule an exit interview. Students are required to leave the ASMS campus before 7:00 p.m. on the effective date of their withdrawal. The withdrawing student is required to return library materials, textbooks, and keys to the Office of Student Affairs. In the case of a disciplinary withdrawal, the student may be restricted from returning to the campus. A withdrawal form can be found at the end of this Handbook. A reason for withdrawal is indicated on the withdrawal form (see back of Handbook). There are three types of withdrawals:

(1) Academic Withdrawal

Academic withdrawal is for students who are required to leave for failure to meet academic expectations or who fail to meet graduation requirements. The President may initiate school withdrawals for academic reasons. The primary factors in deciding on an academically initiated withdrawal are the student's inability to complete the ASMS graduation requirements or his/her deficient performance in academic areas. Students who do not live up to the academic expectations of the school may be asked to leave during the year or at the end of the year. The normal withdrawal process must be followed.

(2) Disciplinary Withdrawal

Disciplinary withdrawal pertains to students who fail to meet conduct requirements or leave ASMS with a pending investigation or conduct hearing and/or with a conduct hearing decision under appeal. Students who do not live up to the community life expectations of the school due behavior or discipline may be asked to leave during the year or at the end of the year.

(3) Voluntary/Medical Withdrawal

Voluntary withdrawal pertains to students who feel that their academic and personal needs and interests would best be met in another learning environment. There are occasions when a student will encounter situations that lead to a consideration of voluntary withdrawal. In these cases, the student must visit an academic counselor to discuss the possible withdrawal. The Academic Counselor may discuss the issue with or refer the student to the personal counselor. Parents will be contacted. Furthermore, if a disabling condition arises and is reported to the school or otherwise becomes evident regarding students who have been admitted or who are current students of ASMS, a committee appointed by the President will determine if the student can remain at ASMS.

Once a decision is made, the student will request a withdrawal form from the Office of Student Affairs or the Registrar's Office, complete and return it to the Registrar as soon as possible, not later than the end of the current quarter. An official copy of the ASMS transcript, grades-in-progress, immunization records, and other

appropriate records are sent to the school in which the student seeks or intends to enroll. For students who leave ASMS after the first trimester of an academic year, but prior to the end of that academic year, credit is recorded for any course in which a passing grade was earned for the first or second trimester. In cases when withdrawals are considered for the next academic year, forms must be requested and filed before the second Friday of the month of June. ASMS students withdrawing after that date will forfeit the security deposit. The following policies pertain to all withdrawals:

- Students must complete an entire quarter of work, including final exams, to earn final grades and credit for courses. No credit will be earned in a class if the withdrawal occurs before taking final exams.
- Students must settle all fees, fines, other financial obligations, and the ASMS Withdrawal Form must be completed before a final transcript is issued.
- ASMS reserves the right to prohibit a student who has withdrawn from returning to the campus or to any school function.

Work Service

Purpose

As part of their privilege to attend ASMS, students are required to complete satisfactorily two (2) hours of work service every week for the duration of their time at ASMS. Work service enables students to contribute to the cost of their education and to demonstrate commitment to the school.

Grade

Students are held accountable for completing the assigned tasks and for making up any missed hours. A grade of S (Satisfactory) or U (Unsatisfactory) will be assigned by the work service supervisor. Students with a grade of U will be referred to the work service supervisor or Office of Student Affairs for consequences; if further noncompliance persists, students may face disciplinary action from the Discipline Committee. In addition, grades will be placed on grade reports. Work Service is a graduation requirement.

Procedure

All work service assignments are essential contributions to the ASMS community. Work service assignments are made according to the needs of the school and seniority of students. Incoming students are placed in maintenance for the first year. Efforts are made to place returning students in office positions. Students behind six hours or more can be placed on campus restriction until work service hours are completed.

Standardized Testing Info

Students may take the ACT or SAT whenever these tests are available. The closest local test sites are Murphy High School and Bishop State Community College. Students may sign up for a bus that will take them to the testing center and will pick them up when testing is finished. While every effort will be made to provide transportation, resources are limited. Students may also drive to testing sites with parent permission. ASMS offers various types of test prep, but students are encouraged to prepare on their own. Sophomores and juniors are required to take the PSAT at the beginning of the year, and juniors are also required to take a free state-administered ACT in April.

Students are expected to take scheduled standardized tests and follow appropriate instructions during those tests.

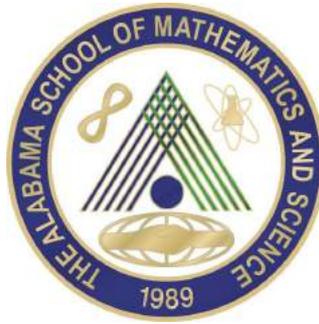

Students who withdraw from ASMS may not return to take standardized tests on campus, nor is the school responsible for helping them find standardized test locations. Students who participate in exchange programs and other off-campus educational opportunities are responsible for registering for their own standardized tests (including the PSAT) and locating testing sites.

Institutional Research Involving Human Subjects

ASMS carefully restricts and regulates all research involving human subjects. Any research project which involves the participation of students attending ASMS must first receive approval from the ASMS Research Committee to ensure that research projects meet governmental guidelines and professional standards for research involving human subjects. “Human participant research” is defined as a systematic investigation designed to develop or contribute to generalizable knowledge, which involves the collection of data from or about living human beings. Human participant research must be reviewed if it is conducted by any faculty member, staff person, student, or any individual who is under the auspices of ASMS or a collaborating entity. See form at the end of this Handbook. Personally identifiable information maintained in educational records may be used as data for studies conducted by third parties without prior parental consent if the third party is an organization conducting studies for, or on behalf of, educational agencies or institutions and the disclosure meets 3 conditions as set out in 20 U.S.C. § 1232g(b)(1)(F):

1. The studies are for the purpose of developing, validating or administering predictive tests, administering student aid programs, or improving instruction.
2. The studies are conducted in such a manner as will not permit the personal identification of students and their parents by anyone other than representatives of the organization performing the studies.
3. The personally identifiable information that is provided is destroyed when it is no longer needed for the conduct of the studies.

The ASMS Research Committee shall be made up of faculty, administrators, and at least one non-institutional member and shall review and approve all human participants research. The review shall focus on such issues as risk to participants, voluntary involvement, informed consent, and confidentiality. In addition to its main purpose of protecting the participants of research, the review process also protects ASMS and the investigator. ASMS is not responsible for research that has not been approved. The primary responsibility for protecting human participants rests with each individual who initiates, directs, or engages in research. The ASMS Research Committee is convened on an “as needed” basis under the direction of the President. No research involving human participants shall be conducted until approved by the Research Committee. A student, faculty, or staff member desiring to conduct research involving human participants must notify the President for an application.

V. Athletics Policies

ASMS fields several athletic teams, including cross country, volleyball, archery, basketball, tennis, and soccer. ASMS is an academic-oriented school and student athletes must prioritize learning before sports.

What Is Good Sportsmanship?

Good sportsmanship occurs when ASMS community members are playing or watching a sport and treat each other with respect. This includes players, parents, coaches, faculty, and staff.

How Can Student Athletes Be a Good Sport?

By being a good sport, athletes learn respect for others and self-control. These skills can help students manage many other parts of your life. They're also key to becoming a mature, respectful, and successful adult. They can:

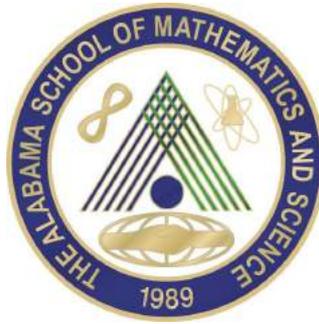

- Have a positive attitude.
- Students can give their best effort.
- Shake hands with the other team after the game.
- Support teammates by saying "good shot" or "good try." Never criticize a teammate for trying.
- Accept calls and don't argue with officials.
- Treat the other team with respect and never tease or bully.
- Follow the rules of the game.
- Help another player up who has fallen.
- Take pride in winning but don't rub it in.
- Accept a loss without whining or making excuses.
- Attend practice sessions.

Athletic Department Goals and Responsibilities

The goal of the ASMS Athletic Policy is to provide a framework that fosters responsibility and encourages a community-minded attitude within our student athletes.

- Athletes are expected to maintain the highest academic standards and to communicate with their coaches regarding their educational progress. They are also expected to positively participate in the ASMS community. Repeated disciplinary problems will result in an athlete being placed on probation with the terms of such probation being determined by the athletic department.
- Athletes are responsible for obtaining a sports physical before returning to school each year and submitting it to the school nurse and the Athletic Director. Student athletes are also responsible for obtaining a birth certificate and placing it in their permanent administrative file ten days before the first contest. All files are confidentially kept in the Administration Building.
- Athletes are responsible for communicating with their instructors and following the policies of the Handbook with regard to excused absences and early dismissals. It is the responsibility of the athlete to meet with instructors and review athletic schedules that will require excused absences or early dismissals as soon as the schedules are distributed by the coach.

- Athletes are expected to participate fully in all practices, games, and team activities. There are no unexcused absences in varsity sports. In special circumstances, a coach may approve an excused absence. However, requests must be submitted in writing to the coach two days in advance.
- If, for a medical reason, the athletic is excused from activity, the student must still attend practice, games, and team activities if he/she is able to attend other classes. Athletes requiring medical attention from a physician or the school nurse are required to present a clearance form to participate in subsequent physical activities.
- Severely injured or ill athletes that are physically unable to complete the season will be withdrawn from the course without credit. Athletes having satisfactorily completed 70% or more of the requirements may be allowed to remain in the course.
- During the season, athletes are expected to follow the guidelines of their coaches with regard to participation in other sporting events such as pick-up games, flag football, and events that may result in season ending injuries.
- Athletes are responsible for the replacement/repair of uniforms and equipment issued by the athletic department. Athletes are also expected to adhere to all deadlines set by coaches and managers that pertain to uniforms and equipment. Restitution will be required for lost or damaged equipment and/or uniforms.
- Grades for varsity sports are based on full participation, team attitude, and sportsmanship. Failure to successfully complete any of the requirements may result in grade deductions, a denial of a varsity letter, and/or a withdrawal from the class with a failing grade.
- The Athletic Department awards letters to students exhibiting exemplary participation, skills, and sportsmanship. At the conclusion of the season, the student will have: displayed a highly competent degree of skill or improvement; participated fully, factitively, and positively in practice and games; acted in a respectful way toward coaches and adults; demonstrated the values of good sportsmanship to teammates and opponents; and met the standards outlined in the athletic policies.
- Before the first contest, athletes are responsible for completing the online STAR Sportsmanship course required by the AHSAA. Please go the www.starsportsmanship.com and login with the code for ASMS which is: "Star 02172."
- To be in good physical condition is essential if students are to reach their potential at ASMS. As such, all students will be given a fitness assessment upon request. Each student is then given a plan of action to improve his/her fitness, if the Physical Education Department deems it to be in the student's best interest.

VI. Community Safety

ASMS is committed to providing students with a safe environment that is conducive to personal growth and learning. The following campus safety-related policies are intended to support a safe campus for all community members.

Security

ASMS has made every effort to create a safe environment for its students. Security cameras are placed around campus and gates are closed at specific times to reinforce security. ASMS has Security on duty 24 hours a day, seven days a week. Security makes rounds of the campus and is able to assist in an emergency if needed. In addition, there are Community Life personnel in charge and on call during the night and on weekends. The school has emergency telephone numbers monitored by Security:

Front Desk: 251.441.2100

Security Cell Phone: 251.331.2928

Security Office: 251.441.2118

Realizing that the students must take some responsibility for themselves, the following guidelines are offered from ASMS Security:

- Do not ever jog or walk alone off campus. Follow the rules at all times.
- Always deadbolt the door when leaving your room.
- Never give your room key to anyone.
- Do not keep large amounts of cash in your room or on yourself.
- Report any suspicious person(s) and /or activity to an ASMS official.
- Do not prop open doors or other entrance ways or exits that are supposed to be closed or have been locked for the evening.
- Do not leave valuables in your car, and make sure your car is locked.

Anti-Bullying Policy

Bullying, Intimidation, Violence, and Threats of Violence

No student shall engage in nor should any be subjected to bullying, violence, threats of violence or intimidation by any other student that is based on any of the specific characteristics set forth in this policy. This policy can work in conjunction with other policies outlined in this Handbook, including the Anti-Harassment Policy. Students who violate this policy will be subject to appropriate disciplinary sanctions as specified in the Student Code of Conduct, subject to the investigating school administrator's authority and decision.

Definitions

The following definitions apply for the purpose of this policy:

Bullying means a continuous pattern of intentional behavior on or off of school property, on a school bus, or at a school-sponsored function including, but not limited to, cyberbullying or written, electronic, verbal, or physical actions that are reasonably perceived as being motivated by any characteristic of a student, or by the association of a student with an individual who has a particular characteristic, if the characteristic falls into one of the categories of personal characteristics contained in this policy. To constitute bullying, a pattern of behavior may do any of the following:

- Place a student in reasonable fear of harm to his or her person or damage to his or her property.
- Have the effect of substantially interfering with the educational performance, opportunities, or benefits of a student.
- Have the effect of substantially disrupting or interfering with the orderly operation of the school.
- Have the effect of creating a hostile environment in the school, on school property, on a school bus, or at a school-sponsored function.
- Have the effect of being sufficiently severe, persistent, or pervasive enough to create an intimidating, threatening, or abusive educational environment for a student.

Hostile environment means the perception by an affected student that the conduct of another student constitutes a threat of violence or bullying and that the conduct is objectively severe or pervasive enough that a reasonable person, under the circumstances, would agree that the conduct constitutes bullying, threat of assault, or assault.

Violence means the unjustified infliction of physical force by a student with the intent to cause injury to another student or damage to the property of another student.

Threat means a statement of an intention to inflict pain, injury, damage, or other hostile action to cause fear of harm. The intention may be communicated through an electronic, written, verbal, or physical act to cause fear, mental distress, or interference in the school environment. The intention may be expressly stated or implied and the person communicating the threat has the ability to carry out the threat.

Threat of violence means an unjustified expression of intention to inflict injury or damage that is made by a student and directed to another student.

Intimidation means an unjustified threat or other action that is intended to cause fear or apprehension in a student.

Student as used in this policy means a person who is enrolled in ASMS.

Description of Behavior Expected of Students

Students are expected to treat other students with courtesy, respect, and dignity and comply with the Student Code of Conduct. Students are expected and required (1) to comply with the requirements of law, policy, regulation, and rules prohibiting bullying, violence, or intimidation; (2) to refrain from inflicting or threatening to inflict violence, injury, or damage to the person or property of another student, and (3) to refrain from placing another student in fear of being subjected to violence, injury, or damage when such actions or threats are reasonably perceived as being motivated by any personal characteristic of the student that is identified in this policy. Bullying, intimidation, violence, or threats of violence are prohibited and will be subject to appropriate disciplinary consequences and/or sanctions if the perpetrator of such action is found to have based the prohibited action on one or more of the following personal characteristics of the student: race, sex, religion, national origin, disability.

Consequences for Violations

A series of graduated consequences for any violation of this policy will be those outlined in the Student Code of Conduct or any rule or standard adopted under authority of this policy.

Reporting, Investigation, and Complaint Resolution Procedures

Complaints alleging violations of this policy may be made on a Board-approved complaint form available in the Handbook, on the website, or at the school's office. The complaint must be delivered to the President or the President's designee either by mail or personal delivery. Incidental or minor violations of the policy may be presented and resolved informally. If a threat of suicide is reported, the President or the President's designee is authorized to inform the student's parent or guardian of the report unless at the discretion of the school President or the President's designee the apparent cause of the threat of suicide is child abuse or other significant harm from a parent or guardian.

Upon receipt of the complaint, the President or the President's designee will determine if the complaint alleges a serious violation of this policy. If the President or the President's designee determines that the complaint alleges a serious violation, the President or the President's designee will undertake a reasonably prompt investigation of the complaint. The investigation will entail the gathering of relevant facts and evidence taking into account the circumstances of the complaint. If the investigation establishes a violation, appropriate disciplinary sanctions may be imposed on the offending student(s). Other measures that are reasonably calculated to prevent a recurrence of the violation(s) may also be imposed by the President or his/her designee.

Acts of reprisal or retaliation against any student who has reported a violation of this policy or sought relief provided by this policy are prohibited and are themselves a violation of this policy. Any confirmed acts of reprisal or retaliation may be subject to disciplinary sanctions that may include any sanction, penalty, or consequence that is available to school officials under the Student Code of Conduct. A student who deliberately and falsely accuses another student of a violation of this policy may be subject to disciplinary sanctions as outlined in the Student Code of Conduct.

Anti-Harassment Policy

ASMS is committed to equality of opportunity and the maintenance of an environment free of any discriminatory or harassing conduct based on race, color, national origin, sex, sexual orientation, gender identity, religion, disability, genetic information, age, or veteran status. In addition, students at ASMS should not be subjected to threatening or offensive conduct based on one’s socioeconomic status, academic status, social, mental or physical ability, or other personal characteristics.

It is the policy of ASMS that no member of the community may engage in speech or conduct that is unlawfully discriminatory or that constitutes harassment, stalking, hazing, bullying, or sexual violence. All students are guaranteed the right to live and learn in an environment founded on mutual respect for all persons and recognition of the dignity of all members of the community free from harassment and retaliation while enrolled at ASMS. The Office of Student Affairs will inform new students of the policy during orientation and when appropriate. This policy works in conjunction with other policies outlined in this Handbook, including the ASMS Anti-Bullying Policy and the ASMS Title IX Policy and Grievance Procedure outlined immediately following this policy.

Definitions

The following definitions apply for the purpose of this policy:

Discrimination is unlawful, adverse treatment of a person on the basis of that person’s race, color, national origin, sex, sexual orientation, gender-identity, religion, disability, genetic information, age, or veteran status. In the event you feel discrimination has occurred based sex, please see the Title IX Policy and Grievance Procedure following this policy.

Bullying means a continuous pattern of intentional behavior on or off of school property, on a school bus, or at a school-sponsored function including, but not limited to, cyberbullying or written, electronic, verbal, or physical actions that are reasonably perceived as being motivated by any characteristic of a student, or by the association of a student with an individual who has a particular characteristic, if the characteristic falls into one of the categories of personal characteristics contained in this policy. To constitute bullying, a pattern of behavior may do any of the following:

- Place a student in reasonable fear of harm to his or her person or damage to his or her property.
- Have the effect of substantially interfering with the educational performance, opportunities, or benefits of a student.
- Have the effect of substantially disrupting or interfering with the orderly operation of the school.
- Have the effect of creating a hostile environment in the school, on school property, on a school bus, or at a school-sponsored function.
- Have the effect of being sufficiently severe, persistent, or pervasive enough to create an intimidating, threatening, or abusive educational environment for a student.

Harassment is discriminating conduct that unreasonably interferes with an individual’s academic or residential performance and/or creates a hostile environment for that individual, affecting his/her personal safety or participation in educational or residential activities. Harassment does not have to include intent to harm, be directed at a specific target, or involve repeated incidents.

Hazing refers to any activity expected of an individual joining a group (or seeking to maintain full status in a group) that subjects the person to humiliation, degradation or the risk of emotional and/or physical harm, regardless of the person's willingness to participate.

Hostile environment means the perception by an affected student that the conduct of another student constitutes a threat of violence or bullying and that the conduct is objectively severe or pervasive enough that a reasonable person, under the circumstances, would agree that the conduct constitutes bullying, threat of assault, or assault.

Retaliation is defined as adverse treatment taken against individuals exercising their rights under the harassment policy. Retaliation against an individual who in good faith utilizes the reporting procedures included in this policy and/or participates in any investigation related to an allegation of prohibited harassment, bullying, hazing, cyber-bullying or discrimination is expressly prohibited and will result in disciplinary action, up to and including dismissal.

Sexual Harassment. Please see the Title IX Policy and Grievance Procedure.

Sexual Violence. Please see the Title IX Policy and Grievance Procedure.

Stalking is repeated, unwanted attention; physical, verbal or electronic contact; or any other course of conduct directed at an individual that is sufficiently serious to cause physical, emotional, or psychological fear or to create a hostile, intimidating, or abusive environment for a reasonable person in similar circumstances.

Student as used in this policy means a person who is enrolled in ASMS.

Reporting

Any employee who learns of situations involving student discrimination, harassment, sexual harassment, stalking, hazing, bullying, or sexual violence has an obligation to report those circumstances to the Title IX Coordinator. For instances involving sexual harassment, sexual violence, or sexual discrimination, refer to the Title IX Policy and Grievance Procedure on page 39. Any student who knows of situations involving discrimination, harassment, sexual harassment, stalking, hazing, bullying, or sexual violence can and should report the incident to any adult member of the ASMS community. Any student associated with ASMS engaging in such improper conduct will be appropriately disciplined, which could result in dismissal for misconduct. Any reported cases will be reviewed for possible referral to the appropriate legal authorities. A false accusation is considered misconduct and may result in appropriate disciplinary action.

Coverage and Complaint Procedures

The right of confidentiality, both of the complainant and of the accused, will be respected consistent with the law and with the necessity to investigate allegations of misconduct and to take corrective action when misconduct has occurred.

A reasonably prompt and impartial investigation will be made of all cases alleging harassment based on presented facts surrounding the misconduct. ASMS will review the totality of the circumstances to determine whether the alleged conduct constitutes harassment. Unless independent evidence exists, the victim must be willing to testify in order for ASMS to take corrective action against the accused. Any interference, coercion, restraint, or reprisal of any person complaining of harassment is prohibited.

ASMS shall investigate the complaint and take appropriate remedial action, if any, within 60 calendar days from receipt of the written complaint. Due to the sensitive nature of the investigation of harassment complaints, this deadline supersedes any requirements stated in the Student Code of Conduct. The Investigator may independently investigate matters reported by third parties in the absence of a formal complaint. If the Investigator determines that the complaint involves alleged sexual harassment, sexual violence, or sexual discrimination even though the complainant did not directly pursue such an allegation, the Investigator will treat the complaint as if it were a complaint filed pursuant to the Title IX Policy and Grievance Procedure on page 39.

Objectives

Research indicates that creating a supportive school climate is the most important step in preventing harassment. The following objectives have been established to create a supportive school climate:

- Disseminate to all students ASMS's anti-harassment policy statement;
- Sensitize students to the subject through training, orientation, and literature;
- Promptly investigate reports of suspected harassment;
- Offer mediation by the designated administrators as an alternative to a formal hearing;
- Use established disciplinary and hearing procedures in addressing harassment; and
- Document all efforts taken to prevent harassment and to respond to complaints.

Responsibility

The ultimate responsibility for the ASMS Student Anti-Harassment Prevention Plan lies with the President. However, the Director of Student Affairs is responsible for coordinating the plan and advising as appropriate all parties involved in cases alleging student harassment. The Title IX Investigator is responsible for investigating and obtaining any additional information in cases alleging harassment. All ASMS employees and students are responsible for maintaining an environment free of conduct defined as harassment or retaliation.

Program Coordination and Process

1. The Title IX Coordinator coordinates orientation and training programs and the Title IX Investigator meets with parties involved in alleged harassment, investigates allegations, and monitors disciplinary actions unless the situation dictates otherwise.
 - a. Orientation for new and returning students includes discussion of the anti-harassment policy and prevention plan.
 - b. Student Life curriculum addresses adolescent development issues, including protecting students from harassment.
2. The Title IX Coordinator, or designee, offers mediation as an alternative to formal hearing procedures.
 - a. The Title IX Investigator, or designee, meets separately with the accuser and accused.
 - b. The Title IX Coordinator, or designee, then facilitates a discussion that includes all parties to mediate an acceptable outcome.
3. The ASMS Counseling Services Office offers counseling to students involved in harassment.
4. If the accused is a student, resulting disciplinary action is handled through the regular judicial process outlined in the Student Code of Conduct. If the accused is an employee, the regular employee disciplinary procedures are followed. The employee will not be allowed to resign to avoid dismissal or other disciplinary action without the written consent of the accuser.
5. Appropriate disciplinary action will be imposed on those who (a) interfere or retaliate against any person alleging harassment, or (b) make unfounded charges of harassment.
6. The accused may appeal any disciplinary action through the appropriate grievance procedure.
7. The Title IX Policy and Grievance Procedure provides its own parameters for process, appeal, disciplinary action, and grievance procedure.

The Title IX Coordinator and the General Counsel will evaluate this program annually based on the effectiveness of training programs, number of complaints, nature of cases, and their outcome through the internal complaint procedures; and compliance with program requirements.

Violations

Violations of this policy are defined as Major Violations under the Student Code of Conduct and may result in disciplinary action, up to and including dismissal.

Alabama School of Mathematics and Science Grievance Procedures

Any person who believes that the Alabama School of Mathematics and Science (ASMS) has engaged in discrimination and/or harassment on the basis of race, color, religion, creed, sex, national origin, age, disability, veteran status, sexual orientation, or otherwise may submit a complaint to the designated individual below and a complaint form can be found at the end of this document:

Dr. Scarlett Studdard
1255 Dauphin St.
Mobile, AL 36604

The grievance procedures outlined below establish how complaints will be investigated and resolved. These grievance procedures are intended to provide a prompt and equitable resolution of complaints. Employees, students, parents, or third parties may use these grievance procedures. Additionally, these procedures are applicable to complaints of discrimination and harassment carried out by employees, students, or third parties. Please note, in cases of alleged sexual harassment, sexual discrimination, or sexual misconduct, refer to the Title IX Policy and Grievance Procedure. If the Title IX Coordinator or Investigator determines that a grievance or report should be handled pursuant to the Title IX Policy, the Coordinator will notify the parties of the Coordinator's intent to utilize said policy and grievance procedure in that instance.

These grievance procedures do not bar individuals from filing claims in other forums to the extent permitted by state and federal law. ASMS encourages individuals to discuss their concerns with appropriate school officials before resorting to a formal complaint. However, individuals are not required to do so before filing a formal written or verbal complaint. ASMS will reduce verbal complaints into written complaints. ASMS will not retaliate against any person who files a complaint in accordance with these procedures. A formal complaint may be filed by following the steps outlined below:

Step One

Notice of the formal complaint must be filed with the individual designated above. Complainants may use the complaint form attached to the grievance procedure. The written notice must include the nature of the complaint, the date(s) of the occurrence, the desired result, and must be signed and dated by the person making the complaint. If a student is involved, that student's parent/guardian will be notified.

Upon receipt of the notice of the complaint, the designated individual to whom the complaint was submitted will immediately initiate an adequate, reliable, and impartial investigation of the complaint. Each investigation will include, as necessary, interviewing witnesses, obtaining documents, and allowing parties to present witnesses and evidence. All documentation related to the investigation will remain confidential.

Within 30 business days upon the receipt of the complaint, the individual investigating the complaint will respond in writing to the complainant. However, if ASMS needs additional time beyond the 30 school days, it will notify the parties, indicating the reason for the delay and estimating a time for the completion of the investigation. The response will summarize the course and outcome of the investigation and identify an appropriate resolution. If, as a result of the investigation, it is determined that discrimination or harassment have occurred, appropriate corrective and remedial action will be taken. ASMS will provide for written notice to complainant and the alleged perpetrator(s) of the outcome of the investigation. Furthermore, ASMS will take steps to prevent any recurrence of discrimination or harassment.

Step Two

If the complainant wishes to appeal the decision from Step One, he/she may submit a signed statement of appeal within 10 business days after receipt of the response to:

**ASMS President
1255 Dauphin St.
Mobile, AL 36604**

The President will review all relevant information and meet with the parties involved, as necessary. Within 21 business days of receiving the statement of appeal, the President will respond in writing to the complainant and the alleged perpetrator(s) summarizing the outcome of the appeal and any corrective or remedial action to be taken.

Step Three

If the complainant is not satisfied with the decision of the President, he/she may appeal within 10 business days to the receipt of the President's response through a signed written statement to:

**Executive Committee of the Board of Directors of ASMS
1255 Dauphin St.
Mobile, AL 36604**

In an attempt to resolve the grievance, the Executive Committee of the Board of Directors shall review all relevant information and meet with the concerned parties and their representatives within 30 days upon the receipt of such an appeal. However, if ASMS needs additional time beyond the 30 days, it will notify the parties, indicating the reason for the delay and estimating a time for the completion of the investigation. A copy of the Executive Committee's disposition of the appeal shall be sent to each concerned party within 15 business days of this meeting.

The complainant may file a complaint with the Office for Civil Rights at any time before or during the grievance procedures. The regional office for the state of Alabama is located at 61 Forsyth Street S.W., Suite 19T10, Atlanta, GA 30303 and can be reached at (404) 974-9406 (ph.), (404) 974-9471 (fax).

Reporting Responsibilities

Members of the Campus Community and Visitors

All members of the campus community and visitors are encouraged to be alert to the possibility of violence by anyone on campus. They should place safety as a basic concern, and should report all acts of violence, threats of violence and disruptive or disturbing behavior to the ASMS Security Office, President's Office, Office of Human Resources, or Office of Student Affairs. Employees off campus should notify local police departments by dialing "911." ASMS will institute disciplinary action as appropriate and will follow up with victims and any witnesses to an incident of campus violence, preserving, to the extent required by law or policy, the privacy interests of those involved.

Reporting Workplace Violence

All faculty and staff members must contact Human Resources when they learn of a violent or potentially violent situation. Students are strongly encouraged to let an adult on campus know when they learn of a violent or potentially violent situation. Immediate threats or perceived potential threats of violence will be reported to the police.

- Name(s) of supervisory staff involved and how they responded before, during, and after the incident

- Suggestions from staff or others involved on how this specific incident could be prevented in the future

Additional Procedure for Protective or Restraining Orders

Members of the campus community who apply for or obtain a protective or restraining order which lists ASMS locations as being protected areas, should provide ASMS with a copy of any temporary protective or restraining order which is granted and a copy of any protective or restraining order which is made permanent. Employees should inform their supervisors of such orders.

Confidentiality

All reports made under this Policy will be handled in a confidential manner, with information released to the appropriate ASMS office only on a need-to-know basis. FERPA and HIPAA guidelines will govern the treatment of reporting information and records.

Retaliation Prohibited

ASMS prohibits retaliation against or harassment of individuals who act in good faith by reporting real or perceived violent behavior or violations of this Policy. Any member of the campus community who is found to have retaliated against another in violation of this Policy is subject to appropriate disciplinary action, including dismissal, under the school's applicable disciplinary policies.

Filing of False or Misleading Reports

ASMS prohibits individuals from making deliberately false or misleading reports of violence or threats of violence under this Policy. Individuals who make such reports will be subject to disciplinary action up to and including dismissal.

Title IX Policy and Grievance Procedure

ASMS prohibits all forms of sexual misconduct in its community. "No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal Financial assistance." 20 U.S.C. Section 1681(a). This Policy is to be utilized as a grievance procedure in the event a complaint is made by any person alleging sexual misconduct has taken place during an ASMS education program or activity.

Definitions

The following definitions apply for the purpose of this policy:

Sexual harassment is defined as conduct on the basis of sex that meets one or more of the following:

- (1) An employee of ASMS conditioning the provision of an aid, benefit or service of ASMS on an individual's participation in unwelcome sexual conduct (quid pro quo sexual harassment);
- (2) Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the educational institution's education program or activity; or
- (3) "Sexual assault" as defined in 20 U.S.C. 1092(f)(6)(A)(v), "dating violence" as defined in 34 U.S.C. 12291(a)(8), or "stalking" as defined in 34 U.S.C. 12291(a)(30).

Formal Complaint is a document or electronic submission filed by a complainant or signed by a Title IX Coordinator, alleging sexual harassment, against a respondent, and requesting that the recipient investigate the allegation of sexual.

Complainant is any individual who is alleged to be the victim of sexual harassment.

Respondent is any individual who is reported to be the perpetrator of sexual harassment.

Actual Knowledge is notice of sexual harassment or allegations of sexual harassment to a recipient's Title IX Coordinator or any official of the recipient who has authority to institute corrective measures on behalf of the recipient, or to any employee of an elementary or secondary school.

Supportive Measures are individualized services reasonably available that are non-punitive, non-disciplinary, and not unreasonably burdensome to the other party while designed to ensure equal educational access, protect safety, or deter sexual harassment.

Education program or activity includes any location, event or circumstance over which ASMS exhibits substantial control over both the alleged harasser and the context in which the harassment occurred.

Responsibility of Title IX Coordinator under this Policy

The Title IX Coordinator for ASMS is Ms. Katrina Thompson and the Title IX Investigator is Dr. Scarlett Studdard. The Title IX Coordinator manages the process with investigative and decision-making authority allocated to others. The Title IX Coordinator is required to promptly contact the complainant confidentially (even if a formal complaint has not been filed) to:

- a. Discuss the availability of supportive measures, which may include counseling, course modifications, schedule changes, increased monitoring or supervision, etc.
- b. Consider the complainant's wishes regarding supportive measures.
- c. Inform the complainant of the availability of supportive measures with or without the filing of a formal complaint.
- d. Explain the process for filing a formal complaint. See the section below regarding Coverage and Complaint Process.

The supportive measures mentioned above should be designed to restore or preserve equal access to the educational program or activity without unreasonably burdening the other party involved. They are non-disciplinary, non-punitive and individualized.

Reporting

Any person may report sex discrimination or sexual harassment regardless of whether the person is the alleged victim. Reporting may be accomplished by mail, telephone or email to the Title IX Coordinator, or by any means that results in receipt by the Title IX Coordinator. It is ASMS's duty to respond promptly to a sexual harassment complaint in a manner that is not deliberately indifferent. Any employee who learns of situations involving student sexual harassment, sexual violence, or sexual discrimination has an obligation to report those circumstances to the Title IX Coordinator. Any employee who learns of situations involving allegations of sexual discrimination or harassment involving students must promptly report such allegations to the Title IX Coordinator, Ms. Katrina Thompson (251-441-2111; email: kthompson@asms.net). The report will be investigated by the Title IX Investigator, Dr. Scarlett Studdard. Any student who knows of situations involving sexual harassment, sexual violence, or sexual discrimination can and should report the incident to any adult member of the ASMS community. Any student associated with ASMS engaging in such improper conduct will be appropriately disciplined, which could result in dismissal for misconduct. Any reported cases will be reviewed for possible referral to the appropriate legal authorities. A deliberately false accusation is considered misconduct and may result in appropriate disciplinary action.

Coverage and Complaint Procedures

Title IX protections cover ASMS's "education program or activity" as defined above. It does not extend to off-campus activities or locations outside the institution's control or to persons or activities outside of the United States.

The complainant may file a formal complaint with the Title IX Coordinator by any method made available by ASMS. At the time of filing, the complainant must be participating in or attempting to participate in the educational program or activity of ASMS.

The Title IX Coordinator may also sign a complaint but this does not make the Title IX Coordinator a party in the grievance process. Please note that a third-party reporter cannot file a formal complaint. Once a complaint is filed, this triggers the need to conduct an investigation to protect ASMS from a charge of deliberate indifference.

The complaint must be dismissed if the allegations do not constitute sexual harassment as defined, did not occur in the educational institution's program or activity or did not occur against a person in the United States. The complaint may also be dismissed if the complainant notifies the Title IX Coordinator at any time that he/she wishes to withdraw the complaint or allegation, or if the respondent's enrollment or employment ends, or if specific circumstances prevent the educational institution from gathering evidence (e.g., passage of several years between complaint and alleged conduct, noncooperation of complainant, etc.). Notice of dismissal must be provided to both parties to include the reasons for dismissal.

The right of confidentiality, both of the complainant and of the accused, will be respected consistent with the law and with the necessity to investigate allegations of misconduct and to take corrective action when misconduct has occurred.

ASMS cannot offer to facilitate an informal resolution process (i.e., mediation, restorative justice) unless a formal complaint has been filed. At any point during the formal complaint process, ASMS may offer to facilitate an informal resolution that does not require a full investigation as long as both parties receive written notice of their rights and the parties provide written, voluntary consent. At any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint. ASMS cannot offer informal resolution in the context of a complaint alleging that an employee harassed a student.

Investigation

ASMS must investigate allegations outlined in a formal complaint. In conducting an investigation, ASMS must provide both parties with an opportunity to present facts and expert witnesses and evidence to support their positions, with no restrictions on the parties' ability to discuss the investigation. Both parties must have equal opportunity to attend any proceeding, along with their advisor, to which they are entitled (advisor does not have to be a lawyer). ASMS must notify any party expected to participate in any proceeding of the date and purpose of the proceeding with sufficient time for the party to prepare.

Prior to completing the investigative report, ASMS must provide each party and the party's advisor all the evidence obtained in the investigation and allow at least 10 days to review and comment in writing. The investigator then prepares an investigative report summarizing the relevant evidence and shall provide said report to the parties at least 10 days prior to a hearing. Each party has the right to file a written response to the investigative report.

Rules for Procedure

Changes to Title IX in 2020 prescribe for a consistent, transparent grievance process for resolving formal complaints of sexual harassment. These procedures are intended to provide a prompt and equitable resolution of complaints. These grievance procedures do not bar individuals from filing claims in other

forums to the extent permitted by state and federal law. ASMS shall treat complainants and respondents equitably. Further, ASMS recognizes the need for complainants to receive remedies where a respondent is determined responsible and for respondents to face disciplinary sanctions only after a fair process determines responsibility.

A complaint must be filed as designated in this Policy above. If the parties would like to participate in an informal resolution process, both must make a written request within 15 school days after receiving knowledge of the complaint. The informal process must be consistent with this Policy. The Investigator shall evaluate objectively all relevant evidence, both inculpatory and exculpatory, without making credibility determinations based on a party's status as complainant, respondent or witness. The Title IX Coordinator, the investigator(s), the decision-maker(s), and persons who facilitate informal resolutions shall to be free from conflicts of interest and bias and trained to serve impartially without prejudging the facts at issue. The informal resolution process should provide a resolution within 30 days after the complaint is filed unless the parties agree to extend the deadline or circumstances dictate that more time is needed.

There is no presumption of responsibility of respondents until the conclusion of this procedure and a finding of facts. In the event the parties do not agree to an informal resolution process, the Investigator shall make every attempt to complete his/her investigation within 45 days of receiving the complaint and notify the parties of results of the investigation within 60 days of receiving the complaint. Extensions of the deadlines may only be given by agreement of the parties or in cases of extraordinary circumstances.

The Title IX Coordinator shall inform all parties of critical information about the recipient's procedures including

- a. the range of remedies and disciplinary sanctions a recipient may impose;
- b. the standard of evidence applied by ASMS/the decision-maker to all formal complaints of sexual harassment under Title IX (which must be either the preponderance of the evidence standard or the clear and convincing evidence standard);
- c. the appeal procedures; and
- d. the range of supportive measures available to both parties.

Either a resolution meeting or live hearing will be provided within 15 days after receiving the results of the investigation unless the parties agree to an extension or unless circumstances dictate otherwise. ASMS staff shall protect any legally recognized privilege from being pierced during this process. Participation in a live hearing is a decision to be made the parties. If the parties do not choose a live hearing, the decision-maker will make his/her decision based on written submissions and evidence. Please note that either party can request that the live hearing take place with the parties in separate rooms connected with technology that allows the decision-maker(s) and all parties to see and hear one another. At ASMS's discretion, the live hearing may be conducted virtually. However, a hearing is not required. With or without a hearing, ASMS must provide each party the opportunity to submit, after completion of the investigative report, written, relevant questions that the party wants asked of another party with the answers and provide for limited follow-up questions.

The decision-maker must issue a written determination regarding responsibility with findings of fact, conclusions about whether the alleged conduct occurred, rationale for the result as to each allegation, any disciplinary sanctions imposed on the respondent, and whether remedies will be provided to the complainant. The written determination must be sent simultaneously to the parties along with the information on how to file an appeal. This determination will be made within 15 days of the submission or live hearing unless circumstances dictate otherwise.

ASMS must offer both parties the right to appeal any determination regarding responsibility and any decisions to dismiss a formal complaint. An appeal must be allowed on procedural irregularities that impacted the outcome, new evidence that was not available prior to the decision that could impact the

outcome, or conflict of interest or bias on the part of any institutional representative. ASMS may allow appeal on additional grounds, so long as the opportunity is available to both parties. The decision-maker for the appeal can never be the Title IX Coordinator, the investigator or the initial decision-maker. The decision maker in a hearing shall be the ASMS Dean of Academic Affairs. In the event an appeal is deemed appropriate, the ASMS School President shall decide the appeal.

Confidentiality

ASMS must keep confidential the identity of the complainants, respondents, and witnesses, except as may be permitted by FERPA, as required by law, or as necessary to carry out a Title IX proceeding.

Retaliation

Title IX expressly prohibits retaliation against complainants. Complaints alleging retaliation may be filed according to ASMS's grievance procedure on page 37.

LGBTQ+ and Gender Identity Policy

ASMS values its LGBTQ+ students and respects their identity as well as their choices. We understand that students may desire to explore aspects of identity and to express themselves. Their parents and guardians may or may not support these decisions. As a publicly funded residential school, ASMS must follow state policies with respect to the dorm placement of students, the bathrooms they may access, their participation in varsity sports, and nomenclature recorded on formal documents. In most cases, state law requires us to default to the gender assigned at birth to the student. On campus, ASMS employees may endeavor to use the preferred names and pronouns of students, but in some instances (such as in legal, medical, and disciplinary matters) it may not be possible to do so. ASMS employees cannot be asked to hide a student's preferred identity or pronouns from their parents and guardians if the student has requested acknowledgment on-campus.

Alabama DHR/Mandatory Reporting Policy

All ASMS employees are mandatory reporters required by law to report suspected abuse, neglect, or exploitation. When an ASMS student is known or suspected to be a victim of child abuse or neglect, the mandatory reporter is required to report orally by telephone or direct communication immediately, followed by a written report to a duly constituted authority. The person who has direct knowledge of or suspicion of abuse or neglect must be the one to make the report.

The "duly constituted authority" refers to any law enforcement officer (such as a sheriff or police officer), or the DHR office in the county where the abuse is taking place or in the county of the child's residence. In the case of an immediate emergency, 911 is an appropriate authority to notify. When the initial report is made to a law enforcement official, that law enforcement official must notify DHR, and likewise, when the initial report is made to DHR, the DHR official must notify law enforcement.

Information to include in a report

- The name and age of the student
- Current location of the student
- County of residence
- Extent of injuries or information that led to knowledge of or suspicious event that led to report
- Address of student and parents or guardian

The Department of Human Resources provides forms: Written Report of Suspected Child Abuse and Neglect (DHR-FCS-1593) for making reports of suspected child abuse and/or neglect (CAN). Mandatory reporters are required to make written reports and should use forms available through the county and state offices of the Department of Human Resources. Forms are available at the Alabama Department of Human

Resources, 334-242-9500 or at www.dhr.alabama.gov. Ref: *Alabama Code 26-14-3, Mandatory Reporting in Alabama*

Student Laboratory Safety Policy

By signing the ASMS Community Standards Handbook, students acknowledge that they have read and understand the Student Laboratory Code of Conduct set forth below, which is endorsed by ASMS and the American Chemical Society. Students must obey these rules to ensure their safety and that of their fellow students and teachers. Students will cooperate to the fullest extent with their teachers and fellow students to maintain a safe working environment in the laboratory. Students are also aware that violations of this safety code will result in disciplinary action as specified in the Student Laboratory Code of Conduct.

Link to Laboratory Safety

Manual <https://www.acs.org/content/dam/acsorg/about/governance/committees/chemicalsafety/publications/acs-secondary-safety-guidelines.pdf>

Response to Violations of The Student Laboratory Code of Conduct

First Offense: Verbal reprimand from the teacher, with a written record of the violation maintained. The instructor will review the rule with the student. If this is a serious violation, which may have caused harm to human health or the environment, the parents or guardians will also be notified.

Second Offense: The student will be suspended from laboratory work immediately and sent to the Office of Student Affairs, with a disciplinary referral from the teacher. A written notification about the consequences for the student will also be sent to the parents or guardians. The student will not be permitted to return to laboratory work for one week, with alternative work assignment(s) to be provided in a supervised setting as determined by the instructor. Other disciplinary measures may be considered.

Third Offense: The student will be suspended from laboratory work immediately and sent to the Office of Student Affairs, with a disciplinary referral from the teacher. Written notification will also be sent to the parents or guardians, and a mandatory conference will be scheduled with the parents or guardians, teacher, and an administrator. Depending on the result of that conference, the student may be suspended from laboratory operations for the remainder of the school year. If this occurs, the student will be assigned alternative work assignment(s) to be provided in a supervised setting as determined by the instructor. In addition, the student may be required to schedule an alternative laboratory science course to satisfy graduation requirements. Other disciplinary measures may be considered.

Social Media Safety Policy

Social media is a great way to let others know about you, to share, and to communicate. When sharing content regarding ASMS as a student you must remember that you are an ambassador for ASMS. Present your thoughts, views, and information in a professional manner.

The following rules apply when using social media referencing the ASMS Community:

- When connecting or engaging with faculty or staff on social media, interaction should show a level of respect for personal space. Be mindful of posting content and photos and the image you are forming. There should be boundaries between the personal and the professional educational benefit of social media when engaging with faculty or staff.
- Creating social media or digital platform accounts which impersonate or appear to impersonate, represent, or appear to represent the brand and likeness of ASMS is not permitted. All social media and digital platform accounts created to communicate on behalf of ASMS, whether official or unofficial, must be approved by ASMS administrators. ASMS community members who want to create an account related to ASMS must ensure their account does not in any way appear to be communicating on behalf of the school.

- Ensure that your comments do not incite others to make discriminatory, harassing, or other unacceptable comments. How you express yourself on social media can often result in a negative consequence for you and/or others.
- Matters of a confidential nature should never be disclosed on social media. Respect the privacy and confidentiality of students, parents, staff, faculty, and other members of the ASMS community.
- Social media should not be used to attack, bully, threaten, criticize, or intimidate anyone within the ASMS community.
- Defamatory, offensive or derogatory comments regarding the school or any of the students/parents/staff/faculty/administration at the school should not be posted on any social media platforms.
- Within social media spaces, use common sense when discussing school life online. Think before you post.
- Concerns, grievances, or complaints should be properly addressed as outlined in this Handbook, and not with a social media audience. See Grievance Procedures.

Audio or Video Recording and Surveillance Safety Policy

This policy has been enacted in accordance with FERPA and other applicable Alabama law such as AL Code Section 13A-11-30.

Purpose/Summary

The purpose of this policy is to set forth expectations regarding the recording of classes, meetings or other conversations at ASMS, offsite at ASMS organized events, and over the phone between members of our community. The intent of this policy is to strike a balance between the legitimate uses of audio and visual recordings, and concerns including compliance with the law, privacy, and protection of intellectual property. In an effort to comply with Alabama law, promote the freedom to share ideas, and to respect the privacy of community members, the secret recording of meetings or other conversations is prohibited. Classes may be audio-recorded by the instructor, or by a student in the class only with the prior consent of the instructor. Video recordings require special handling and consent under this policy.

Policy

It is expected that faculty, students, and staff will respect the privacy of other individuals in the workplace and educational setting. Consequently, the secret recording (audio or video) of classes, meetings, or other conversations, including telephone calls, is prohibited. Recordings may serve many legitimate academic and workplace purposes; however, ASMS does not condone recording of any ASMS activities when participants are unaware that such recordings are being made. To promote an environment of trust and collegiality, recordings may be made only with the prior consent of the parties involved.

Classes may be audio-recorded by the teacher, or by a student in the class for personal use with the prior consent of the instructor. Class participants should generally be informed when a class may be recorded. Class recordings by students may not be downloaded to any computer, uploaded to the internet, or otherwise shared, transmitted or published without the further, prior written consent of the teacher.

Video recordings present additional privacy concerns, and potential concerns with copyright and intellectual property issues. Therefore, video recordings should only be allowed under conditions completely understood and approved in advance in writing by the instructor. All students and other participants in a class or educational activity which will be video recorded must be informed of the recording. Video recordings shall not be publicly shared, such as on the internet or in public viewings, without the written consent of the teacher and others being recorded.

Surveillance cameras/equipment and software may be placed on campus by authorized campus personnel to prevent or deter crimes and protect public safety and to facilitate official ASMS investigations into criminal activities or violations of campus policy.

Within ASMS, violation of this policy by a student may lead to disciplinary action up to expulsion. Violation of the policy by an employee may lead to disciplinary action up to termination.

Emergency Operations Plan

Every effort is made to prevent disruptions to the day to day activities at ASMS. However, ASMS will do everything possible to ensure student and employee safety. This means that it is important that all community members be prepared for emergency situations. As such, emergency drills will be conducted periodically. While drills are a periodical reality, community members should assume that any alarm is an actual emergency and react as such. Any time an evacuation occurs, Community Life Staff will conduct a roll call to ensure the whereabouts of all students.

School Lockdown Safety Plan

ASMS uses a four-tiered alert protocol:

1. Heightened Awareness: There is potential for an unusual situation, and all community members should have heightened awareness to react as needed.
2. Secure Your Area of Responsibility: A specific incident has occurred, such as a medical emergency or a threat to one's self, and school personnel shall secure their area of Responsibility to decrease the risk of further incidents.
3. Secure Perimeter: A potential threat or danger does exist or has occurred within the community or neighborhood, and all parties should be aware of reacting as needed.
4. Lockdown: Recognition of potential immediate danger. Take immediate action using the safest and best option for survival. Lockdown Alert protocols will take effect.

Lockdown Alert

A warning will sound stating that the campus is in "lockdown" mode. This warning system will be used in the event of discovered weapons, suspicious intruder, shooting, hostage situation, or as the President or Security Team deems appropriate. If a lockdown drill has been announced, there is no need to "run" and students and staff will remain "locked down" where ever they are when the drill begins.

Recent national tragedies remind us that the risk is real: An active shooter incident can happen in any place at any time. The best ways to make sure you and your loved ones stay safe are to prepare ahead of time and be ready. Taking a few steps now and mentally rehearsing what to do can help you react quickly when every second counts.

Profile of an Active Shooter

An active shooter is an individual actively engaged in killing or attempting to kill people in a confined and populated area, typically through the use of firearms.

Active Shooter Event Characteristics

- Victims are typically selected at random
- The event is unpredictable and evolves quickly
- Law enforcement is usually required to end an active shooter situation

Take an Active Role in Your Own Safety

- If you see something suspicious, say something
- Identify exits and good places to hide

- Be aware of your environment and any possible dangers. Take note of the two nearest exits in any facility you visit. If you are in an office, stay there and secure the door. Attempt to take the active shooter down as a last resort

Information You Should Provide to Law Enforcement or 911 Operator

- Location of the active shooter
- Number of shooters
- Physical description of shooters and number and type of weapons held by shooters
- Number of potential victims at the location

Run, Hide, Fight

“Run, hide, fight” is not linear, and it should be clear that either running or hiding or fighting could be an appropriate initial response, depending on the circumstances. 911 should be called if a shooter is spotted.

RUN

- Have an escape route and plan in mind
- Leave your belongings behind
- Keep your hands visible

HIDE

- Hide in an area out of the shooter’s view
- Block entry to your hiding place and lock the doors
- Silence your cell phone

FIGHT

- As a last resort and only when your life is in imminent danger
- Attempt to incapacitate the shooter
- Act with physical aggression and throw items at the active shooter

When “Locked Down” in a Room

- Go to the nearest room. Lock the door.
- Move away from the windows.
- Turn off lights.
- Keep calm and quiet.

How to Respond When Law Enforcement Arrives

- Remain calm and follow instructions
- Put down any items in your hands (i.e., bags, jackets)
- Raise hands and spread fingers
- Keep hands visible at all times
- Avoid quick movements toward officers (such as holding on to them for safety)
- Avoid pointing, screaming, or yelling
- Do not stop to ask officers for help or direction when evacuating

Use the following chart to “hide” if appropriate when a lockdown is announced:

Location:	Students should be locked down in:
West Campus	Black Box or Art Studio
Cafeteria	Cafeteria
Library/Study Rooms	Media Room and Library Office

History Classroom	History Classroom

MakerSpace	Restrooms and Classrooms

Fire Safety Emergencies

Immediate evacuation of one or more buildings may be required in case of a fire or other life-threatening emergency. Any faculty member, a staff member, or student may initiate the evacuation of a building upon discovery of a fire or other life-threatening condition by locating and operating a pull station. A pull station is in every building corridor. Additionally, campus fire-detection systems may automatically activate the alarm in the event of a fire, alerting all occupants to evacuate the buildings. It is imperative that all community members evacuate buildings once an alarm sounds and proceed to the designated assembly areas so that all community members may be accounted for. The faculty/staff member who oversees the students at the time of the evacuation is responsible for the orderly evacuation, accountability, and the assurance that all said students have exited the area. Each building has its own evacuation procedure with an evacuation route map posted in hallways and assembly areas.

Important

- No one should re-enter a building until a member of the maintenance staff gives the “all clear.”
- Elevators should NEVER be used to evacuate.
- Do not assemble in the cul-de-sac or on the road in front of the boys’ dorm.
- Do not assemble near any building, including on the front steps of the Auditorium.
- Standing along our iron fences near the north and south lawns is recommended.
- Remain in your area until the “All Clear” is given. The maintenance staff will give the “All Clear” via the PA system or by megaphone.

Fire Alarm Procedures

Fire Alarm Building Monitors: When possible, Monitors will check immediate areas to make sure all community members have evacuated. The goal is to evacuate all buildings in under 4 minutes.

Building	Monitors
Bedsole	A. Hopkins, V. Dorsey, & A. Frey & S. Brewer
Science	V. Irby (floor 1), K. Webb (floor 2), N. Ortell (floor 3), & E. Rambo (floor 4)

3. Occupants of the library and all other second-floor areas/offices should evacuate through the south exit and assemble on the lawn in front of the girls' dormitory but away from any building.
4. When possible, faculty and staff building monitors should check bathrooms, recreation areas, etc. to ensure that all community members have exited the building.
5. Faculty should bring their class rosters with them and advise all students to stay with their classes.

Administration Building

1. All occupants of the first floor and cafeteria should evacuate through the east or west exit and assemble on the north lawn away from any building.
2. All occupants of the second floor should evacuate through the west stairwell and assemble on the north lawn away from any building.
3. All occupants of the third floor will evacuate through the east stairwell and assemble on the north lawn away from any building.

5. Faculty should bring their class rosters with them and advise all students to stay with their classes.

Humanities Building

1. All floors should evacuate through the east exit and assemble on the north lawn away from any building.
2. When possible, faculty monitors should check all classrooms and bathrooms to ensure that all students and occupants of the first and second floors have exited the building.
3. Faculty should bring their class rosters with them and advise all students to stay with their classes.

Science Building

1. The first floor should evacuate the building through the east exit and assemble on the north lawn away from any building.
2. The second, third, and fourth floors should evacuate the building through the west stairwell and assemble on the north lawn away from any building.
3. When possible, faculty building monitors should check all classrooms, bathrooms, etc. to ensure that all community members have exited the building.
4. Faculty should bring their class rosters with them and advise all students to stay with their classes.

In the Event of a Science Building Lab Fire

- Assist any person to safety if they are in immediate danger – if doing so can be accomplished without risk to yourself.
- Immediately activate the building fire alarm system by pulling a manual fire alarm. This will initiate the fire alarm to evacuate the building.
- If the fire is small, the supervising instructor should use a nearby fire extinguisher to control and extinguish the fire. DO NOT fight the fire if these conditions exist:
 - The fire is too large or out-of-control.

- The atmosphere is toxic.
- If the first attempts to put out the fire fail, evacuate the building immediately.
- Close doors, and if possible, windows as you leave the room or lab.
- DO NOT wedge open lab doors; lab doors will help to prevent heat, smoke, and toxic gases from entering the egress corridors.
- Follow the above-mentioned Science Building procedures.

Girls’ Dorm

1. Ideally, first and second floors should evacuate through the north exit and assemble on the north lawn away from any building.
2. Ideally, third and fourth floors should evacuate through the south exit and assemble on the north lawn away from any building.
3. When possible, staff building monitors as well as Hall Staff members should check all bathrooms and dorm rooms to ensure all students have exited the building.

Boys’ Dorm

2. Second floor should evacuate through the north and south stairwells and assemble on the lawn north of Georgia Avenue away from any building and not in the street.
3. When possible, staff building monitors as well as Hall Staff members should check all bathrooms and dorm rooms to ensure all students have exited the building.

1. The art studio should evacuate through the west exit and assemble on the soccer field away from any building.
2. The theater should evacuate through the north exit and assemble on the soccer field away from any building.
3. The MakerSpace should evacuate through the MakerSpace/Classroom door and assemble on the soccer field away from the building.
4. Faculty and staff building monitors should check all areas in the building to ensure all students have exited.
5. Faculty should bring their class rosters with them and advise all students to stay with their class

Severe Weather Safety Procedures

A siren will sound in each building stating that there is a severe weather warning. Please follow these steps:

1. Move out of classrooms/common areas into hallways and away from windows.
2. Sit against the wall with knees up, heads down.
3. Determine if there are missing students. If there are, alert Student Services staff via phone, if possible.
4. Remain calm and quiet.
5. Remain in your area until the “All Clear” is given or the alarm stops sounding. “All Clear” will be announced via the PA system or by megaphone.

Use the following chart to secure students who are located outside or in areas with excessive windows when the inclement weather warning is announced:

If Students are in:	Escort Students to:
Library	History Classroom or Library Office
Cafeteria	Hallway and staircase

Hurricane and Tropical Storm Safety Procedures

Safety of students is the priority. ASMS will closely monitor tropical storms and hurricanes in the Gulf of Mexico. As a policy, ASMS uses an abundance of caution when confronted with tropical storms and hurricanes. Logistically, it would be difficult for ASMS to mandate that adult community members weather the storm on campus and sustain all operations, therefore our first choice will always be to evacuate the school. When a storm is projected to make landfall near the Mobile area, ASMS will safely evacuate the campus in time to ensure community members avoid severe weather conditions. However, the ASMS President will decide the course of action the school will take in conjunction with the School Board.

During Hurricane Mode, the Following Actions Occur:

- Residence Life Staff will make sure all students have fuel in their vehicles.
- Students will call home to ask for specific parental instructions regarding student evacuation and transportation plans.
- During a storm in which evacuation is necessary, Student Affairs will accept parental permission via email or phone to have a student ride home with another student.
- If possible, will reserve charter buses to provide service to students who live north of Mobile following the normal bus route. Buses will be free of charge for evacuations.

Guidelines Regarding Mandatory Student Evacuation:

- In the event of a school evacuation, no student will be allowed to stay on campus.
- Students are asked to pack necessary belongings, close dorm windows, and sign out.
- Parents who do not live along bus routes will be required to pick up their student.
- The ASMS Parent Association will be contacted for their support. They will help to ensure that a parent is positioned at each bus stop until all students are collected.
- An ASMS staff member will remain on campus until each student has signed out and departed.
- If a student is already home when there is a threat of hurricane, that student should stay home and call ASMS for information.

Hurricane Communication

- ASMS will make every effort to post information to its website regarding when school will reopen.
- Check local news channels and websites that list school openings and ASMS social media platforms.
- ASMS will update social media and send out emails when appropriate.
- ASMS policy is to close campus and send students home if a named storm approaches the Mobile area.

Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA) governs the privacy rights and protections applicable to a student's educational records. The administration, faculty, staff, and contractees of ASMS

take seriously their collective responsibility to protect the privacy of each student's personally identifiable educational records maintained by ASMS. Such rights to privacy are not unlimited, however, and ASMS reserves its authority to disclose personally identifiable student information in accordance with the exceptions provided under FERPA, as more fully described below:

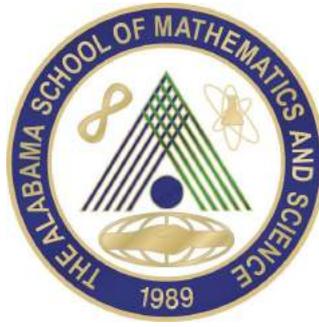

Notification of Rights Under FERPA

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days after the day ASMS ("School") receives a request for access. Parents or eligible students who wish to inspect their child's or their education records should submit to the ASMS President a written request that identifies the records they wish to inspect. The President will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. Parents or eligible students who wish to ask the President of the school to amend their child's or their education record should write the President, clearly identifying the part of the record they want changed, specifying why it should be changed. If the President decides not to amend the record as requested by the parent or eligible student, the President will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent and as provided below in the listed exceptions. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. The criteria for determining who constitutes a school official and what constitutes a legitimate educational interest must be set forth in the school's or school district's annual notification for FERPA rights. A school official typically includes a person employed by the school or school board as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer, contractor, or consultant who, while not employed by the school, performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official typically has a legitimate educational interest if the official needs to review an education record to fulfill his or her professional responsibility. Upon request, the school discloses education records without consent as stated in this notification and to officials of another school or school district in which a student seeks or intends to enroll or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer. The school states that it intends to forward records on request without consent as stated or the disclosure is initiated by the parent or eligible student.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA. The name and address of the office that administers FERPA are: Family Policy Compliance Office, U.S. Department of Education 400, Maryland Avenue, SW Washington, DC 20202. See the list below of the disclosures that the school as a secondary school may make without consent. FERPA permits the disclosure of PII from students' education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in § 99.31 of the

FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, §99.32 of the FERPA regulations requires the school to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A school may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student –

- To other school officials, including teachers, within the educational agency or institution whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in § 99.31(a)(1)(i)(B)(1) -(a)(1)(i)(B)(3) are met. (§ 99.31(a)(1))
- To officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student’s enrollment or transfer, subject to the requirements of § 99.34. (§ 99.31(a)(2))
- To authorized representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency (SEA) in the parent or eligible student’s State. Disclosures under this provision may be made, subject to the requirements of § 99.35, in connection with an audit or evaluation of Federal-or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf, if applicable requirements are met. (§§ 99.31(a)(3) and 99.35)
- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary for such purposes as to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§ 99.31(a)(4))
- To state and local officials or authorities to whom information is specifically allowed to be reported or disclosed by a state statute that concerns the juvenile justice system and the system’s ability to effectively serve, prior to adjudication, the student whose records were released, subject to § 99.38. (§ 99.31(a)(5))
- To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction, if applicable requirements are met. (§ 99.31(a)(6))
- To accrediting organizations to carry out their accrediting functions. (§ 99.31(a)(7)) To parents of an eligible student if the student is a dependent for IRS tax purposes. (§ 99.31(a)(8))
- To comply with a judicial order or lawfully issued subpoena if applicable requirements are met. (§99.31(a)(9)) appropriate officials in connection with a health or safety emergency, subject to § 99.36. (§99.31(a)(10)) Information the school has designated as “directory information” if applicable requirements under § 99.37 are met. (§ 99.31(a)(11))
- To an agency caseworker or other representative of a state or local child welfare agency or tribal organization who is authorized to access a student’s case plan when such agency or organization is legally responsible, in accordance with state or tribal law, for the care and protection of the student in foster care placement. (20 U.S.C. § 1232g(b)(1)(L))

VII. Financial Affairs

Residential Policy and Custodial Arrangements/Designated Guardians

The basic premise under which ASMS operates is that this school is a state-supported school for students who reside in Alabama. In cases where parents or legal guardians move out of the state after matriculation, the school will charge an out-of-state tuition fee per year of \$9,000. This amount will be in addition to the Student Activity Fee of \$1,575 listed in the fee section of this Handbook.

In addition, the school will ask the parents or legal guardians to appoint a temporary legal guardian, who lives in Alabama to assume responsibility for the students at times during the year when the school is closed, either for holidays or for emergencies. The designated person may also be called upon to act as the student's advisor in cases of discipline, academic or residential concerns, where it is necessary for an adult to come to the campus for consultation. Initial enrollment at ASMS requires that the custodial parent(s) be a resident of the State of Alabama on or before the first day of school attendance. A student's residency must be continuous for the applicant to enroll and to remain at the school. Residency established for the purpose of qualifying for admission will not be honored. Proof of residency may be required to validate enrollment. If the parents are unable to establish residency, then the student will be dismissed from the school.

A student admitted under the premise of residency will be dismissed from the school if at any point in their tenure it is discovered that they were not residents at the time of acceptance. If the custodial parent moves out of the state after the school year has begun, the parent may submit a petition to the President that the student be allowed to complete that trimester of school at ASMS provided that an Alabama resident 21 years of age or older is named as the student's Designated Guardian for the remainder of the term. The parent shall submit to the Office of Student Affairs a judicially recorded and approved document verifying guardianship.

If the custodial parent is unable or unwilling to establish said guardianship or if the custodial parent is moving out of the country, the student shall be dismissed from ASMS to enroll in their new home district. If the student does not live with both parents, the appropriate paperwork (i.e. custodial decrees, guardianship papers, etc.) must be on file with the Office of Student Affairs at the time of enrollment or during the school year when there is a change in status. It is the custodial parent's responsibility to inform the Office of Student Affairs as to whether non-custodial parents and/or step-parents may provide permissions, verify permissions, and/or sign out the student.

Fees

ASMS is a state-funded public residential high school. There is no charge for tuition, room, and board for students residing in Alabama. There are fee assessments established through school policy and administrative directives. All fees must be paid before the school year begins*, and before the student is allowed to move into the residence halls. Payment is accepted via credit card online, or by check, cashier's check, or money order. Please do not mail cash. Payment can be made on move-in day. Payment of fees

does not guarantee enrollment if the student has outstanding discipline or academic issues or has not been recommended for promotion.

- Enrollment Fee/Security Deposit (new students only) \$150
- Student Activity Fee, \$1,575 (*installment plan offered)
- PSAT (Sophomores and Juniors) \$15
- Graduation Fee (Seniors) \$175
- Parking Fee, \$25 per term

The student activity fee supplements the extracurricular activity funding provided by ASMS. Often funds are expended in advance of planned events, publications, and activities. In the event of a natural disaster, pandemic, or other such event, refunds from the student activity fee will be at the discretion of the President.

Due Dates/Refund Policy

The Enrollment/Security Deposit fee is due when the student accepts invitation to attend ASMS and returns the enrollment form. This fee is non-refundable if the student decides later not to attend ASMS. If the student attends ASMS this fee becomes a security deposit and refundable when the student withdraws or graduates from ASMS minus any charges incurred. The Student Activity Fee covers SGA club activities, after-class, and weekend activities such as dorm parties, prom, winter formal, outings, trips, intramural and athletic activities, health services provided by the school nurse, yearbook, common area needs, and other activities and events outside the regular classroom. The Student Activity Fee is due on or before move-in day. The Student Activity Fee is non-refundable if the student withdraws or is withdrawn from ASMS before the end of the school year. The PSAT is a standardized test all Sophomores and Juniors at ASMS must take. The PSAT fee is due on or before move-in day. This fee is non-refundable. The Graduation Fee covers graduation photo sitting fee, cap and gown, diploma, and graduation planning and events. The Graduation Fee is due on or before move-in day of senior year. This fee is non-refundable.

Installment Plan

There is an additional \$150 administrative/finance fee added for the installment plan.

- 1st Installment: \$575 due on or before move-in day
- 2nd Installment: \$575 due by the first day of 2nd term
- 3rd Installment: \$575 due by the first day of 3rd term

Students cannot return for a new term without the Student Activity Fee paid in full according to the installment plan. Students will not be allowed to sign up for a fee-based Special Project, or any other fee-based trip/activities, if outstanding installment plan balances are past due. Withdrawal from ASMS does not eliminate the liability to make all three payments. A fee of \$25 is assessed for each late payment.

Parking Fee

Students who choose to park a vehicle on campus must pay a \$25 fee each term, or \$75 for the year. This fee is due by Move-In Day. Payment is accepted via credit card online, or by check, cashier's check, money order, or cash in the Finance Office located on the third floor of the Administration Building.

Other Expenses

There will be other expenses throughout the school year parents may want to plan for. These include, but may not be limited to, the following:

- Club Dues (some clubs will have dues, others will not);
- Class Trips (most of this expense is covered by the Student Activity Fee);
- Special Projects (faculty members sponsor special projects one week during the year. They take place on and off campus. Some are fee-based, others have no fee. Deposits paid for these activities, additional payments, and refund policies will be determined by the sponsor and the President. Incidental (minor) expenses are typically paid by the student); and
- Spending money or credit card for incidentals, store trips, etc. (discretion of parent).

Fines

Library Fines

Students may borrow books from the University of South Alabama Library, the Mobile Public Library, or the ASMS's Library. If school (ASMS) library books are not returned by the due date, the student will be assessed a library fine. Students must clear their accounts quarterly. Nonpayment of library fines could result in the loss of library privileges.

Book Fines

All school Library materials (which includes DVD, CD's and etc.) are to be returned at the end of each quarter at a designated location unless the text is required the following quarter. Students must return all textbooks during check out at the end of the school year. Students are required to pay for lost or damaged textbooks before they will be allowed to register for the next school year. At the time of withdrawal or graduation, a student's charges owed to any library, ASMS or local, must be cleared before transcripts will be released.

Parking Fines

Fines will be assessed to students who park their vehicles in spaces designated for fire lanes, visitors, faculty/staff, and/or handicapped parking. If a vehicle is towed by a third party, the vehicle's owner is responsible for any associated fees.

Room and Residence Fines

A final room and residence inspection are made each year. Any cleaning and/or repair costs outside normal wear will result in a fine to the student.

Room and Mail Box Key Replacement Fine

Students are given their first dorm room and mailbox keys. A replacement cost for the dorm room key is \$50. A replacement for the mailbox key \$25.

Returned Check Fines

Checks received by the School that are written on accounts with insufficient funds will result in a charge of \$36 per check, any future payments must be made in cash or cashier's check/money order.

Insurance

Automobile Insurance

Students must provide proof of liability insurance to the School for any vehicle brought to campus. ASMS does not provide insurance. Proof of Liability insurance must be submitted to Student Affairs. Students who do not provide proof of insurance in a timely fashion may lose the privilege of keeping a car on campus. Cars with no proof of insurance may be towed. If a vehicle is towed by a third party, the vehicle's owner is responsible for any associated fees.

Medical Insurance

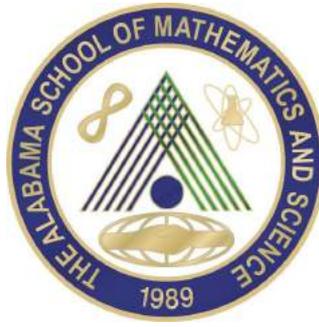

Students are required to provide proof of insurance, or parents may sign a disclaimer indicating that they are responsible for all medical expenses incurred by the School on behalf of their children.

Tenant's Insurance

The Alabama School of Mathematics and Science encourages parents to consider obtaining insurance for their son/daughter's personal property brought to campus. Personal Property is not insured by the School.

Banking Services and Money

Students do not need a large amount of spending money while at ASMS. Most students spend this money on incidentals and ordering pizza, etc. When students need more cash, they should have a convenient way of getting money. This may include writing a check or having an ATM card. Students are not able to cash checks on campus. Students need to make sure they understand how to balance a check book and realize the consequences of writing checks without sufficient funds. ASMS does not encourage and is not responsible for cash sent through the mail. ASMS is not responsible for cash kept in dorm rooms. Numerous large banks have local branches in Mobile and some are within walking distance from campus.

VIII. Student Health and Wellbeing

Medical Information and Guidelines

Absences Due to Illness

If a student is ill, it is his/her responsibility to see the nurse before missing class, not after. (Please note: The school nurse cannot excuse a student from a class that has already been missed.) The student should also send an email message to the instructors to inform them why and when classes were missed. In cases where a student is excused from class due to illness and bed rest is required, the student will stay in the dorm room as prescribed by the nurse. The nurse has the discretion of assigning hall or room restriction if a student is absent from three (3) consecutive periods.

NOTE: If subsequently a student is found going to any other activities, curricular or extracurricular, while he/she is supposed to be in the room, all classes will become unexcused.

Allergy Shots

Allergy shots must be given at a physician's office.

Arranged Hospital Care

Mobile Infirmary and the University of South Alabama Children's and Women's Hospital are the nearest emergency care facilities. In the event of an emergency, students will be transported to one of these hospitals. Please arrange insurance coverage with your insurance provider. ASMS is not responsible for charges filed with your insurance company.

Arranged Physician Care

The physicians at the Children's Medical Group and Greater Mobile Urgent Care will provide medical care to ASMS students. Parents are required to obtain necessary referrals, etc. as required by their insurance carrier. If, for other reasons, a student would like to see another doctor, arrangements should be made and discussed with the school nurse. Because of limited staff, transportation for students choosing to see another doctor may have to be arranged by the parents.

Communicable Illnesses

ASMS will comply with all federal and state laws governing the management and reporting of communicable diseases and other conditions requiring special consideration. ASMS will review the directives of the individual's treating physician or other medical care provider to determine, on a case-by-case basis, any and all risk factors that may be involved. Reasonable precautions will be taken to minimize risks that the student's condition may present to him or herself or to others. ASMS does not discriminate against any individual based on health condition. Faculty and staff are required to be sensitive to health problems of students and to ensure that students are treated confidentially, fairly, and impartially and are provided safe access to educational services. Harassment or discrimination against persons known or believed to have a communicable disease will not be tolerated.

If current medical knowledge indicates that an individual's health condition does not pose a risk to others, the student will be permitted to continue to engage in as many of the normal pursuits as the condition allows, subject to any limitations imposed by the student's medical care provider or reasonable precautions imposed by ASMS. If the student is unable to continue to perform in accordance with ASMS's academic and other standards, the Director of Student Affairs, and/or the school nurse shall be advised as soon as it is reasonably possible. These school officials have the responsibility to take necessary actions to determine if the student requires off-campus care.

ASMS will respond to each situation on a case-by-case basis. Any communicable disease or medical condition that would be detrimental to the immediate health and welfare of the student and/or the general school population will be evaluated by school officials, with input from the medical community as needed. Some communicable diseases require that a student be sent home immediately after diagnosis by a physician.

These illnesses may include but are not limited to chicken pox, measles, mumps, and influenza. Students who are diagnosed with mononucleosis and show symptoms such as fatigue, fever, swollen lymph glands, splenomegaly, and/or pharyngitis will be sent home for rest and recuperation for at least five days. Most of these symptoms will resolve with time and care. A written statement verifying that the disease is no longer contagious and that it is safe for the student to return to school must be obtained from the student's hometown physician and provided to the school nurse before the student will be allowed to return to the ASMS campus. The confidentiality of a student's health information will be maintained at ASMS, consistent with applicable federal and state laws and regulations.

Lice Policy

Head lice are a fairly common problem in school age children. Due to the unique nature of ASMS being a residential school, policies and procedures for suspected cases of lice will be different than most schools. It is important for parents to work with the school to prevent the spread of head lice. If a student is assessed as having head lice, confidentiality must be maintained so the student is not embarrassed. If a case of lice is suspected at ASMS, the following procedures should be followed:

1. A trained designee/school nurse should check the student's for head lice.
2. The school will notify the parent of the head lice and the procedures to follow.
3. The parent will be required to come get their student from ASMS as soon as they possibly can arrive.
4. The parent and student will be provided with procedures for treatment of the student's hair and belongings.
5. The parent must follow the procedures for the treatment including removal of nits from the student's hair.
6. Once the treatment and removal of lice/nits has been completed, the student must be examined by the school nurse/trained designee upon return to the school.
7. Treatment should be completed promptly so students can return to school without incurring significant loss of instruction time.

Concussion Policy

A concussion is a brain injury, and brain injuries are very serious. They are caused by force trauma to the head and range from mild to severe. Symptoms may occur right after the trauma, or they may take several days to appear. If you have any of the following symptoms, you are required to see/report to the ASMS School nurse. Symptoms include headaches, pressure in the head, nausea or vomiting, dizziness, blurred vision, feeling sluggish or "foggy", drowsiness, or a change in your sleep pattern.

If a student sustains a concussion while playing a sport (or while participating in any kind of physical activity), he/she will be removed from the game immediately and will not return that day. The student may return to the sport/activity **ONLY AFTER A MEDICAL RELEASE HAS BEEN ISSUED BY A MEDICAL DOCTOR**. These guidelines are required by the Alabama High School Athletic Association. The AHSAA also

requires a participant agreement, consent, and release be signed by the parent and student annually before playing a sport.

After a noted concussion, the student will be evaluated by a trainer, coach, or nurse and will either be seen at the closest emergency room or urgent care facility. The medical doctor will be provided a copy of the Acute Concussion Evaluation (ACE) care plan to complete. This care plan will inform the ASMS administration, staff, instructors and coaches on the student's timeline for recovery. The care plan will be provided to all instructors, academic counselor(s), Athletic Director, Director of Student Affairs, Assistant Director of Judicial and Community Affairs, and School nurse. A form will also be provided to the medical doctor that he/she will complete to release the student back to daily school activities and to return to sports.

Counseling Services

The primary purpose of the clinically-oriented counseling offered by ASMS is to help with the adjustment issues frequently encountered by students leaving home for the first time and adapting to a residential school environment. It is intended to be of short-term duration.

ASMS also works with an outside provider to provide mental health counseling, screening, and medication evaluation. Appointments may be scheduled through the Personal Counselor or Director of Student Affairs. The outside provider will work with parents and guardians to include them in all decisions related to the student's treatment. The student and parent/guardian will be required to sign a release of information form allowing ASMS to consult with the outside mental health professional should the need arise to communicate with the therapist/treatment team. The student, parent or guardian shall be held financially responsible for costs incurred from outside providers.

Emergency Room

An ASMS official will contact the custodial parent/legal guardian of any student taken to the emergency room as quickly as possible. Once the student is transported to the local ER, a staff member will contact the parents to provide treatment updates. If needed, the parent may be contacted to meet the staff member at the hospital. The staff member will stay with the student if possible but may have to return to campus to fulfill their regular job duties. Parents are responsible for all medical costs and will assume all financial obligations incurred by the student's health related situations. ASMS assumes no responsibility for student medical expenses. Parents are encouraged to schedule routine doctor, dental, and surgical procedures when students are at home for the holidays or breaks to prevent disruption of academic courses.

Extended Absences

In case of extended illness, a student should take home textbooks and class syllabi and contact the Academic Counselor. Students sent home because of illness must report to the school nurse immediately upon their return to campus to be readmitted to class and have absences excused.

Becoming Sick at Home

When a student is home for weekends or holidays and becomes ill, he/she should be evaluated for medical treatment before returning to school. This greatly decreases the chances of other students being exposed to illness. Please notify ASMS if your student is not returning due to illness.

Financial Obligations

Parents/guardians assume all financial obligations incurred by their son/daughter in health-related situations. Funds to pay insurance co-payments, office visit costs, and prescription costs should be considered when setting up banking arrangements in Mobile.

Health Office Hours

Health office hours are 7:30 a.m. - 4:00 p.m., Monday - Friday. The nurse's phone number is 251-441-2119. At any other time, students or parents should consult a Student Affairs staff member or Campus Security in the event of health problems or emergencies, 441-331-2928.

Infirmary

The nurse's office and a small infirmary are located on the first floor of the Administration Building. Students who are sick may remain in the infirmary under the nurse's care during the school day. The school nurse will make the decision regarding the level of care required.

Medical Recommendation for Dismissal

When a student expresses an actionable suicidal ideation, they need to be in the care of their parents, guardians, and/or mental health staff. In the event of self-harm, suicidal ideation or attempts, or mental incapacitation, by agreement of the President and Director of Student Affairs, ASMS shall have the right to require the student to leave the ASMS campus. In some instances, ASMS can make a recommendation for dismissal.

Medical Examination Forms Required Annually

Prior to attending each year at ASMS, all students must have a complete physical examination form on file at the school. Class registration will be suspended until such time as the school receives the physical examination forms. ASMS does not provide for, or arrange, routine physicals or routine medical or dental appointments. Families are responsible for providing medical information on a yearly basis. If there is a change in a student's general health condition during the year, the school nurse should be notified of the change.

Medication

Parents must notify the school nurse in writing of their student's prescription and over the counter medications. Parents must regularly update this information. Failure to notify the school of a change to the approved medications a student may possess could result in disciplinary action.

- **IMPORTANT:** Prescription medications for ADHD, Depression, Anxiety, Bipolar Disorder, and pain killers must be under lock and key and **ONLY** administered by the nurse or trained staffed.
- All prescription medication must be on record in the nurse's office. Most prescription medication will be kept in the nurse's office. Students may obtain medication from the nurse or designated staff on an as needed basis. When the nurse is off campus, designated staff may access the office for the purpose of administering medication to students. The nurse will maintain a log of all medication and dosage given to students. Prescription medications are not to be transferred between students. Improper use of prescription or non-prescription drugs is a Level 3 violation.
- All medication must be in the original container labeled by the pharmacy or the manufacturer with the drug name, dosage, frequency of administration, date of issue, and prescribing physician.
- Any cough or cold medication containing dextromethorphan (ex. Coricidin, Robitussin) must be kept in the nurse's office and may only be administered by ASMS personnel under the direction of a doctor.
- It is the policy of ASMS that students will not be allowed to self-administer narcotics/controlled prescription drugs. However, with PRIOR approval from the ASMS nurse and the written permission of the parents, certain prescription medications (such as acne or birth control medications), and some over the counter medications may be kept in the student's possession and rooms for the student to self-administer unsupervised.
- Allergy shots are not administered on campus but will be coordinated at a local clinic if students cannot have this done while they are at home.

- ASMS and its employees and agents assume no liability as a result of any injury sustained by a student from the self-administration of asthma inhalers or other prescription medication as approved by the parent and physician.

Mental Health Policy

The safety and wellbeing of students are of the utmost importance to ASMS. In addition to physical illness, ASMS recognizes that students may also have mental health concerns. Some of these concerns may be normal, transitional issues related to the academic rigors and residential environment. Others may be of a more severe and of a long-term nature. Regardless of the specific concerns, ASMS always attempts to make reasonable and appropriate measures to accommodate students on an individual basis in the least restrictive environment. Under any circumstance, ASMS will seek to act in the best interest of the affected students and the general student population. Decisions will not be made in isolation, and parents/guardians, school counselors, and outside mental-health professionals may be consulted along with the student in determining the most reasonable and appropriate action according to the circumstances.

Mental Health Evaluation

In the interest of student safety, it is important that ASMS be notified of any mental health concerns that may have been exhibited by students prior to or during enrollment at ASMS. ASMS requires a written letter from the student's therapist/psychiatrist/psychologist stating the student can handle the academic and residential pressures of ASMS. At any time, ASMS may require a mental health evaluation as a precautionary measure during the year to ascertain if an ASMS student's current needs require a higher level of expertise than the school can meet. If the school learns that information regarding the student's psychiatric history was not disclosed the student's continued enrollment will be evaluated by the school's administration.

Students diagnosed with mood, anxiety, or personality disorders must submit a letter from a licensed psychologist, psychiatrist or professional counselor (LPC) stating that, in their professional opinion, the student can handle the academic and residential pressures of the ASMS environment. The professional should outline any treatment protocol (e.g. weekly counseling, medication, crisis plan, etc.) that should be continued during the student's enrollment at ASMS.

Mental Health Emergencies

In the event a student exhibits destructive behaviors including, but not limited to, threats to harm self or others, injury to self or others, suicide gestures, alcohol use or medication overdose, etc. ASMS faculty and staff will follow the following procedure:

1. ASMS will contact the parent/guardian immediately.
2. The parent will be informed of the student's immediate psychological and safety needs, including supervision.
3. The parent/guardian will be required to travel to ASMS immediately to pick up their student.
4. ASMS staff will remain with the student until the parent arrives to campus.
5. If the student has disclosed they are actively suicidal with a plan, ASMS will contact a local crisis line for hospitalization screening through AltaPointe's CarePointe at 251-450-2211 or take the student to USA Children's and Women's hospital for further psychiatric evaluation.
6. If there is an immediate need for hospitalization, ASMS staff will remain at the hospital until the parent arrives.
7. Due to safety concerns, the student will not be allowed to return to campus until the following has been met:
 - a. Student has completed a thorough psychiatric evaluation or hospitalization.
 - b. The mental health provider (licensed psychologist, psychiatrist or professional counselor, LPC) must submit in writing verifying the student: 1) is not a danger to self or others and 2) can handle the academic and residential pressures of the ASMS environment.
 - c. The student and parent/guardian will also be required to sign a release of information form allowing ASMS to consult with the outside mental health professional evaluating the student.

- d. The statement must also include a recommended treatment plan for the student.
- e. ASMS will work with mental health professionals to determine if it is safe for the student to return to campus within 2 weeks of the date the student left campus.
- f. If the determination is made that ASMS is not the best environment for the student, the student will be administratively withdrawn and required to return to their home school.

In the event of suicide attempts/mental incapacity, by agreement of the Director of Student Affairs with concurrence of the President, ASMS shall have the right to require the student to leave the ASMS campus with a recommendation for dismissal.

Routine Visits

ASMS does not handle routine medical, dental/orthodontic appointments for students. Parents should arrange these appointments when students are at home during the breaks or holidays. However, if there is an emergency, transportation to a local physician or dentist will be provided. Parents living in Mobile County and other counties within an hour drive of the school are asked to make and transport their son/daughter to medical appointments.

Urgent Care

If a student is assessed by a nurse and determined they need medical attention for a routine illness, they will be taken to the closest Urgent Care. The nurse will contact the parent or legal guardian to notify them the student will be going to the doctor. The student is responsible for calling parents/guardian when returning from the doctor's visit to inform them of the results of the visit; however, the custodial parent/legal guardian may call the nurse at any time during office hours concerning the doctor's visit.

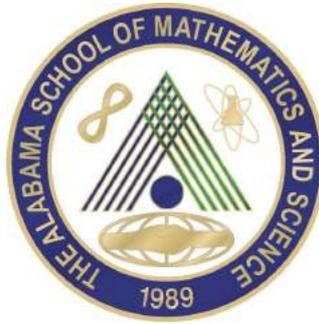

HIPAA Policy Regarding Student's Right to Consent to Pregnancy/STD/STI Testing and Treatment

HIPAA law grants adolescents the right to consent to medical testing and treatment without parental consent. Confidential testing for pregnancy and STDs/STIs is available in Mobile at the following (and other) locations:

**Women's Resource Center
718 Downtowner Loop West
Mobile, AL 36609**

**Mobile County Health Department
251 North Bayou St.
Mobile, Alabama 36603**

One of these locations is within students' walking boundaries and a student could potentially seek and receive testing without informing a staff member. Students at ASMS who are concerned that they may need pregnancy, STD, or STI testing may seek the consult of a staff member. In such cases, staff members can provide the student with emotional support, factual information about the necessity of testing, and transportation to a testing center. Transportation will be coordinated through the ASMS nurse's office. Any cost for testing will be the responsibility of the student.

IX. Technology Policy

The Alabama School of Mathematics and Science provide faculty, staff, and students access to computer resources through the Network servers and cloud services. faculty, staff, and students using these resources must adhere to all policies of the Alabama School of Mathematics and Science, as well as the Alabama Research and Education Network. Prohibited behaviors/activities are subject to disciplinary action up to and including termination and prosecution (where applicable). These activities include, but are not necessarily limited to, the following:

Illegal Activity

- Uploading or downloading copyrighted material, violating the intellectual property rights of others, or illegally sharing trade secrets. This includes any type of media files such as movies or music. Accessing, downloading, or printing out articles solely for educational and research purposes, however, may be permissible under the fair use clause of the copyright law.
- Illegally sharing computer software via Internet, the local network, personal storage or any other media.
- Copying or transmitting material contained in copyrighted databases such as Infotrac, without permission from the source.
- Buying or selling weapons or illegal substances via computer network.
- Threatening, harassing or “stalking” others via computer network.
- Knowingly replicating or transmitting computer viruses, or otherwise deliberately damaging the systems or files of other people.

Strictly Prohibited Behaviors/Activities

- Trafficking in pornography of any kind via Internet, the local network, URLs, personal storage or any other media.
- Activity that violates state or federal law. This may include viewing, downloading, posting, printing or sending pornography, or other sexually explicit, profane, obscene, hostile, or blatantly offensive and intimidating material, including hate speech, threats, harassing communications (as defined by law), or information that violates any state or federal laws.
- “Spam,” the practice of indiscriminately sending unsolicited email (e.g., commercial advertisements, chain mail, pornographic materials, political lobbying, hate speech, racial diatribes, and religious proselytizing) or signing up for listservs and unwanted accounts to persons who have not indicated interest in receiving such materials.
- “Hacking” or “Cracking”, i.e., deliberately invading the privacy of others by attempting to gain unauthorized access to any account or system. This also includes unauthorized port scanning or running vulnerability detection software on school’s network to find security loopholes.
- Obtaining/distributing confidential information. Deliberately and inappropriately observing, recording, accessing, using or transmitting passwords, account numbers, email addresses, phone numbers, or credit card numbers belonging to other people is prohibited.

- Downloading executable programs, which might interject computer viruses into computers, is generally prohibited. Further guidance with regard to safe sites and appropriate downloads should be sought from the IT department (the school takes no responsibility for damage to your work or your own equipment resulting from viruses or files you might download via the Internet.)
- Using School equipment, including the School's Internet, Network, servers or web pages, for commercial gain.
- Unauthorized wiring, altering or damaging of School-owned computer equipment, including hardware and software.
- The use of software, modems or any other devices to circumvent the School's network.

Alabama Research and Education Network Acceptable Use Policy

The Alabama Research and Education Network (AREN) complies with the following Acceptable Use Policy. All users of School network facilities are obligated to adhere to its terms.

Overview

The Alabama Research and Education Network (AREN) is a state-wide network administered by the Alabama Supercomputer Authority (ASA). The purpose of this policy is to provide a definition for acceptable use by authorized users of AREN and to indicate recommended action if the policy is violated. In those cases when information is transmitted across regional networks or Internet, AREN users are advised that acceptable use policies of those networks apply and may limit access.

ASA Primary Goals

The Alabama Supercomputer Authority has been established to:

- Enhance university research in Alabama
- Attract and support high technology industry
- Expand knowledge and use of computational science AREN Acceptable Use Policy
- All use of AREN must be consistent with ASA's primary goals
- AREN is for the use of individuals legitimately affiliated with member organizations, to facilitate the exchange of information consistent with the academic, educational and research purposes of its member organizations.
- It is not acceptable to use AREN for illegal purposes
- It is not acceptable to use AREN to transmit threatening, obscene, or harassing materials
- Access to the Internet is provided through an ASA statewide contract with a regional network provider. The contract allows ASA to grant access to the Internet to any governmental, educational and industrial entity through AREN. Charges may be assessed by ASA to facilitate network connectivity. Reselling of the Internet connectivity and services is prohibited.
- It is not acceptable to use AREN to interfere with or disrupt network users, services or equipment. Disruptions include, but are not limited to, disruption by unsolicited advertising, propagation of computer worms or viruses, and using the network to make unauthorized entry to any other machine accessible via the network
- Information and resources accessible through AREN are private to the individuals and organizations which own or hold rights to those resources and information unless specifically stated otherwise by the owners or holders of rights. It is therefore not acceptable for an individual to use AREN to access information or resources unless permission is granted by the owners or holders of rights to those resources or information

Violation of Policy

- All organizations authorized to access AREN are responsible for informing their users of this acceptable use policy. All users of AREN are required to follow the acceptable use guidelines, both in letter and spirit.
- ASA reserves the right to monitor and review all traffic on AREN for potential violations of this policy. Violations of policy that are not promptly remedied by individuals and member institutions may result

in termination of access to AREN. Final authority for the determination of violation of the AREN Acceptable Use Policy and subsequent penalty rests with the ASA Board of Directors. It is the responsibility of member representatives to contact ASA, in writing, regarding questions of interpretation. Until such issues are resolved, questionable use should be considered “not acceptable.”

Software

The reproduction and use of computer software on School equipment or by School employees or students in pursuit of School business or instruction shall be in accordance with the copyright law (as set forth in Title 17, United States Code) and the manufacturer’s condition of sale. Specifically:

- No School employee or student shall reproduce or allow the reproduction of software in violation of copyright law or the conditions of sale
- No School employee or student shall accept or use software which is not known to be provided in accordance with the copyright law or conditions of sale
- It is the individual responsibility of each user to determine that the use of the software is in accord with this policy.

Guidelines

The policy stated above applies to:

- the use of copyrighted or licensed software by School departments and employees on School equipment
- the use of software purchased with School funds on non-School equipment
- the use of software for instructional purposes.

The School interprets the copyright laws and manufacturers’ terms of sale as described below:

- **Back-up copies:** You may make as many backup copies as are necessary to protect your software in the event your original fails. Such copies are NOT to be used simultaneously on another machine. The law permits you to make such backup copies even if the manufacturer does not provide you a process to make one.
- **Multiple-loading or booting from one disk into multiple machines at the same time:** You may not simultaneously load one copy of a copyrighted program into a number of different machines, even if it is physically possible. Although you may use your legal copy in different machines at different times (so that you are only using one copy at a time), you may not permit multiple concurrent uses of the package. It would be legal to load and run it on one computer, turn the computer off, and then run it on another computer. For example, WordPerfect is sold for use on one computer, but it is possible to sequentially load it into a number of different computers and then run them at the same time. This is a clear violation of the law; you have caused the “proliferation of simultaneous users” (the legal term for this process). The fact that it is physically possible is irrelevant.
- **Networks:** The concept of “proliferation of simultaneous users” also applies to networks. Unless you purchased the software with an explicit “network license”, downloading the program to multiple stations at the same time violates the copyright law. As in the preceding example, the fact that it is physically possible to download the software on your network is irrelevant.

Instructional Responsibilities

Academic departments and individual course instructors should take measures to ensure that students are informed of the legal and ethical issues regarding software copyrighting, as well as School policy on this matter. As a minimum, departments should:

- post the School policy regarding software copying in a conspicuous location adjacent to any departmental microcomputers which may be accessible to students
- read and explain the School policy in any classes using microcomputers.

Use of Software in Course Work

Departments and individual faculty are responsible for insuring that any copyrighted software made accessible to students be done so in accordance with School policy and all legal requirements. Specifically, faculty shall be careful to respect the following points:

- Neither departments nor faculty shall impose requirements which would encourage students to copy software in violation of School policy. Instructors shall not make assignments without verifying that a sufficient quantity of legal copies of the software will be readily accessible to students for the completion of course assignments.
- Difficulty or expense involved in acquiring sufficient copies does not constitute a reason for violating School policy.
- Any copyrighted software made accessible to students shall bear the following statement conspicuously placed on both documentation and physical media:

This software is issued subject to School policy and may not be copied for any purpose whatsoever. Violation of this policy may lead to disciplinary or legal action.

Monitoring and Tracking

All computer use at ASMS is subject to monitoring, tracking, and, when necessary, examining. This includes but is not limited to:

- Installing filters to protect students' exposure to inappropriate sites
- Maintaining a historical tracking of students use
- Searching a personal computer when there is evidence or suspicion of misuse or infraction
- Viewing or inspecting any file, transmission or programs on personal computers.

Antivirus/Antispyware Software

Antivirus software is provided on all computers owned by ASMS. Additionally, this software is provided to students at no charge for as long as they remain a student at ASMS. This antivirus software **MUST** be used. The student may use other software in addition to the AV software provided by the school as long as it does not interfere with its operation.

Equipment Check-out

A limited number of Chromebooks and Internet Hotspots are available for student check-out. Hotspots are only available for check-out in the event of remote learning. Failure to return checked-out equipment will result in the forfeiture of the security deposit and/or holding the student's transcript. A student may lose his/her privilege to check-out equipment in the event that he/she fails to return or damages said equipment.

Wireless Networks

ASMS has a wireless network with "hotspots" around campus and in classrooms. The use of any other wireless routers or network devices is prohibited without prior approval.

Policy

- Wireless users must follow all network connection policies as set forth in the School Computer Use Policy.
- Interference or disruption of other authorized communications that result from the intentional or incidental misuse or misapplication of wireless network radio frequency spectrum is prohibited.
- The ASMS Wireless Network is not intended as a replacement for the campus wired network. In fact, the campus wired network is the first and primary option for students, faculty, and staff. Users of the wireless network are discouraged from running high bandwidth applications on the wireless network.

- Users of ASMS’s computing resources must not acquire, possess, trade, or use hardware or software tools that could be employed to evaluate or compromise information systems security at ASMS.

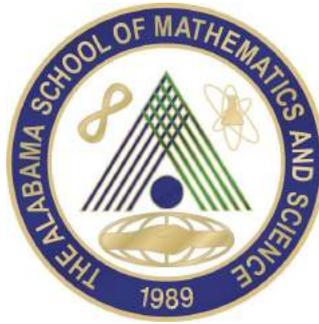

Summary

All persons using the Alabama School of Mathematics and Science computing and telecommunication resources must comply with the Computer Use Policy. The policy applies to all computer workstations, servers, network devices, software, databases, and related equipment accessed directly or indirectly through the Internet. ASMS encourages authorized users to make acceptable use of computer resources, consistent with its educational, research, and service-related mission. Users must also comply with all applicable federal and state laws and School regulations regarding intellectual property, including federal copyright law, and with all applicable licenses or contracts regarding the use of software. In situations where access to computer resources is limited, priority use of these resources must be granted to educational and research-related activities. Recreational and personal use of School computer resources is permitted only to a limited extent and only when they are not needed for educational research activities. Certain uses of School computer resources are never permitted. These include, but are not limited to the following:

- interfering with the operation of the School’s computer and telecommunications systems including “hacking” or “cracking;”
- altering or damaging computer hardware or software;
- using unauthorized passwords or circumventing system security;
- broadcasting unsolicited messages (“spamming”);
- invading the privacy of another person;
- using School resources for personal, commercial or financial purposes;
- viewing and/or possessing, downloading, printing or sending distasteful, lewd obscene, threatening, offensive, harassing, insulting, discriminatory or rude pictures or other material. (Material received inadvertently via email should be reported then deleted.);
- downloading of copyrighted music, video or other large files that could disrupt the normal operation of the network; and
- Sharing pirated music, video or other programs or files with users on the ASMS network or on the internet through peer-to-peer programs or any other method of sharing pirated media.

The ASMS IT department reserves the right to monitor, access, retrieve, read, and/or disclose communications through the School networks at the President’s request when there is reasonable cause to suspect criminal activity or policy violation, or monitoring is required by law, regulation, as appropriate under federal and state privacy laws and regulations.

The foregoing is a summary of key points of the official ASMS Computer Use Policy. Violation of the terms of the policy can result in denial of privileges, and other penalties. If there are any differences between this summary and the official policy, the terms of the policy shall supersede this summary.

X. Residential Life and Student Leadership

ASMS Residential Life programs help facilitate a vibrant, safe, and inclusive living environment where each student is invested in their academic and personal success and their pride in ASMS. The Office of Student Affairs is committed to the following interconnected values that will inform our learning outcomes:

- **Academic Excellence:** active engagement in the curriculum both inside and outside of the classroom.
- **Community:** accountability to, and participation in, a diverse communal living environment that fosters interdependence, positive and meaningful relationships, and a sense of belonging at ASMS.
- **Personal Development:** positive development of key life skills gained through formative experiences.
- **Respect:** interactions guided by civility, integrity, inclusivity, open dialogue, and the resolution of differences through restorative practices.
- **Wellness:** holistic care for an individual's wellbeing, including a strong support network and access to campus resources.

The following Residential Life-related policies are intended to support the above values.

Dormitory Hall Life

One of the most significant benefits ASMS offers is the opportunity to live among students who share a passion for learning. All students live in dormitories under the supervision of professional staff trained to work with students to build self-esteem, reduce stress, increase self-awareness, develop communication skills, manage time, and clarify goals and values. In the long run, our students learn life skills that make the transition to college seamless.

Although adult Area Coordinators, Community Coordinators, and Senior Community Assistants live in the dorms and mentor our students, there is also a team of students, Peer Advisors, who are trained listeners and mediators. They assist students in adjusting to life at ASMS and in dealing with roommate conflict. Peer Advisors help hall staff monitor bathroom duty and plan activities for their hall. They also help promote hall spirit and a sense of harmony and community throughout the dorms.

Each of the four halls in the Boys' Dorm and the Girls' Dorm are named after famous scientists: Curie, DaVinci, Einstein, and Newton. These halls also comprise teams in hall competitions that happen throughout the school year. At the end of the year, the hall that has accumulated the most points wins the hall competition.

The Girls' Dorm is a four-story building with eight halls and eight community bathrooms. Each floor has a common area that features comfortable furniture, flat-panel TVs, kitchenettes, and other amenities. All rooms accommodate two students and feature two beds, two armoires, two nightstands, and two desks. In some instances, however, three students will be assigned to a room. Furniture and space will be provided adequately for the third student. There is an additional dorm for girls on the fourth floor of the Humanities

Building which houses up to 13 girls who apply to live there after their first year on campus. It is a little quieter than the regular dorm.

The Boys' Dorm is a two-story building with four hallways and a large newly renovated bathroom on each floor. Each floor has a large common area that features furniture, flat-panel TVs, kitchenettes, and other amenities. The common areas are accessible during certain hours of the day. Each room accommodates two students and features two beds, two armoires, two nightstands, and two desks. In some instances, however, three students will be assigned to a room. The Boys' Dorm also houses a study room on the second floor.

Students enjoy the privilege of decorating their dorm rooms. See Community Life Information: Residence Hall Accommodations for more information.

Student Leadership

Students have many opportunities to apply for leadership positions at ASMS. Participating and graduating from the Jo Bonner Leadership Academy (JBLA) is a requirement for some student leader positions including, Peer Advisor, Ambassador, and SGA Officer.

Some student leadership positions are listed below.

Peer Advisors

Peer Advisors assist the Office of Student Affairs in providing the best possible environment for the student body and serve as the closest link to the students in the residence halls. Peer Advisors act as trained listeners and mediators for incoming students assigned to them as well as for the student population as a whole. They assist students in adjusting to the ASMS community. They also serve as 'student managers' who assist the hall staff in:

- Promoting a safe, clean, and comfortable environment in the dormitories.
- Creating activities for students.
- Encouraging a sense of pride and belonging on their distinct floors, e.g. Curie, DaVinci, Einstein, and Newton.
- Host study breaks during finals, set up Spirit Week events.
- Work with Hall Advisors to promote harmony and cohesiveness on their floors.

In the spring of each year, the office of Student Affairs accepts applications from juniors and sophomores and selects a group of students who have demonstrated integrity, respect, and the ability to act as positive role models. Peer Advisors must show excellent time management skills in balancing their academic and extracurricular activities. Candidates must also have at least a 3.0 GPA, no intermediate or major infractions, and positive recommendations from the ASMS community. The Peer Advisors will be trained with the residential staff at the beginning of the academic year.

Student Government Association (SGA)

The Student Government Association (SGA) is made up of various elected positions by the student body. The SGA serves as advocates for the students as well as planning large and small events around the campus. The purpose of the SGA is to develop attitudes of, and practice in, good citizenship; promote harmonious relations throughout the school; improve school morale; provide a forum for student expression; organize student activities; and promote the general welfare of the school. The SGA has the authority to plan events that will recognize students and faculty members for good work, service, and behavior. The SGA is guided by its Constitution and operates through the committee structure below:

Executive Committee

The Executive Committee (EC) conducts all SGA meetings and oversees all other SGA committees. The EC consists of the President, Vice-President, Secretary, Treasurer, Parliamentarian, and Sergeant of Arms. The President resides as chair of the EC. SGA is typically advised by one or two staff or faculty members.

Activities Committee

The Activities Committee (AC) sponsors school-wide social activities. The AC also coordinates a calendar for campus activities with the Director of Student Affairs. The AC consists of the Vice-President, 3 senior class representatives, 3 junior class representatives, and 3 sophomore class representatives. The Vice-President presides as chair of the AC.

Campus Life Committee

The Campus Life Committee (CLC) contributes towards improvements of the residential environment of the student body. The CLC aids in new student orientation, maintains the school-wide recycling program, and monitors the food service. The CLC consists of the Treasurer, 1 senior class representative, 1 junior class representative, and 1 sophomore class representative. The Treasurer resides as chair of the CLC.

Policy Committee

SGA policies are made by the SGA policy committee, and they center around the SGA constitution and the SGA handbook. SGA does not make or change policies that fall une the jurisdiction of the administrative staff members at ASMS, handbooks, or official school operations. The policy committee may also work on programs which improve student life.

Student Academic Support Committee

The Student Academic Support Committee (SASC) assists the President of the Alabama School of Mathematics and Science in issues involving students and faculty members. The SASC also provides student ideas and suggestions concerning academics to the Administration. The SASC consists of the Secretary, 1 senior class representative, 1 junior class representative, and 1 sophomore class representative. The Secretary resides as chair of the SASC. President, Vice President, Secretary, and Treasurer are elected at the end of the academic year. Parliamentarian and Sergeant of Arms are appointed at the end of the academic year. Class representatives are elected at the beginning of the academic year.

Note: All SGA activities and events are pre-approved by the SGA sponsors and Director of Student Affairs.

Honor Societies/Service Clubs/Activity Clubs

There are more than thirty active honor societies and clubs at ASMS. At the beginning of each year, a club fair is sometimes held during one of the required weekends. At this time, students receive information about the requirements and activities of each club. Students wanting to organize a new club may apply for a charter through the Student Government Association. All clubs and organizations MUST be chartered through the SGA. Sororities and/or fraternities that limit membership are not appropriate for this residential setting.

School Store (Pi)

ASMS operates a school store during selected hours which are posted in prominent locations. The Pi Store sells snacks, school supplies, toiletries, and school-sanctioned merchandise. No "stores" operated by individual students will be allowed.

Student Ambassadors

The student ambassadors represent ASMS in an official capacity, e.g., hosting VIP visits to school, conducting campus tours, hosting speakers' forums, communicating with the media through the student column, making presentations on behalf of the school, etc. Ambassadors are also paired with incoming students and serve as a "sibling" to help with the adjustment to ASMS. The Admissions Office selects the ambassadors in the spring of each year. Juniors and sophomores who have demonstrated leadership, respect, and integrity at ASMS are encouraged to apply for the positions.

Student Judiciary Committee

The Student Judiciary Committee is made up of various students appointed by the Director of Student Affairs. Reviews of some disciplinary actions involving residential Minor Violations that do not necessitate referral to the ASMS Discipline Committee will be handled by the Student Judiciary Committee. The Director of Students Affairs decides what cases are brought before the Student Judiciary Committee.

Student Outreach Team

The Student Outreach Team represents ASMS in an official capacity by hosting schools and students on campus for outreach visits and STEM demonstrations. Student Outreach Team members also travel to hometown schools with ASMS officials to make presentations on behalf of ASMS. The Admissions and Outreach Office selects the members each fall. Sophomores, juniors, and seniors with demonstrated leadership within the ASMS and/or the students' hometown communities are encouraged to apply.

Student Leadership Expectations

All students in leadership positions are expected to model appropriate actions and behaviors for their peers. The following are the responses to inappropriate actions:

- **Intermediate Violations**

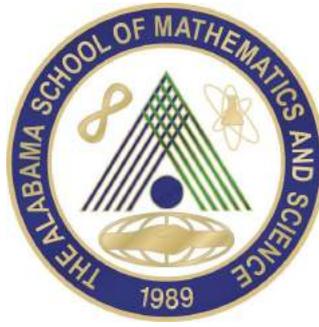

When a student leader is found to have committed an Intermediate Violation (or multiple Minor Violations), they are automatically put on a probationary period at the discretion of the Office of Student Affairs who determines the appropriate sanctions for the offense, which could include removal from the leadership position.

- **Major Violations**

A student leader charged with a Major Violation will be immediately suspended from his or her duties until the Discipline Committee convenes and renders a decision. If the Discipline Committee finds the student not guilty of the charges, the student will regain the leadership position. If the Discipline Committee finds the student to be guilty of the charges, the student will be removed from the position.

- **Grades**

Any Student Leader that is put on Academic Probation will meet with the Office of Student Affairs to determine an appropriate course of action, which could include probation until any academic issues are resolved or permanent relief of leadership duties. Not complying with the course of action or continued lack of academic success will mean removal from office.

XI. Community Life Information and Guidelines

The students at ASMS have the privilege of participating in a program that encourages and challenges students to excel. The residential aspects of this program have been established to enhance the students' ASMS experience by creating a complete living-learning environment. The residential life program is specifically designed to allow students a chance to develop social and leadership skills, to provide a quiet and convenient place for studying, and to create a healthy sense of community within the school.

Assemblies

Students are required to attend weekly assemblies. From time to time, there may be impromptu assemblies to address community issues or relay important information. These assemblies are usually scheduled immediately after school and attendance is required.

- Students must attend all assigned assemblies unless there is a conflict with an academic related obligation. Students with these conflicts must notify Student Affairs to receive permission to be absent in advance. Students excused from assemblies are responsible for obtaining information and/or announcements received.
- Failure to attend an assembly is an Intermediate Infraction.
- Students will show respect and observe proper etiquette while in the auditorium.
- Use of electronic devices, talking, sleeping, reading, and littering are inappropriate and will be handled through the Student Code of Conduct.
- Students should not wear headphones, hats, or hoodies.
- Food and beverages are not allowed in the auditorium.

Bus Scheduling

ASMS will arrange a bus service to take students home for holidays and breaks for a paid fee. Reservations are made at the Office of Student Affairs. All reservations are final and full payment is due at the time the reservation is requested. There will be no refunds nor will requests for additions or deletions be honored. Prices will be based on bus service costs. ASMS reserves the right to utilize alternative transportation, including ASMS vehicles, as necessary. No refunds or adjustments to transportation fees will be made.

Campus Animals

Animals are generally prohibited on campus. Thus, dogs, cats, and other domesticated animals, including emotional-support animals, are not permitted in student residence halls, academic buildings, or other ASMS-owned and -controlled buildings unless specifically exempted. ASMS will not shelter stray animals. Unattended animals may be seized by animal control or law enforcement. Owners may be fined for unattended and/or unleashed animals. The following are specifically exempted:

- Scheduled and approved visits, such as for a therapy animal.
- Approved fish and amphibians in classrooms.
- Law enforcement animals.
- Service animals for assisting disabled persons.

Campus Leadership

ASMS administrators maintain a presence on campus during business hours as well as evening hours. Directors and other designated administrators are on campus on weekday evenings. The administrator in charge will be posted.

CASTLE Hours

In the interest of promoting good study habits and time management skills, ASMS will re-implement a mandatory study hours program. A little more than a decade ago, campus study hours were a regular part of campus life. We will return to this effective policy to protect the emotional and mental wellbeing of our students by ensuring that they have ample time before lights-out to complete schoolwork. Students will also have free time before and after study hours.

From 7:00 pm to 9:00 pm most weeknights, ASMS turns into a CASTLE-- a Concentrated Academic Study Time Learning Environment. During this time, students are expected to work peacefully on academic tasks. The default study area location is the student’s dorm room (with the door open), but students may sign out to work on different areas of campus. Students assigned to academic study hall must work in DeBakey Auditorium or an appropriate area designated by study hall staff.

ASMS staff will monitor the campus and make sure that students are engaged in non-distracting academic work. The following activities are strictly banned during CASTLE hours: club meetings, recreational movies, video games, and any activity that risks distracting other students. Violation of CASTLE hours is considered a minor infraction. Repeated violations of CASTLE hours may be upgraded to an intermediate infraction and possible referral to the ASMS Discipline Committee.

Students participating in the following activities may be exempt from CASTLE hours: evening classes, study labs, school-sponsored sport events, teacher-led events, and any activity for which the student receives permission from an ASMS director.

The specific weekly schedule for CASTLE hours is below.

Sunday	7:00 pm to 9:00 pm
Monday	7:00 pm to 9:00 pm
Tuesday	7:00 pm to 9:00 pm
Wednesday	7:00 pm to 9:00 pm
Thursday	7:00 pm to 9:00 pm

Students who achieve 4.0 GPAs for two consecutive terms are eligible to be exempted from CASTLE hours so long as the activities they engage in are quiet and do not distract others. Third-term seniors in good academic standing are similarly exempt from CASTLE hours. The privilege of being exempted from CASTLE hours may be taken away from students facing academic difficulties or who have significant conduct issues.

Club Activities

In general, all club activities need to be scheduled and completed before 7:00 p.m. The SGA will coordinate their meeting times with their sponsor and the administration. Club Sponsors must attend all meetings where voting or other similar activities occur. No overnight activities are permitted without the approval of the President.

Communication

Email is the primary means of communication at ASMS. All students are assigned an asms.net email account when they enroll at ASMS. Students are expected to check their ASMS email account multiple times each day.

Students and parents should contact ASMS employees through ASMS email account and/or ASMS office phones. Email is the primary and preferred form of communication.

Computers in the Dorms

ASMS provides access to computers in the Library and two computer labs. Students may, however, bring a computer from home, though it is not required. ASMS will not service or assume responsibility for computers brought from home.

Events/Activities

Overnight events and lock ins are not permitted. Events and activities must end by midnight except by special permission. Permission may be granted by the Director of Student Affairs and/or the SGA advisors.

Fashion Shows/Reviews

Students are not permitted to hold fashion shows, reviews, or events that emphasize appearance and invite judgments about any community member's appearance.

Food Delivery

Food ordered from an off-campus must be delivered before 8:45 p.m. Sunday-Thursday and before 11:30 p.m. on Friday and Saturday. No food delivery is allowed on school days until after 3:30 p.m. Students must wait in the lobby of the Bedsole Building for delivery.

Food Services

Every effort has been made to create an environment in which students may enjoy socializing and relaxing during meal times. ASMS provides food service every day school is in session. Visitors are required to pay for the cost of their meals.

Behavior and Dress

Proper dress is required in the cafeteria at all times. Students are expected to bus their own trays and clean after themselves. Utensils, dinnerware, trays or glasses will not be taken from the cafeteria. Food is to be consumed in the cafeteria unless permission is given to take food to the courtyard. For these occasions, paper products will be provided. No food is allowed in carpeted areas, which include classrooms.

Cafeteria Hours

	Week Days	Saturday & Sunday
Breakfast	7:00 a.m.-9:00 a.m.	9:30 am – 10:30 am (Continental)
Lunch	11:30 a.m.-1:00 p.m.	11:30 am – 12:45 pm

* Students who will attend a worship service or other early morning activities can request a Saturday or Sunday breakfast pack. Requests need to be in by the prior Friday at noon. Breakfast packs should be picked up on Friday or Saturday at dinnertime. Any student who requests a breakfast pack and does not pick it up will be assessed a meal charge.

“Sit-Down” Dinners

Occasionally, the ASMS Community will gather together for camaraderie and a meal. These “Sit-Downs” will be announced, and attendance is required. Students are expected to wear appropriate attire.

Special Needs

The cafeteria will cater to any student with special dietary needs. However, a written prescription from the doctor is required to help ensure that the special dietary needs are properly met. Such prescriptions must be filed with the nurse before school opens. If a student is ill and needs meals brought to his or her room, a request must be written by the school nurse and presented to the cafeteria manager.

Identification Cards

Students are issued an official ASMS picture ID card at the beginning of the academic year. This card is non-transferable. Students may not make their own school ID card. Local law enforcement officers may ask students for school ID in off-campus situations. ID cards shall be carried at all times while on campus.

Internet Service

Internet service is available in dormitory rooms to the students. Service is shut down from 1 a.m.-6:00 a.m. Monday-Thursday.

Media Policy

The Alabama School of Mathematics and Science has fostered a close working relationship with the local and state-wide news media to promote its programs, projects, and events. To assist in the effort, the Department of Development, in general, and the Assistant Director of Communication and Alumni Outreach have been designated as the coordinating professionals for the media. All media engagement, news releases, newsletters, public service announcements, press releases, publicity, promotional brochures, advertising (with the exception of advertising for purchasing), graphics, photography, etc. will be originated, produced, disseminated, and/or approved by the Assistant Director of Communication and Alumni Outreach. All requests for interviews, commentary, or media communication must be approved through the Assistant Director of Communication and Alumni Outreach. ASMS employees and students should not contact the media regarding school activity or communication without approval by the Assistant Director of Communication and Alumni Outreach. All students must also have a signed Media Release on file, which is typically signed on or prior to Move In Day. The ASMS Media Release allows ASMS to include information including first name, last name, county, year in school, hometown, quotes, and their image in photos, videos, stories, etc. The President may reserve the right to approve any and all publications referenced above.

Movies

ASMS students are not allowed to possess or view unrated films (NR) or films rated X or NC-17. Additionally, students under 17 are not allowed to possess or view films rated R except when there is an academic purpose.

Off-Campus Employment

Students are not allowed to work for pay off-campus while in residence at ASMS.

Postal Services

Receiving Mail and Packages

Students are able to send and receive mail and packages at ASMS. The mail is posted each weekday afternoon upon being received. To receive mail, students must use the following address.

Student's Name, ASMS
1255 Dauphin Street
Mobile, AL 36604-2519

Mailing Packages

Students must mail packages at a local post office branch. The nearest Post Office is located at Spring Hill Avenue and Broad Street. To get mail forwarded at the end of the year, each student must fill out a forwarding card at the post office and inform the receptionist of the forwarding address. Otherwise, incoming mail will be returned to sender.

Printers on Campus and in Dorms

ASMS provides access to printing in the Library. Students may, however, bring their own printers to campus. Although many assignments are turned in electronically, there will be occasions when students will need to turn in paper assignments.

Public Display of Affection Policy

ASMS students are expected to conduct themselves respectfully at all times. Being overly affectionate creates a distraction from the student's purpose at ASMS. In addition, PDA can cause other community members to be uncomfortable. The expression of feelings of affection towards others is a personal concern between two individuals and not of others surrounding them. Therefore, good taste and respect for others is the guideline for appropriate behavior.

Examples of acceptable displays of affection: hand holding, brief friendly hug, brief kiss on the cheek, arm around shoulder or waist.

Residence Hall Information

Bathrooms

There are two community bathrooms on each floor in the girls' residence hall, and a large community bathroom on each floor in the boys' hall. There are small, built-in compartments in each bathroom to store shampoo, soap, toothpaste, and other toiletries.

Common Areas

There are common areas/lounges for students' use in socializing outside their rooms. A microwave and a TV are provided in these areas. Students rotate the cleaning of community bathrooms, hallways, and lobbies on a daily basis. Common area furniture shall not be rearranged without permission to ensure proper egress pathways.

Furniture

Each student will have an extra-long twin bed, a wardrobe, a desk with desk lamp and shelf, and a nightstand. The rooms are air-conditioned and have at least one window with mini-blinds installed. Room furnishings are not to be removed or swapped. All furniture for a given room is to remain in that room. Mattresses may not be kept on the floor. All furniture in a given room is to remain in a manner that allows for a clear view of the entire room from the door, ethernet access, and clear exit in the case of an emergency.

Windows

Curtains may be hung; but signs, posters, flags, or other decorations are not to be displayed in windows or hung outside windows. Windows cannot be sealed. Example: duct taping or placing boards in the windows is not permitted. First floor dorm windows should not be used as congregating and/or conversation points.

Laundry Facilities

Laundry facilities for students are located on the first floor of the Administration Building. ASMS will not be responsible for clothes left or taken from the laundry room. The housekeeping staff will remove and dispose of all clothes left in the laundry room. The laundry room closes at prior to in dorm each evening.

Roommate and Room Change Policy

There is a moratorium on changes for the first four weeks of school. Room changes occur at regular intervals during the year, primarily at the beginning of each term. If a student's roommate withdraws from school, the student may be asked to change rooms to consolidate open space. Non-compliance can result in disciplinary action. ASMS does not have private rooms. In the event that a student is the sole occupant of a room, s/he may occupy one side of the room and must be prepared to receive a roommate at any time.

To change a room, students first must meet with their Hall Coordinator to review their roommate contract with the goal of settling any differences and amending the agreement as needed. If the conflict continues, students may meet with a Community Life Coordinator and/or the Director of Student Affairs who will act as mediator. If the situation does not improve, students may be granted permission to change rooms. The Director of Student Affairs grants room change permission.

Room Condition and Key

When a student arrives on campus, he/she will check the condition of his/her assigned rooms on the Room Condition Form. The student and a staff member will sign this form. The student will be held accountable for all missing furniture and damage done to their room; restitution charges or fees will be assessed. Additional room charges may include room cleaning, excessive wear of floors, walls, ceiling and furniture, leaving personal property or cinder blocks, removal of additional furniture, etc. A general cleaning fee will be assessed when general areas such as bathrooms, lounges, or corridors are left dirty.

Keys

Each student will be issued one dorm room key and one mailbox key. It is the student's responsibility to carry his/her keys with him/her at all times and to lock his/her room door. If a student loses a dorm key, there will be a \$50 charge to have the key replaced. If a student loses a mailbox key, there will be a \$25 charge to have the key replaced. Keys will be included in weekly room inspections. Safety is an issue of utmost importance. Therefore, students should never give their key to anyone else. A lost key should be reported immediately so that a replacement can be made.

Help Desk Ticket System

An online Help Desk Ticket system is used for issues such as a broken AC, light bulb out, or WIFI not working. The help desk ticket system can be accessed online at the ASMS website, student dragon portal.

Room Items

Required Items

Students should bring a mattress pad, pillow, blanket, comforter, sheets, towels, toiletry items, waste paper basket, laundry detergent, school supplies, alarm clock, and phone.

Additional Items

A small floor rug, broom, dry erase board for messages, laundry basket, drying rack for hand washables, iron, stereo/radio, reading lamp, posters, and pictures. Pictures, posters, etc. should be put up using easy-removal tape. No duct tape is to be used on walls, doors or windows. Students may hang LED lights (Christmas-type lights are prohibited). Hanging tapestries and/or fabric hung from lights are prohibited.

Good Judgment in Decorations

Since parents, school personnel, guests and other students visit rooms, good judgment in choices of posters and other decorations is expected. Students will be asked to take down any poster or decoration that is offensive to others or that does not comply with the harassment and discrimination policies of the school.

Refrigerators

The only approved appliance in the room is a small college type refrigerator (less than 5.0 cu. ft. and 36 in. tall). The following are conditions to have a refrigerator: If an extension cord is required, it must be the

heavy, three-wire (prong) variety. Refrigerators must be emptied, cleaned and unplugged for breaks and holidays. Refrigerators must be kept clean, free of spoiled food and will be part of the room inspections. ASMS recommends that roommates share refrigerators.

Scheduling

In Dorm Hours

Sunday – Thursday 9:30 pm
Friday & Saturday midnight

In Room Curfew

Sunday – Thursday 11:45 pm
Friday & Saturday 1 am

All students are expected to return to their own rooms at in-room curfew time.

Lights out

Sunday – Thursday - midnight

Lights Out Study Extensions

Limited study extensions may be given, but these extensions will be at the discretion of the hall staff and will be granted sparingly. Lights out extensions need to be approved by the Hall Coordinator on duty. Students who seem to be able to make good decisions regarding their study times and bedtimes are allowed to continue to do so. If students are not making good decisions regarding their study times, staff intervenes regardless of the level system.

Recycling Policy

ASMS is committed to recycling. All members of the community are urged to observe sorting criteria, since failure to do so diminishes the environmental impact of the total effort. Collection barrels are located throughout the buildings on campus. ASMS's recycling contractor only requires recyclable materials be separated from non-recyclable materials and that they be clean. Please do not add sticky, wet, or food-contaminated recyclable items to the recycling bins.

Religious Services

Houses of worship in the Mobile area have responded most enthusiastically to ASMS. There are opportunities for students to meet with members of several local houses of worship. Parents and students are encouraged to make contacts with local houses of worship prior to the start of the school year. If students would like more information on youth group activities, times for services, and other special programs, ASMS can help in securing such information. Many houses of worship provide transportation to and from their services and activities. A general parental permission is needed to allow a house of worship to provide transportation.

School Dances

ASMS strives to provide a positive social atmosphere at scheduled dances that are held throughout the year. To promote an appropriate environment for students, ASMS has developed dance behavior expectations, dress standards, and conduct guidelines. Students must remain inside or within specified areas once they have arrived. Once a student leaves the dance, the student cannot return. Students are expected to follow school rules and the Student Code of Conduct at all dances. Rules about tobacco, alcohol, or drugs apply at every dance, including those held off-campus. Dress for dances will be in keeping with that type of dance. Any change in acceptable wear will be advertised prior to the dance. Students who are not dressed appropriately will be sent back to campus.

Attire

Students are expected to follow the school dress code and the following attire is inappropriate:

- See-through fabrics
- Undergarments should not be visible
- Attire that reveals breasts, bottoms and/or belly buttons. This means there must be actual fabric on the chest, not see through fabric

Dancing Guidelines

- No straddling legs, bending over or lap dancing
- No “grinding”
- No “making out” or no overt and or prolonged public displays of affection
- No touching chests, buttocks or genitals
- Hands may touch waists, backs or shoulders only
- No dancing in which movements imply sexual actions with person or with objects

Guests

An ASMS student may bring a guest to the dance provided the following rules are followed:

- A guest permission slip required and must be approved by the ASMS administration. The ASMS administration has the sole right to decide if a guest can attend a dance.
- If high school age, the guest must be attending school, and the guest’s school must be able to provide information about the guest. No one over 21 is allowed as a guest.
- Guests must understand that they are attending a high school event, and that they are required to follow ASMS rules.
- Alumni or former students are considered guests and must be approved. ASMS reserves the right to deny access to any guest.

Student Dress Code

Dress and grooming standards are established to ensure that the school climate reflects decency, safety, appropriateness, and a serious focus on learning. Fashions, styles, and trends evolve; therefore, the school reserves authority in matters which may arise and are not identified with this policy. ASMS staff reserves the right to request students to return to their residence hall to change if attire is deemed inappropriate or potentially disruptive to educational processes or social environments. Both faculty and staff shall enforce this policy and the final authority regarding dress and grooming shall be the ASMS Administration. Learning to wear appropriate attire is important to every student’s social development and in many instances their future success. Although all ASMS staff and faculty can use discretion in deciding what clothing is not appropriate, the Office of Student Affairs will have final judgment over clothing. In short, ASMS will use common sense and reasonableness to determine appropriate attire. The following standards must be followed at all times:

- Undergarments must be worn and should not be visible;
- Footwear must be worn when outside the residence hall room;
- Clothing may not contain slogans or images which are considered profane or vulgar, or promote tobacco products, alcohol, drugs, or gang affiliation, or considered insensitive to race, religion, sexual orientation, ethnicity or gender;
- Clothing considered sleepwear/loungewear, pajama pants, bedroom slippers, leggings without appropriate outerwear may not be worn outside the residence halls;
- Clothing considered sleepwear/loungewear, pajama pants, bedroom slippers may not be worn to class;
- Waistbands must be worn at the waist;
- Clothing, wigs, face paint and other items of attire that could be classified as “costumes” are not appropriate for general school wear (exception would be school-sponsored dress up days);
- Appropriate attire for the outside weather conditions must be worn. For example, when the temperature is 40 degrees or below, shorts, short sleeve shirts, skirts above the knee (unless leggings or other attire are worn underneath), sandals or other open footwear are NOT appropriate;
- Clothing must provide adequate covering:

- Skirts, dresses, shorts or similar attire must be of an appropriate length, which must be evident in the front and back;
- Shorts must be visible when worn with oversized shirts
- Revealing mesh/transparent tops, or low-cut tops are not permitted;
- Shirts/blouses should be long enough that, at all times, they meet the top of the pants, skirts or shorts so that the midriff, lower back, and/or underwear is not exposed;
- Halters, strapless attire, and spaghetti straps are prohibited; and
- Clothing may not have holes, cuts, slits, rips or tears that expose or nearly expose underwear.
- Students may not hold a “Dress Code Assembly” depicting “what not to wear,” as by doing so they would violate the campus dress code in a public forum.

Student Publications

There are several excellent student publications at ASMS each year. These publications include Azimuth (yearbook), FireWire (student newspaper), and Oculus (literary publication). Faculty and staff sponsors select editors and approve content.

Student Transportation

ASMS has limited transportation assets. ASMS transportation is reserved for medical emergencies and other necessary medical appointments.

Sign-Out Policy

ASMS utilizes an online program designed for boarding schools called REACH. The REACH system is used for students wanting to sign in and out to walk-off or drive-off campus as well as going home for weekends or breaks. Both students and parents will need to set up accounts with the REACH System. You will be provided login information prior to move in day. Parents or students may submit requests. However, only parents will be required to approve all overnight and/or special permission requests for their students through the REACH system.

Students may not approve REACH requests on their parents' behalf.

If someone other than the parent/guardian will be picking the student up, that must be notated in the request. Parents must give permission for any person signing out their student through the Campsite Permissions form. This form can be updated throughout the year. Please note that hall staff who are not related to students may not be listed on the Parental Permissions list.

ASMS has jurisdiction over students at all times except when they are deemed checked out to their parents' care; consequently, students are expected to adhere to all guidelines regarding sign in and sign out. Regulations governing sign outs are designated to give the staff a reasonable knowledge of a student's whereabouts and thus a way of reaching the student in case of an emergency. Students can leave campus by walking off, driving off, riding on ASMS vehicle (“Runs”), leaving with parents and/or a designated pickup person.

ASMS allows its students broad privileges regarding signing out and using vehicles and trusts the basic integrity and honesty of those students. A violation of that trust is a serious offense and will result in a loss of privileges and possible discipline up to expulsion.

Students are allowed to sign out with their parents anytime; however, requests for sign outs that would necessitate students missing class or required study hall are strongly discouraged and must be approved in advance by the Director of Student Affairs to ensure the student receives an excused absence.

Note: If a student is signed out, they are not allowed to drop by to pick up or drop off other students unless they have permission in advance by the Director of Student Affairs.

Overnight/Weekend/Break Sign Out

A REACH request is required anytime a student will be away from campus overnight. Parents or students may submit the request, but only parents may approve. Parents are required to approve a request through the REACH system that details the sign out date and time, location, mode of transportation and persons responsible for picking the student up. REACH requests are required for each school break (Fall break, Thanksgiving, Christmas, Mardi Gras, Easter). REACH requests for breaks are due no later than the Monday before the scheduled break. If you need assistance with submitting requests, resetting passwords etc., please contact the CLCs or the Operations Department. Except in cases of emergencies, students may not spend school nights off-campus, even with parents.

Walk-Off Privileges

Procedures: Parents must sign the Walk-Off Privileges permission form at the end of this Handbook at the beginning of the school year. Students who wish to walk off campus must submit a request for a “day pass” through the REACH system. In the notes section they are required to detail their destination and which students will accompany them. For safety purposes, students must remain in groups of 3 or more. (In the event someone is injured, there is one person to stay with the student while another gets help). Students will then report to the front desk with all students they are walking off campus with and sign out with the front desk staff. All students must wait for approval before exiting the building. Students may not sign in or out for another student. Students must stay with their group and return to campus no longer than 3 hours after signing out. Staff members on duty have the discretion to suspend walking off campus privileges in situations of inclement weather conditions including heavy rain. Students must follow all local mandates as well – for example during COVID-19 this includes facial coverings and observing social distancing.

Students may walk to the following locations:

Aroy Thai, CVS, Dairy Queen, Dollar Tree, Guncles, local parks, Office Depot, Saucy Q, Serda’s, Starbucks, Taco Bell, Walgreens, Wendy’s, Wild Wing Station, and Winn Dixie.

Weekday Walk Off Hours**Monday - Friday**

Seniors: 1 pm – 6 pm.

Underclassmen: 1:00 p.m.-6 p.m.

**Students may not sign out to walk off if it interferes with their scheduled class. **

Weekend Walk Off Hours:**Saturday and Sunday**

10 a.m. - 6 p.m.

Vehicles/Driving Privileges

The welfare of all students is of utmost concern to the school. Vehicle policies reflect our stance that bringing a vehicle to school is a privilege that should be taken seriously, not a right. ASMS reserves the final authority to restrict or deny use of the student’s vehicle.

Vehicle Registration

- Students are prohibited from bringing a vehicle to campus without registering it
- Student gate fobs are stored in a safe place on campus and students must check fobs in to Front Desk when vehicles are not in use.
- Students must register their vehicle within 24 hours of bringing the vehicle to campus. Vehicles may be registered through the Parent Dashboard. Any vehicle not registered on campus may be towed at the owner’s expense.

- Students must provide a copy of the vehicle registration, insurance card, and a photocopy of his/her driver's license. Students will be given a hangtag which must be visible on their rear-view mirror at all times.
- Students must park their vehicle in an assigned lot.
- Non-seniors can park a car on campus, but they do not have driving privileges that extend past driving home and back.

Students who fail to maintain a high level of regard for vehicle rules and safety may be instructed to return their vehicles home, either for a designated period of time or for the remainder of the school year. Vehicle privileges may be withdrawn by ASMS if the school considers a student's operation of a vehicle to be a danger to self, or others, or if its operation is a detriment to school order. Any vehicle owned or operated by a student may be searched by a school official possessing reasonable, articulable suspicion that there may be a violation of the school's printed regulations and/or Alabama law. The parent or legal guardian of the ASMS student assumes full legal and financial responsibility in matters of their vehicle. The risks involved are those of the owner and operator, not ASMS. All students need to keep in mind these vehicle policies:

- No student shall drive another student's vehicle.
- No student shall drive a vehicle without signing out with ASMS staff (including moving from one parking spot to another).
- Student's may not "hang-out" at/in vehicles.
- Students or their guests may not drive the vehicle of another student or guest.
- All students driving or riding in a vehicle must wear their own seat belts.

Senior Driving Privileges

Procedures: Driving Privileges for seniors in good standing (no intermediate or major disciplinary offenses) will be considered at the end of the first grading period. A separate permission form and letter of explanation will be sent to parents at that time. At no time will students be allowed to drive their vehicles without specific permission from their parents.

Seniors wishing to drive off will submit a request for a "day pass" through the REACH system at least 4 hours in advance of their intended drive off. In the notes section, they will detail the location they will be driving to. No passengers will be allowed. Parents must give permission on the Senior Driving Privileges Form located on the Parent Dashboard. Drive off will be limited to 4 hours on the weekend and 2 hours on weekdays.

Special Occasions: Student Affairs will require an email request for special occasion transportation at least one business day in advance.

Weekday Drive Off Hours:

Monday - Friday

(2-hour limit)

Seniors: 2:30 p.m. - 6 p.m.

Students may not sign out to drive off if it interferes with their scheduled class.

Weekend Drive Off Hours:

Saturday and Sunday

(4-hour limit)

10 a.m. - 6 p.m.

Specific Event Driving Privileges:

ASMS students can, with specific parental permission, earn driving privileges for specific events such as appointments, church, voice lessons, etc. Students who have a 3.0 GPA or higher and no discipline referrals may request Specific Event Driving Privileges with parental permission. Students/parents must give ASMS a

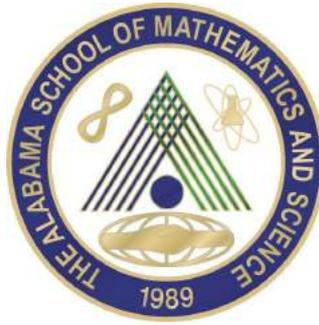

two-day notice and must complete a Specific Event Driving Day Pass in REACH. Students who are given permission for Specific Event Driving will be given a form that will require specific information regarding the specific event/appointment and a signature from the doctor's office, coach, etc. Specific Event Driving Privileges do not include passengers. Parents must give permission on the Specific Event Driving Privileges Form located on the Parent Dashboard.

ASMS reserves the right to deny or suspend Specific Event Driving Privileges at any time and for any student.

Weekend Check Out

Parents must approve a REACH request by Thursday night if their student is going home for the weekend. The REACH request must have a designated person to pick the student up and this person must have permission on the CAMPSITE (Parent Dashboard) permission form. Staff at the front desk will request ID for every person picking up a student. The earliest students will be able to leave for the weekend will be after their last class on Friday. Students must return by 7:00 p.m. on Sunday. Students must sign out by 8:00 p.m. for an overnight visit.

Note: If a student is signed out, they are not allowed to drop by to pick up or drop off other students unless they have permission in advance by the Director of Student Affairs.

XII. Student Code of Conduct

ASMS is an exceptional school. Opportunities and challenges abound, allowing the bright and dynamic students enrolled in the school to excel. The academic opportunities provide a unique and exciting learning experience in a residential setting that provides for students' needs while enhancing their intellectual growth.

As young people of personal and intellectual promise, ASMS students are expected to consider the potential ramifications of choices – to think before they act. They are also expected to hold themselves personally accountable for their decisions, words, and actions. They are expected to accept the consequences thereof, and to view such as valuable lessons learned. By enrolling in ASMS, the student pledges to accept these expectations and to strive to uphold them. His/her ongoing enrollment at ASMS and ultimately his/her graduation is conditioned thereupon.

The students selected to attend ASMS bring with them a variety of backgrounds and expectations. The school is committed to working cooperatively with students and their parents or guardians to create an environment conducive to personal development and academic achievement. A major goal of ASMS is to enable students to live independently. ASMS offers many opportunities for students to grow as individuals, and there are many opportunities for greater personal responsibility. With the increase in freedom comes the challenge of making positive decisions.

The Student Code of Conduct exists to guide and inspire the entire community's decision-making process. This code provides students, parents/guardians, school employees, and the public with expectations for community behavior. All community members are responsible for conducting themselves in a manner that helps enhance an environment of learning in which the rights, dignity, worth, and freedom of each member of the academic community are respected.

Philosophy

To develop a strong sense of community, expectations are a necessary framework within which a sense of closeness, cooperation, sharing, enjoyment, and a feeling of belonging can emerge. All groups find comfort in establishing standards or rules which help guide the behavior of their members. ASMS recognizes the need for such rules and also understands the value of defining possible consequences in the event those rules are disregarded.

Responsibility for Discipline

In general, instructors, the Office of Student Affairs and the Office of Academic Affairs are responsible for handling incidents of academic dishonesty and violations of the Student Code of Conduct occurring during organized academic activities, such as classes, labs, academic field trips, etc. that are referred to administration. The Office of Student Affairs oversees all other violations, including some that may be assigned to the Student Judiciary Committee. Finally, the Discipline Committee can convene to handle intermediate and serious infractions.

Consequences

The willful or inadvertent disregard for school rules implies a need for learning proper conduct. Learning correct action or behavior is brought about through the use of natural, predetermined consequences. The consequence is intended to reasonably fit the seriousness of the violation and ultimately to change behavior. To this end, three levels of violations and corresponding consequences have been developed.

- **Minor Violations** are minor infractions that are disruptive to the daily operation of academic and residential life.
- **Intermediate Violations** are more serious infractions indicating a more substantial disregard for school procedures and demonstrating a lack of student self-control.
- **Major Violations** are the most serious infractions indicating a disregard for the welfare of self and others.

The categories of minor, intermediate, and major infractions are not intended to be read as an all-encompassing list of prohibitions, but rather to be understood by members of the ASMS community as an indication of the nature and scope of the degrees of infractions of appropriate conduct. The detail which follows is intended to give notice of consequences commensurate with such conduct. At all times, the burden of seeking clarity and understanding before choosing a course of action is on the individual member of the ASMS community. If students are unsure about what types of disciplinary measures to expect upon the violation of a rule, they should pursue a discussion with their Hall Coordinator, Assistant Director of Judicial and Community Affairs, Director of Student Affairs, or the Academic Dean.

The rules in the disciplinary section have been established to provide clear expectations. Both parents and students should spend time familiarizing themselves with these policies and expectations. Parents agree to work cooperatively with staff members in maintaining the established behavioral standards. Parents agree to support the discipline policies as written in the Handbook rather than ask that exceptions be made. Consistent application of consequences to inappropriate behavior teaches responsibility and discipline in a positive manner.

School officials will determine what constitutes unacceptable behavior and address violations of that behavior utilizing their discretion. Unanticipated, unacceptable incidents will arise and require follow-up action. It is not the intention of the school to supplant each student's individual responsibility by itemizing every possible violation and defining its consequence. The absence of any specifically defined rule or regulation, procedure, or policy should not be viewed as an indication of acceptable behavior. Students should ask for clarification before making any assumption or conducting questionable behavior. The offenses listed are examples typical of each level but are not exclusive within each level.

Repeat or egregious student misconduct may result in restriction, probation, suspension, not being invited back for the next school year, dismissal, or expulsion. The school reserves the right to pursue disciplinary action or legal action for student behavior while under the jurisdiction of ASMS, on or off campus, which is subversive to good order and discipline in the school, regardless of whether or not the behavior is specified in this Handbook. A student who continues to misbehave will be recommended for dismissal or expulsion. Parents are expected to support and cooperate with school efforts.

Parents of students who have repeated violations may consider returning the students to their home schools before dismissal is recommended. Once the recommendation for dismissal has been made, however, voluntary withdrawal is not an option. Students who have been dismissed from ASMS for disciplinary cause or who withdrew prior to a recommendation for dismissal will not be readmitted to or allowed to visit ASMS or ASMS-related functions under any circumstances. Students who have not been recommended for promotion or have not been invited back to the school may not attend school functions and may not reapply for admission.

Failure to Abide by Disciplinary Action

Students who fail to abide by the required disciplinary action assigned for a Minor Violation or single Intermediate Violation will be required to satisfactorily complete the consequence previously assigned and be given an Intermediate Violation write-up for disrespect. Students who commit Major Violations, violate drive-off and walk-off policies, or fail to abide by the consequences of incidents involving multiple Intermediate Violations will be assigned a Major Violation and be referred to the Discipline Committee.

End of Year Violations

At the discretion of the administration, a senior who commits an Intermediate or Major Violation in April or May, may be recommended for dismissal, suspension, expulsion, or may not be permitted to participate in the graduation ceremonies. Sophomores or juniors who engage in similar behavior may not be invited to return for their junior or senior year.

Criminal Behavior

ASMS will not condone criminal behavior of any kind. Any time students engage in the use of illegal drugs, the illegal use of prescription drugs, underage drinking, theft, assault, trespass, breaking and entering, and similar acts, they are committing crimes. In addition to whatever measures local law enforcement may take, students can expect that criminal acts will result in the harshest of disciplinary measures, including expulsion.

Collective/Group Punishments

Collective and/or group punishments will be avoided in academic and residential situations as much as possible, though circumstances may call for group punishments. For example, the closure of the game room, TV room, or other community spaces will happen due to frequent or egregious misuse

Fire Safety

Fire and Safety guidelines are posted in halls. Students are expected to keep their rooms, hallways and common areas clean, organized and free of clutter and debris. The use of candles, incense, lighters, matches, cooking utensils or any open flame or smoldering materials is not permitted in dormitories. Tampering with a smoke alarm, using any of the aforementioned objects, and smoking or vaping are serious offenses and cause for serious disciplinary action. Any other action that could be considered a fire hazard will be taken very seriously.

Bomb Threats

Threatening the use of a bomb or explosives of any kind will result in student expulsion and all bomb threats will be reported to police. In all likelihood, a student who makes such a threat will be expelled.

Items Not Permitted in Room

- Cooking appliances, e.g., microwaves, coffeemakers (one-cup Keurig-style coffeemakers are permitted in rooms), and grills. (If students would like to bring a traditional coffeemaker to school, they may keep the coffee maker in the lobby of their halls.)
- Computer monitors larger than 32" (diagonally).
- Pets (e.g., turtles, fish, hamsters, parrots, etc.).
- Candles or incense.
- Bicycles are not to be stored in rooms but in the bike racks outside.
- Flammables or any equipment or material that may be dangerous or unhealthy.
- Empty alcohol containers or alcohol advertisements and vape containers, e.g., posters, lights, stickers, etc.
- Box cutters, pocket knives, or any other weapons (Weapons are not permitted on school property in Alabama, see §16-1-24.1.).
- Skateboards are not allowed to be used on campus

Secret Societies/Gang Activity

It is unlawful in the State of Alabama to organize fraternities, sororities, or secret societies in public high schools. It is also unlawful for a public-school student to be a member of, belong to, or participate in such organizations, and to solicit student membership in such organizations. Students in violation of this policy are subject to suspension or dismissal.

Gang activity, which initiates, promotes, or advocates activities that threaten the safety or well-being of persons or property on school grounds or which disrupts the school environment are harmful to the educational process. ASMS is committed to maintaining a safe school environment for students and staff. Students are expected to adhere to the school standards of conduct that promote wellbeing and the learning process. Gang activity will not be tolerated in any form. Gang related activities in the school, on school property or vehicles, or at school-related activities are prohibited.

Off-Limit Areas

For safety and security, the following areas are off-limits to ASMS students:

- Restrooms or rooms meant for the opposite gender, unless with approval.
- Roofs.
- Trespassing on private property.
- Rooms or offices that are locked or should be locked.
- Private property without invitation or approval of the person who owns the property.
- Cafeteria when staff has organized serving meals outside.
- Any off-campus location without proper sign-out (including West Campus).
- Any part of the facility, including classrooms and labs, without authorization or permission.
- Construction sites.
- Areas of campus may be restricted during evenings and weekends at the discretion of Student Affairs personnel (e.g. isolated stairways and breezeways).
- Stairways in the administration building are considered closed at 4:30 pm. Students should not be in the stairways in the administration building after business hours.

Weapons

The possession, threat of use, and use of weapons is strictly forbidden anywhere on campus or on any field trip or other off-campus school related activity (Weapons are not permitted on school property in Alabama, see §16-1-24.1). Students who violate this policy are subject to automatic expulsion. ASMS and state law strictly prohibit the possession and use of weapons and other dangerous items on school campuses.

Weapons include, but are not limited to:

- Knives (butterfly, switchblade, box cutter, utility knife, pocket knife, Bowie knife, hunting knife, single blade folding knife, multi-blade folding knife, kitchen knife with sharp or serrated edges);
- Firearms/Guns (including paintball, pellet, BB, or a toy that could be mistaken for a firearm) and ammunition (including jewelry or articles of clothing made from or made to look like ammunition);
- Throwing stars;
- Hatchets and axes;
- Swords and other martial arts equipment;
- Explosives (fireworks, firecrackers, dynamite; gunpowder); and
- Tasers.

Student Due Process

The intention of ASMS is to afford due process when the procedures contained within the Student Code of Conduct are implemented. The degree of procedural due process provided shall be based on the gravity of the offense and the severity of the contemplated penalty. Before being punished for

violations of school regulations or Board policy, students have the right to the following minimum due process procedures:

- School rules will be clearly stated and related to the educational purposes of the school.
- School rules will be fair and specific enough for students to know what they may or may not do.
- Students, parents, and guardians will be informed of the rules affecting behavior and discipline.
- When disciplinary action is involved, school personnel and students will comply with required procedures, including but not limited to, providing oral or written notice to the student of charges and evidence, as well as an opportunity for accused student to provide an explanation of the events.
- For long-term suspension (more than 10 days) or expulsion, ASMS shall afford the student the right to a hearing before the Disciplinary Committee.

Parental Responsibility and Information

Parents and guardians are responsible for their child's attendance and conduct at ASMS. Parents and guardians are required to read this Student Code of Conduct and return a signed acknowledgement form (found at the beginning of this Handbook). The signature of the ASMS student and the parent, guardian or other person having control or custody of the child shall document receipt of the policy.

Parents and guardians should also be aware of the following, pursuant to § 16-1-24.1(e) of the Code of Alabama:

- A parent, guardian, custodian, or person, excluding a foster parent, responsible for the care or control of a minor child enrolled in a public-school system shall be responsible financially for such child's destructive acts against school property or persons.
- A parent, guardian, custodian, or person, excluding a foster parent, responsible for the care or control of a minor child enrolled in a public-school may be requested to appear at school by an appropriate school official for a conference regarding acts of the child.
- A parent, guardian, custodian, or person, excluding a foster parent, responsible for the care or control of a minor child enrolled in a school who has been summoned by proper notification by an appropriate school official shall be required under this provision to attend such discipline conference.
- Furthermore, with certain exceptions, the school is entitled to recover actual damages from the parent or guardian, or both, of any minor who maliciously and willfully damages or destroys property belonging to the school.

Discipline Process and Procedures

The categories of minor, intermediate, and major infractions which follow are not intended to be read as an all-encompassing list of prohibitions, but rather to be understood by members of the ASMS community as an indication of the nature and scope of the degrees of infractions of appropriate conduct. Too, the detail which follows is intended to give notice of consequences commensurate with such conduct. But at all times, the burden of seeking clarity and understanding before choosing a course of action is on the individual member of the ASMS community. Code of conduct offenses are cumulative for students, in that past disciplinary records for a student with chronic behavioral referrals are considered for subsequent discipline infractions.

Defiance

If a student continues to defy community standards, he/she can expect more serious consequences for his/her offenses. Students need to keep in mind that they enjoy the privilege of attending ASMS. If a student continues to disregard the ASMS expectations and standards—expectations set forth in this Handbook as a condition of attending the school—the student may anticipate being asked to leave ASMS.

Insubordination

At any level insubordination is very serious. With this in mind, it should be fundamentally understood that the President is the ultimate authority of the school. Any insubordination to the ASMS faculty and/or staff would be considered to be a total disregard for the authority of the school.

Intervention

At any point in time, the senior administration may call for an intervention with the student. Team meetings will be held to address specific behaviors and faculty and staff concerns. Parents will be contacted so that they can be present for these meetings.

Unexcused Absences

Unexcused absences will be closely monitored and corrected with disciplinary action as outlined in the ASMS Attendance Policy (Section IV, Academics).

Disclosure of Disciplinary Information

As part of each student's college application process, ASMS can be asked to disclose pending or taken disciplinary action during the student's tenure. Since ASMS is a residential high school, some infractions that would go unreported at a home school may be reported at the request of the college, university, or secondary school. Admission decisions are made by the college, university, or secondary school based on their final characterization of the record.

Repeat Offenders and Egregious First Time Offenders

While repeat offenders typically are treated more severely than first-time offenders, the acts of some first-time offenders may be so egregious as to warrant a response other than those outlined below in the Continuum of Infractions. If students are unsure about what types of disciplinary measures to expect upon the violation of a rule, they should pursue a discussion with their Hall Coordinator, Campus Life Coordinators, Assistant Director of Judicial and Community Affairs, or Director of Student Affairs.

ASMS Student Judiciary Committee

The Student Judiciary Committee Council adjudicates matters of conflict in the student community. Acting as a judge and jury in applying the community rules to the finding of facts, the Council recommends appropriate disciplinary action to the Director of Student Affairs. All cases are handled respectfully and confidentially by Student Judiciary members.

Members: Students with the utmost character, integrity, and the ability to approach problems objectively and reasonably are encouraged to complete the application process. A committee, appointed by the Director of Student Affairs, selects applicants to serve on the ASMS Student Judiciary Committee. ASMS Student Judiciary consists of seven students. The Student Judiciary Committee will review relevant information and hear testimony from the students involved. Then, the student Judiciary Committee will deliberate and make recommendations to the Director of Student Affairs.

Discipline Committee

Due to the fact that only the most serious offenses will come before the Discipline Committee, confidentiality standards require only adult participation. Members are appointed by the President. The Chairman of the Discipline Committee serves as Hearing Officer for the Discipline Committee. The Hearing Officer reviews transcripts from the Discipline Committee, reviews records and leads an investigation of the matter (fact finding, interviews, consultation with a Campus Life Coordinator and Director of Student Affairs, etc.). The Hearing Officer has the discretion to handle discipline matters without calling the full committee; however, in any case that could possibly result in an expulsion, the hearing will be conducted with the entire Discipline committee if necessary.

All parties having dealt with the conflict may be asked to testify before the Hearing Officer and/or the full committee. At a Discipline Committee hearing, parents and/or legal representatives are only present in an advisory role. If parents choose to have a legal representative at the hearing, then both parties must have representation. ASMS must have a minimum of 48-hour notice prior to the hearing if parents are bringing counsel. If parents bring counsel, they are permitted to only serve in an advisory role.

Faculty and staff members who are immediate witnesses to or accusers in a discipline matter should recuse themselves from participating as voting members of the Discipline Committee for the case, as should biological and legal relatives of the accused. In such cases, faculty or staff members can participate in the process by providing information to the committee. The Discipline Committee Chair or the President would appoint replacement members to the committee. This recusal policy is only applicable to discipline hearings.

Continuum of Infractions

The following are examples of community infractions and consequences to give students an idea of the disciplinary measures to expect:

Parents will be consulted, and at this point, parents may request a hearing before the full committee.

Students wishing to file an appeal should contact the office of the President to set up an appointment for the appeal. Appeals should be filed within two weeks of receiving the Discipline Committee's decision.

Restrictions - Disciplinary Consequence

Assignment of Restriction

Other than weekend restrictions, all restrictions will begin no later than two days from the date the assignment of consequences form was signed by the student. Except in cases of emergency (as determined by administrators), restriction days will be served consecutively.

Violations of Restriction Guidelines

Consequences for major violations of restriction guidelines are determined by the Director of Student Affairs.

Students on weekend home restriction may not attend or participate in school activities. Parents should use this time to help their students focus on Section I of the Handbook and to review and discuss the principles outlined in this Handbook.

Probation - Disciplinary Consequence

Probation is a period of time set by an administrator during which students are given a chance to improve behavior exhibited in prior violations of school policy. The ASMS administrator will provide written notification to students, parents, and teachers when students are placed on probation. This notification may include a contract including future plans and expectations for the students and the manner in which they must meet the prescribed requirements. The parents, students, faculty, administrators, and counselors will receive copies of signed contracts. Students who fail to correct behavioral problems during the probationary term will be evaluated for dismissal. Students placed on probation twice, even though not necessarily back-to-back, will retain probationary status until graduation or dismissal from the school.

Suspension

General Suspension for Ten (10) Days or Less

Suspension is defined as the administrative removal of students from campus for a specified period of time due to violation(s) of school policy or probation. All suspensions at ASMS are out-of-school; the students must remain at home for the number of days assigned. The Director of Student Affairs or his/her designee may suspend students from ASMS for a period of ten (10) school days or less when it is determined that their behavior is detrimental to the good order of the school and that suspension is an appropriate disciplinary action for a serious violation of school rules (or frequent violations of school rules).

The procedure for suspending students is as follows:

1. An ASMS administrator will provide the student with notice of the charge(s) orally or in writing. If the student denies the charges, he/she shall be given an explanation of the evidence against him/her and shall be given an opportunity to refute the charges. No time delay is necessary between the time a student is notified of the charge(s) and the time of the informal hearing before ASMS officials. This will be the only hearing conducted.
2. If the facts support the students' guilt, the administrator will determine the appropriate term of suspension.
3. Upon notification of suspension, the students will be placed on room restriction until they leave school to begin the suspension. The suspension may begin immediately. The ASMS administrator will inform the parent(s), either in person or by phone, of the suspension prior to the students leaving campus.
4. Within five (5) school days of the informal hearing with the students, ASMS officials will send written notification to the students and parents specifying the reasons for the suspension.
5. Suspended students may not attend school-sponsored functions on or off campus during the suspension, including weekends. Such exclusions include field trips, competitions, social events, etc.
6. Students suspended from school may make up only work involving major grades. To take advantage of this opportunity, they must make arrangements with their teachers within three (3) school days of their return to school. Failure to contact teachers and make specific arrangements will waive the right to make up the work. Teachers are not obligated to repeat classroom lectures or provide private tutoring for material missed in class.
7. Upon completion of suspension, students returning to school must make an appointment with the school official who handled the suspension to discuss returning to school and any additional restrictions that may apply. Parents may also be requested to consult with the ASMS official.

Emergency Suspension

Emergency Suspension occurs when the President or designee summarily suspends students for not more than three (3) days to complete an investigation for serious student misconduct under circumstances where immediate removal of the students is necessary to restore order, protect persons on the school grounds, protect the student, or protect school property. The school official will meet with the students to provide notice of violations of school policy and evidence against them and allow them to respond. Parents will be immediately notified of the suspension and the students will be immediately placed on room restriction and may not attend any classes. The students must leave school as soon as possible. Suspended students may not attend school-sponsored functions on or off campus during the suspension, including weekends. Such exclusions include field trips, competitions, social events, etc.

During the students' absence, a school official will complete the investigation. When possible, the administrator will complete the investigation by the end of the school day following the emergency suspension. The administrator will communicate findings to the students by phone and allow them to respond.

Further disciplinary action can be recommended or taken as needed. If additional suspension is necessary, the President or a designee may extend the suspension for a period not to exceed ten (10) days. A written notification of the reasons for the suspension will be sent to the students and their parents within five (5)

school days. If no further suspension or dismissal is imposed, the students may make up all school work as previously defined under "Suspension" (above) and must initiate contact with the school official upon their return.

Expulsion

Expulsion is administrative removal of students from enrollment at the ASMS due to violations of law and/or policy (e.g., felonious acts or habitually disruptive behavior).

Discipline Committee

In any case that could possibly result in an expulsion, the hearing will be conducted with the Discipline committee. Due to the fact that only the most serious offenses will come before the Discipline Committee, confidentiality standards require only adult participation. Members are appointed by the President. The Chairman of the Discipline Committee serves as Hearing Officer for the Discipline Committee. The Hearing Officer reviews transcripts from the Discipline Committee, reviews records and leads an investigation of the matter (fact finding, interviews, consultation with a Campus Life Coordinator and Director of Student Affairs, etc.). All parties having dealt with the conflict may be asked to testify before the Hearing Officer and/or the full committee. At a Discipline Committee Hearing, parents and/or legal representatives are only present in an advisory role. If parents choose to have a legal representative at the hearing, then both parties must have representation. ASMS must have a minimum of 48-hour notice prior to the hearing if parents are bringing counsel. If parents bring counsel, they are permitted to only serve in an advisory role. Failure of the student or parent to appear at the hearing will result in the forfeiture of all procedural rights to contest the expulsion.

The Hearing Officer will prepare his findings, conclusions, and recommendations in writing and hand deliver or mail the same to the President of ASMS and the students' parents. The students may be expelled upon recommendation of the hearing officer to the President. Following expulsion from ASMS when applicable, ASMS will notify the students' schools of residence that they are no longer enrolled. Upon request, educational records will be provided to the schools where the student enrolls. A student who has been expelled from school is prohibited from campus and may not participate in school-related functions or activities on or off campus.

Safety Inspections, Search, and Seizure Policy

A student's right to privacy will be respected. Arbitrary invasions of privacy by students, school authorities, or outsiders will not be allowed. However, since ASMS is a residential school, the right of in loco parentis (in place of parents) will prevail. For health, safety, discipline, and educational reasons, the faculty, staff and administration of ASMS reserves the right to inspect rooms, including hall rooms, desks, vehicles, lockers, or any other area of the school buildings or grounds belonging under the jurisdiction of ASMS. A student can also be asked to participate in a reasonable search of their person. These inspections will be based on reasonable cause and suspicion of a violation of the Community Standards Handbook or the law.

Health & Safety Inspections

ASMS may conduct unannounced health and safety inspections of student rooms. These inspections can take place once a term. Parents and students will be notified if the frequency of health and safety inspections needs to be increased.

ASMS Not Acting as Agent of State

Ordinary searches are done in the school's capacity as surrogate parent; therefore, the school will not be searching as an Agent of the State.

Automobiles

As a condition of the privilege to bring a car to school, any vehicle owned or operated by a student also will be subject to the policies regarding search and seizure while on school grounds or at a school sponsored activity. As with all other school policies, failure to comply may result in disciplinary action.

Knock and Announce

At any time that someone is entering a room, even if the room is unlocked, it is common courtesy to knock and announce your name. Hall staff and other adults should knock and announce his/her name.

Obstructing a Search

Any student obstructing any reasonable search by authorized personnel may be suspended or expelled.

Reasonable Suspicion, Notice and Witness

Any authorized teacher, administrator, or staff may conduct a search at any time if facts or reasonable suspicion exists of a violation, health risk, or dangerous situation. An attempt will be made to locate the student prior to the search. If this is not possible, an adult witness must be present. If the student is not present, he/she will be notified that the room or property was searched with the name of the witness. ASMS will make a reasonable attempt to notify parents or guardians when a search has occurred.

Room Inspections

Administrative room inspections will be conducted in a reasonable, periodic and uniform manner for all students. Room inspections will include making sure the floor is swept and clean, furniture is dusted, garbage is taken out, refrigerators are clean, and all clothes, books and papers are picked up. Failure to have a clean room will result in daily room inspections and/or referral to Student Judiciary. During breaks and vacation periods, the school reserves the right to inspect the residence hall rooms for cleanliness, health, safety, or maintenance reasons.

Law Enforcement Officials

School officials will cooperate with law enforcement officials in their effort to enforce the law; however, school officials will not permit warrantless searches of students by law enforcement officials on school property.

Possession, Purchase, Distribution, or Use Of Tobacco and/or Nicotine Products

The Law & ASMS Expectations

The ASMS is a tobacco-free environment for students and adults at all times. Smoking or the possession of tobacco/nicotine products is NOT permitted on campus or at school related activities. Students should be aware that a person under 19 years of age who purchases tobacco/nicotine or accepts tobacco for personal use is in violation of state law. In addition, ASMS also prohibits the possession of smoking paraphernalia, e.g., rolling papers, lighters, matches, lighter fluid, electronic cigarettes, or vaporizers for any student. While under the patronage of ASMS the same drug-free policies exist for all ASMS administration, faculty, staff, and students. Students need not be observed smoking to be in violation; possession constitutes a violation and will be referred to administration for assignment of consequences.

ASMS Action – Tobacco Violation

1. Once determined that students used, possessed, or distributed a prohibited tobacco product as described above, parents will be notified, and a comprehensive parent conference will be required. Students may be placed on suspension. Expectations for students while on suspension will be communicated during the parent conference.
2. Upon returning to school from suspension, the students will report to the school counselor for further activity. A tobacco cessation program will be initiated and completed. Failure to successfully complete the tobacco cessation program may result in a recommendation for dismissal. A signed release of information form will become part of any off-site counseling services. Students will also serve five consecutive school days (M-F) of In-Hall Restriction

3. A subsequent offense will result in a recommendation for dismissal.

Student Substance Abuse Policy and Program

Purpose, Scope and Application

The Alabama School of Mathematics and Science (ASMS) strives to provide the best possible education for its students. We believe that education occurs only as students are actively engaged in the learning process. ASMS, through its administration and faculty, seeks to engage its students in a way that will contribute to full personal development. In that regard, ASMS recognizes that the use of illegal drugs while at school or away from school leads to increased accidents, injuries, illnesses, and medical claims and can lead to the deterioration of the health of students. Students who abuse controlled substances are dangers not only to themselves, but also to other students, teachers, staff, and members of the public. Substance abuse related medical costs also place an unacceptable financial burden on health and benefit programs to the detriment of other students. Decreased productivity and morale and increased absenteeism and turnover can adversely affect ASMS' ability to provide the best possible education for its students.

In light of these concerns, ASMS' goal is to maintain a safe, healthy, and productive learning environment free of substance abuse. To achieve this goal, ASMS has adopted and implemented a comprehensive Student Substance Abuse Policy and Program (the Program). Generally, ASMS' objectives include:

- To create and maintain a safe, drug-free learning environment for all students by prohibiting and disciplining substance abuse;
- To reduce the problems of absenteeism, tardiness, carelessness and/or unsatisfactory performance related to substance abuse;
- To reduce the likelihood of accidental personal injury and/or property damage;
- To eliminate substance abuse and its effects from ASMS;
- To reduce the likelihood that property of ASMS will be used for unlawful drug activities;
- To identify substance abuse as early as possible;
- To encourage students with substance abuse problems to seek professional assistance;
- To protect the reputation of ASMS in the community; and
- To comply with all federal and state laws pertaining to substance abuse testing.

ASMS encourages any student with a substance abuse problem to seek counseling or treatment. ASMS will make available to students and parents information concerning the availability of alcohol and abuse counseling and rehabilitation. Participation in those programs will be at the parent's expense. This Program is not intended to affect the ability of ASMS to manage the learning environment or to discipline its students. ASMS' Community Standards Handbook, including the provision on discipline, will remain in full force and effect following the adoption of this Program. ASMS reserves the right to interpret, change, or rescind this Program at any time, with or without prior notice.

This Program covers all students of ASMS. Execution by each student and his or her parent of the consent form is a condition of enrollment by the student at ASMS.

Definitions

As used in this Program, the following terms are defined as follows:

Alcohol

"Alcohol" includes but is not limited to:

- Beer and other malt beverages
- Wine
- Distilled spirits

Controlled Substances

"Controlled Substances" include, but are not limited to:

- Marijuana, cocaine, heroin, hallucinogens, methaqualone, benzodiazepines, opiates, amphetamines, methamphetamines, barbiturate, phencyclidine (PCP), and any other substance and the derivatives thereof, whose manufacture, sale, distribution, dispensation, possession, or use is prohibited or controlled by state or federal law;
- Any prescription substance for which the person taking the substance does not have a lawfully issued prescription;
- Any so called "designer drug", "look alike" synthetic drug, and similar substance, even if not specifically prohibited by state or federal law;
- Any other substance that may be abused, whether available legally over the counter (such as cough syrup) or naturally occurring (such as hallucinogenic mushrooms) or which was never intended for human consumption (such as glue); and
- A metabolite of any substance described in paragraphs 1 through 4.

Medical Review Officer ("MRO")

The MRO is a licensed physician designated by ASMS who has been certified by the American Board of Medical Review Officers and who has knowledge of substance abuse disorders and appropriate medical training to interpret and evaluate positive results of alcohol and controlled substance tests in light of a student's medical history and relevant biomedical information. If ASMS designates an employee of the laboratory conducting testing under the program as the MRO, the laboratory must have established a clear separation of functions to prevent any appearance of a conflict of interest, including assuring ASMS that the MRO has no responsibility for the drug testing or quality control operations of the laboratory.

Testing Laboratory

The Testing Laboratory is a facility designated by ASMS, certified by the United States Department of Health and Human Services, and licensed or certified, when required, by appropriate local and state authorities, to test students for the use of controlled substances.

GC/MS

The term GC/MS means Gas Chromatography/Mass Spectrometry.

Facilitator

Such persons as ASMS may from time to time designate to collect the samples under this Program.

Parent

This term shall include the parent, legal guardian, or other legal representative having primary custody and responsibility for a student.

Reasonable Suspicion of Substance Abuse/Testing Factors

While it is not possible to list every factor that might lead to testing, those listed below are some of the most common:

- Observable actions while at School, such as direct observation of substance abuse or the physical symptoms or manifestations of impairment due to substance abuse;
- A report of substance abuse provided by a reliable and credible source;
- Evidence that a student or employee has tampered with any substance abuse test under this Program;
- Evidence that a student has caused or contributed to an accident while at School, on School premises, or at a School-sponsored or endorsed event;
- Evidence that a student has used, possessed, sold or solicited alcohol or controlled substances while at School, while on the premises or other property of ASMS, or while attending any School-sponsored or endorsed event;
- Excessive unexcused absenteeism or tardiness;
- Significant deterioration in grades or performance in school athletics;

- Significant change in personality, such as mood swings, euphoria, depression, abusive behavior, violence, secretiveness, insolence, insubordination;
- Unexplained absences from normal classes;
- Unusual or erratic behavior that cannot be readily explained;
- Changes in personal hygiene or demeanor;
- Cravings for water or for sweets;
- Reddened eyes or dilated pupils;
- Odor of alcohol or controlled substance;
- Unexplained significant weight loss or gain;
- Slurred or incoherent speech;
- Difficulty in motor coordination.

Search and Testing resulting from Reasonable Suspicion of Substance Abuse

When there is a reasonable suspicion that a student may be in possession of a substance prohibited by this Program, the student may be required, as a condition of continued enrollment, to submit to a search of living quarters, clothing, personal lockers, purses, lunch boxes or other containers, desks, or personal vehicles. The President or Director or Assistant Director of Judicial and Community Affairs shall approve searches. Reasonable suspicion shall be based upon specific objective facts and reasonable inferences drawn from those facts in light of experience. A report detailing the information to support reasonable suspicion shall be prepared and a signed incident report will be provided detailing the facts supporting reasonable suspicion. The report shall be given to the President within 24 hours of observation of the conduct. The President will then determine whether the student will be required to report to the Facilitator for hair testing, and/or urine testing to a local hospital or other medical or health provider for additional testing, which may include blood, urine, or hair testing.

Testing Factors

Random Testing of Students

Students are subject to random testing throughout the school year. Testing may begin 90 days after initial enrollment. On a periodic basis and without prior notice, students will be selected by the use of a computer-generated list, to submit to testing in accordance with the Program. Since the selection is random, some students may be selected several times for random testing during the school year and others may not be tested through random selection. Prior negative test results of a student do not exempt a student from additional testing.

Reasonable Suspicion of Substance Abuse Testing

ASMS may also test a student based upon reasonable suspicion that the student has used alcohol or a controlled substance in violation of this Program. Reasonable suspicion shall be based upon specific objective facts and reasonable inferences drawn from those facts in light of experience.

Return to Participation Testing

All students who undergo a counseling or rehabilitation program or who are suspended for abuse of substances covered under this policy will be subject to unannounced testing for at least a twelve-month period.

On Site Hair/Urine Testing Procedures

Assignment of Random or Social Security Number for Testing Purposes

Students will be assigned a number from a random number table or a computer-based random number generator matched to the students' Social Security numbers. If a random number table is used, the President will be the only employee of ASMS with knowledge of the correlation between the random number and the name of the student.

Reporting for Testing

On each testing day selected by ASMS, students whose numbers are selected for testing shall be required to report to the place at ASMS designated for collection activities by the Facilitator. The student shall present identification to the Facilitator and complete a student information form for identification purposes. The student will be given a copy of his or her assigned number in a sealed envelope, if computer-generated, rather than Social Security numbers, are used.

Hair or Urine Samples

If hair is collected, the Facilitator will remove at least 3.9 centimeters (approximately one and one-half inches) of hair from the student. Hair can be collected from several locations on the head. Body hair from the arm, leg or chest in males may be used as an alternative to cranial hair. If urine is collected, the facilitator will follow the accepted and appropriate procedures to collect the sample.

Collection of the Samples

The samples will be placed into a receptacle provided by the testing laboratory with the root end clearly marked. The student will initial the storage receptacle, which will be placed inside a second storage receptacle, which will also be initialed by the student. An adhesive, tamper proof strip will be placed over the second storage receptacle. The acquired samples will then be placed in a safe or other storage unit under lock and key. The Facilitator will be the sole person with the ability to remove the acquired samples from the stored location. ASMS will send by overnight delivery the samples to the testing laboratory on a weekly basis.

The Testing Laboratory

The testing laboratory shall conduct tests on the samples collected in accordance with federally established procedures. One sample shall be tested for cocaine, opiates, methamphetamines, and phencyclidine (PCP). A second, separate sample may be tested for all other controlled substances.

Unreadable Sample

The testing laboratory shall report any sample that is adulterated, contaminated, unreadable, not authentic, or otherwise impossible to analyze properly to the President or to such other person as she/he designates, who shall meet with the student and/or the Facilitator and ask for an explanation. If a satisfactory explanation is provided, a new test may be performed at the discretion of the President. If a satisfactory explanation is not provided, the President may recommend rehabilitation and/or impose discipline in accordance with this Program.

Communication of Results

Negative Results

The testing laboratory shall report negative results to the President or such other person as ASMS may from time to time designate. The President shall communicate the results confidentially to the student and his or her parent.

Positive Results

The testing laboratory shall confirm all positive test results using GC/MS. If the confirmatory test is positive, the following procedures shall be followed:

- The testing laboratory will report positive test results to the parent and President.
- The President shall talk with the student and his or her parent and shall inform them that a second test shall be conducted. The President shall notify the Facilitator, and the second test will be performed on the original sample using GC/MS or an equivalent at the parent's expense.
- If the results of the additional confirmatory test are negative, the results of the initial test will not be used for any purpose.
- If the results of the additional confirmatory test are positive, the President shall notify the student and the parent. Parents will be requested to pick up the student immediately. The Student will be

permitted to return to school after completing a rehabilitation program and an additional confirmatory test is negative. The expense of the confirmatory test will be the responsibility of the parent. If the student tests positive again, the student will be sent home with no opportunity to return.

Discipline

Generally

Compliance with this Program is a condition of continued enrollment at ASMS. A violation of any provision of this Program, a failure or refusal to cooperate or participate fully in this Program, or a failure or refusal to sign any required document or to submit to a test or search, is a ground for dismissal.

Disciplinary Action/Expulsion

Students who use, possess, or distribute alcohol or controlled substances on school premises or at any School-sponsored or endorsed function can be referred to law enforcement authorities and can be subject to disciplinary action and/or expulsion. A student who is present in a group where alcohol or controlled substances are being used or openly displayed may also be subject to disciplinary action and/or expulsion.

Confidentiality

All information concerning the testing, counseling, rehabilitation, treatment, or discipline of a student under this Program will be treated as confidential information that may be released only to the President, the Director of Student Affairs, Assistant Director of Judicial and Community Affairs, the Academic Dean, the student, and his or her parent. Except for disclosures required to be made pursuant to judicial or quasi-judicial process, no such information shall be provided to anyone else, without the specific written consent of the parent authorizing the release to the third person. In the absence of a valid consent to disclose the information, ASMS shall respond to inquiries regarding a student tested, referred to counseling or rehabilitation, disciplined, or dismissed under this Program by stating only that the student was dismissed and the dates he or she was in attendance at ASMS. Any employee of ASMS who willfully discloses any other information in violation of this Program will be subject to discipline, up to and including dismissal.

Miscellaneous Provisions

Dissemination of Program

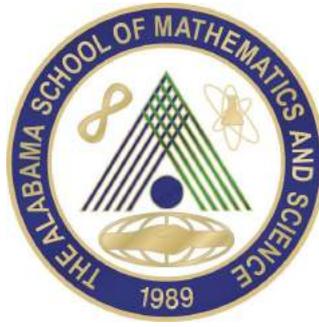

A copy of ASMS' Student Substance Abuse Policy and Program shall be distributed to all students enrolled and shall be available in the office of the President and the Director of Student Affairs.

Emergency Action

Nothing in this Program shall prevent or restrain the President or Director of Student Affairs, any teacher or other employee of ASMS from taking immediate action deemed necessary to stop or to prevent an unsafe act or to stop or prevent an immediate threat of personal injury, death, or property damage.

Student Acknowledgement and Consent

Each student and his or her parent shall be required to read the Student Substance Abuse Policy and Program and to sign an acknowledgement and consent form. As stated above, execution by each student and his or her parent of the Acknowledgement Form is a condition of enrollment by the student at ASMS.

XIII. Parent and Guardian Support

Family involvement is a significant component in assuring that ASMS is a successful experience for each student. Parents provide security, love, values, and discipline for their student. The ASMS academic and residential programs will give the students opportunities, structure, and materials with which to learn and grow. Together, the faculty and staff work with parents to help students reach their highest potential. This is achieved by requiring a family commitment as part of the decision to attend and remain at ASMS. This commitment is enhanced by a continuing and good relationship with the home and the family.

Parents/legal guardians are fully responsible for the behavior and performance of their students while enrolled at ASMS. Important aspects of parental support include encouraging and enforcing appropriate student behavior, monitoring schoolwork and grades, and keeping up with school activities and information. Two-way communication between the school and home is critical to student success. ASMS will contact parents to keep them informed of their student's progress and of school events. ASMS depends on parents to keep school administrators informed of issues and concerns of which they become aware.

The purpose of this section of the Handbook is to provide the expectations around the conduct of all parents and guardians connected to our school. These expectations help to clarify the types of behavior that will not be tolerated and seeks parental agreement to these expectations. These expectations also outline the actions the school can take should expectations be ignored. Families should realize that it is a privilege for students to attend ASMS, as students have a right to attend their county public schools. These Parent and Guardian Guidelines are an agreement between Parents/Guardians and ASMS. ASMS is committed to resolving difficulties in a constructive manner, through an open, honest, and positive dialogue. Official communication is via email or phone. If parents have concerns about their student in relation to the school, they should:

1. Initially contact the student's teacher, hall staff, Academic Counselor, Office of Student Affairs, or Office of Academic Affairs.
2. If the concern remains, they should contact the Director of Student Affairs or the Dean of Academics.
3. If still unresolved, the Office of the President should be contacted.
4. If still unresolved, follow grievance procedures outlined in this Handbook or on the school website.

Disruptive Behavior

Disruptive behavior that interferes with or threatens to interfere with any of the school's normal operations or activities anywhere on the school premises will not be tolerated. Any behavior on the school premises deemed inappropriate or disruptive by the school's administration will not be tolerated. This includes, but is not limited to:

- The use of loud or offensive language.
- Damage or destruction of school property.
- Smoking, vaping, chewing tobacco, taking illegal drugs, or the consumption of alcohol on school premises.

- The threatening of, in any way, any students, parents, staff, faculty, administration, or visitors at the school. This includes the sending of abusive or threatening emails or text/voicemail/phone messages or other written communications including social media.
- Defamatory, offensive, or derogatory comments regarding the school or any of the students, parents, staff, faculty, or administration at the school on social media platforms.
- The use of physical, verbal, or written aggression towards another adult or student. This includes the physical punishment of a child on school premises.

Please note that approaching someone else's child to discuss or chastise them may be considered as an assault and may have legal consequences. Should any of the above occur on school premises or in connection with school, the school may feel it is necessary to take action by contacting the appropriate authorities or consider banning the offending adult from entering the school premises. It is important for parents and visitors to make sure any persons visiting or picking up their students are aware of this policy.

Social Media

The Parent Association has a Facebook page which allows parents to receive and respond to messages about school events. The ASMS PA Facebook page also fosters a community where parents can come to find support, to answer each other's questions, and to discuss topics of relevance. Common sense and respect should be used when discussing school life online. Although this is a closed group, comments made on social media should be considered public. Any comment that could be construed as incorrect, inappropriate, or infringing on a student's privacy will be removed. Social media is also not an appropriate venue for airing grievances, and those should be addressed via direct communication with the school and/or a school employee.

Posts and comments made by non-ASMS employee members on the PA Facebook page are not being made in an official capacity, and therefore the accuracy of the information shared or covered cannot be guaranteed on this page. For accurate information, parents and guardians should call or e-mail the school. Some ASMS faculty and staff members are members of the PA Facebook page by choice, and ASMS Family Programs also has an account which is part of the page. Information posted on the PA Facebook page by an official ASMS employee or by the ASMS Family Programs account can be considered accurate. At the same time, the PA Facebook page should not be considered a primary means of communicating with ASMS faculty and staff members. Tagging them in a post or comment does not guarantee that it will be seen and/or that a response will be given. Questions or concerns that need a response from faculty and staff members should be e-mailed to them directly, or a phone call should be placed to the school.

Inappropriate Online Activity includes but is not limited to:

- Defamatory or libelous comments;
- Threatening, abusive, or personal comments about students, staff, faculty, administrators, or other parents;
- Emails circulated or sent directly with abusive or personal comments about students, staff, faculty, administrators, or other parents;
- Use of social media to discuss issues concerning individual students, staff, faculty, administrators, or other parents;
- Use of offensive language; and
- Breaching school security procedures.

Consequences for Parent/Guardian Guidelines Violation

In the event of any parent or visitor of the school breaking this code, proportionate actions will be taken as follows:

- In cases where the unacceptable behavior is considered to be a serious and potentially criminal matter, the concerns will in the first instance be referred to the police. This will include any or all cases of threats of violence or actual violence to any student, staff, faculty, or administrator in the

school. This will also include anything that could be seen as a sign of harassment of any member of the school community, such as any form of insulting social media post or any form of social media cyber bullying.

- In cases where evidence suggests that behavior would be tantamount to libel or slander, then the school will refer the matter to ASMS legal counsel for further action. In cases where the code of conduct has been broken but the breach was not libelous, slanderous, or criminal in nature, then the school will send out a formal letter to the parent/visitor with an invitation to a meeting. The school reserves the right to have a third party at the meeting to help facilitate a positive discourse.
- If the parent/visitor refuses to attend the meeting, then the school will write to the parent/visitor and ask them to stop the behavior causing the concern and warn them that if they do not, they may be banned from the school premises. If after this action the behavior continues, the parent/visitor will again be written to and informed that a ban is now in place.
- Note: (1) A ban from the school can be introduced without having to go through all the steps offered above in more serious cases. (2) ASMS understands the severity of banning a parent or guardian from campus and will do so only in extreme cases. (3) If a ban occurs, ASMS will communicate how a student can be picked up by the person who has been banned.

XIV. Appendices

Appendix A

ASMS Syllabus Addendum

This addendum is understood to be a part of each syllabus provided for courses offered at ASMS, whether the addendum is physically attached to the syllabus or its inclusion is implied.

ASMS Mission Statement

The mission of the Alabama School of Mathematics and Science (ASMS) is to provide academically motivated Alabama students with exceptional preparation in the fields of math and science, empowering them to improve their community, state, and nation.

ASMS Honor Code

Every student shall be honor bound not to cheat (including plagiarizing), steal, or disrespect the property of others, or lie about anything pertaining to the school. Any student found guilty of an honor violation will face sanctions up to and possibly including expulsion. Actively aiding someone in breaking the Honor Code is a violation and will be punished as such.

ASMS Honor Pledge

All students have signed the ASMS Honor Pledge, which reads, "As a member of the ASMS Community, I resolve to uphold the Honor Code of this school. I pledge that what I say and do will be in accordance with this code."

ASMS Absence and Tardy Policy

Class attendance is an integral component of academic success; therefore, students must be in attendance to take full advantage of the academic opportunities offered at ASMS. Absences or tardiness can have a substantial impact on a student's academic performance and should be kept to a minimum. Absences from class will be classified as either excused or unexcused.

Attendance Records: Faculty are responsible for keeping attendance records of students in their classes and for expressing the ASMS attendance policy in their course syllabi. To ensure accuracy of attendance record keeping, the school nurse will post a daily record of medical excused absences and the nurse or the Director of Student Affairs will post non-academic administrative excused absences.

Unexcused Absences: Unexcused absences will be closely monitored and corrected with the below disciplinary actions. Unexcused absences carry over from course to course and from one term to the next.

Consequences for Unexcused absences (See also Disciplinary Procedures)

1st Absence: Suspension of walk off privileges (1 week) with parent notification

2nd Absence: Saturday School (4 hours) with parent notification

3rd Absence: In dorm restriction (3 days) with parent notification

4th Absence: In dorm restriction (5 days) with parent notification

5th Absence: Referral to Discipline committee as a major infraction which could lead to dismissal from school

Tardiness: Students are expected to be on time for all classes. Tardiness of more than fifteen (15) minutes to one class meeting may be counted as an unexcused absence. Leaving class for more than ten (10) minutes may be counted as an unexcused absence. Students will consult with the course syllabi to

determine an instructor's expectations with respect to tardiness. Tardies are cumulative across all courses taken in one term, but do not roll over. Consequences acquired in one term will be resolved regardless of term in which consequences were acquired.

Consequences for Tardiness (See also Disciplinary Procedures):

1st Tardy: Administrative warning and parent notification

2nd Tardy: Two (2) hours extra work service with parent notification

3rd Tardy: Suspension of walk off privileges (1 week) with parent notification

4th Tardy: Saturday School (4 hours) with parent notification

5th Tardy: In dorm restriction (3 days) with parent notification

6th Tardy: Referral to Discipline committee as a major infraction which could lead to dismissal from school

Excused Absences: When a student needs to be absent from class for an excusable reason, it is the responsibility of the student and parent to follow proper protocol to inform the school of the requested absence. Parents are asked to schedule family activities, medical appointments, college visits after school hours or during school breaks. It is the responsibility of the student to obtain assignments prior to their absence and make up any work during their absence. Circumstances may arise where exceptions are appropriate, however every effort should be made to limit class absences for any reason.

Illness on Campus: Students who will need to miss class due to illness must report to the nurse's office. To be excused from a first period class, the student must report to the nurse by 7:45 a.m. If the nurse cannot substantiate the student's claim of illness, the student will be expected to attend class. To be excused from all other classes during the day, the student must report to the nurse's office 30 minutes prior to start of the class period. In the event a student is placed on room restriction due to an excused illness, the following procedure will be implemented.

Medical Room Restriction Procedure:

1. Nurse or Hall staff implements room restriction due to medical reasons.
2. Student will stay in their dorm room until the next a.m.
3. Food may be obtained from the cafeteria in a takeout box during meal times and the student will go back to their room.
4. Bathroom breaks are allowed during Room Restriction.
5. After school activities are not allowed and the student is to remain in their dorm room.
6. If a student needs medical attention, they will call the front desk and ask to be transferred to the nurse's office.
7. If a student needs medical attention after hours, they may summon the lead hall advisor through another student or call the front desk and ask for the lead hall advisor.

Illness Off Campus: Students who become ill while at home for a weekend or a break should not return to campus until they are well and able to attend classes. It is the responsibility of the parent or guardian to report their child's health status to Student Affairs before 6:00 p.m. on Sunday night (251-441-2100).

Absences Requiring Prior Permission: When a student will be absent from a class for an excusable reason (excluding illness, medical emergency or unexplained circumstances), students must submit the proper absence request form to faculty for authorization of the excused absence. This excused absence request form must be submitted at least one (1) class meeting prior to the anticipated absence. Only the President, faculty and medical personnel have authority to excuse a student's absence from class.

- **Pink Form:** Excused absence for personal reasons (see Student Affairs Office)
- **Blue Form:** Excused absence for class field trip (see President's Office)

College Visitors to Campus: Students must obtain prior approval from their instructors to attend a college meeting. The student must also sign up in advance in the College Visit Log Book located in Student Affairs.

Students are excused from class to attend college representative meetings on campus but may not miss a previously scheduled exam to do so.

College Visits: Senior students taking an official college visit must submit the proper absence form at least one (1) week in advance, notify their teachers, and bring proof of the visit which may include college letterhead listing the dates a student visited the campus. Sophomore and junior students should schedule college visits during long weekends or breaks.

Excessive Absences: Whether excused or unexcused, excessive absences have a detrimental effect on a student's academic standing. Accruing (3) three unexcused absences in a course may be cause for a faculty member to assign the grade of WF for that course. Accruing five (5) or more total absences, excused and unexcused, will prompt an Administrative assessment to ascertain the reason(s) behind the excessive absences. A determination may result in a recommendation of dismissal from school or a plan of action.

Long Term Absence: The following are guidelines to be followed by the administration in dealing with situations where a student is absent from ASMS for long periods due to illness.

Assessment: On the 5th consecutive day of absence from all classes, an assessment will be conducted by the Director of Student Affairs. Parents will be contacted, and doctors' opinions will be sought, if necessary. Questions that will likely be pertinent are: What is the nature of the illness? How much time will elapse before the student will be capable of working up to full capacity? Is the student capable of doing any work at all at this time?

As a result of the assessment several scenarios are likely.

- If the student is capable of some work at home, he/she may be able to return to ASMS as a full-time student.
- If the student is not capable of some work at home immediately following the Assessment, the maximum time the student can be out and return to a full load assignment is one additional week after the assessment.
- If the student can return to ASMS and carry a partial load within two weeks after the assessment, the student will be placed on a light load for the remainder of the quarter.
- If the student is capable of some work at home after the assessment and returns to ASMS within two weeks of the assessment to a partial load assignment, he/she will be given an independent study when he/she is capable of a larger load, up to the end of the 7th week.
- If the student will not be able to return to ASMS and carry a full load within two weeks of the assessment, it will not be possible for that student to return to ASMS full-time that quarter. (This amounts to a three-week absence.)

When a student cannot return to ASMS in any given quarter, the situation will be reviewed to ascertain whether the student will be able to return to ASMS in a subsequent quarter and still complete the requirements for an ASMS graduation diploma.

ASMS Grading Policy

Grading follows a letter evaluation system:

A	100-90	Excellent and Passing
B	89-80	Good and Passing
C	79-70	Satisfactory and Passing
D	69-60	Below Average and Failing
F	59-0	Poor and Failing
P		Passing
S		Satisfactory (an interim grade)
I		Incomplete
WP		Withdraw Passing
WF		Withdraw Failing

Academic Integrity

Academic integrity is essential because dishonest behavior undermines student learning and the credibility of ASMS. High standards of academic integrity safeguard a student's reputation, reflect well on ASMS, and contribute to the well-being of society. Conversely, breaches of academic integrity diminish students, school, and public trust in academic endeavors.

While at ASMS, students belong to an academic community and have responsibilities to that community. Upholding these responsibilities maintains the high regard in which ASMS qualifications are held and fosters public support for educational ideals and ASMS.

Students should be proud of the high standards of academic integrity for which we strive. Society flourishes when high standards of integrity are evident.

ASMS students are expected to maintain high levels of integrity in all of their academic pursuits. Cheating of any kind (on any exam, quiz, lab, tests, homework, or any other type of assignment), as well as plagiarism of thoughts, words, or ideas are prohibited. Students who engage in academic dishonesty will be dealt with in accordance with the policies outlined in the Student Code of Conduct.

Cheating is a form of academic dishonesty in which the person misrepresents his or her mastery of the course content. Cheating applies to examinations, labs, written assignments, online discussion, and any other form of student assessment. Examples include but are not limited to the following:

- Using unauthorized materials such as a textbook, prepared notes, study aids, or an electronic device during an examination;
- Unauthorized access to or use of someone else's computer account or computer files to complete an assignment;
- Possessing or obtaining an examination without the instructor's authority or prior knowledge;
- Submission of an assignment purchased from a commercial entity (e.g., term papers, software programs, etc.);
- Unauthorized preprogramming of and/or access to electronic devices; and
- Leaving a classroom or testing area during a test to access information or answers.

Plagiarism is a form of dishonesty by which the person misrepresents someone else's words, ideas, phrases, sentences or data as his or her own or otherwise fails to properly acknowledge the source of such material through complete and accurate citations and reference lists. Both the intentional and unintentional use of another's work constitutes plagiarism. Examples include but are not limited to the following:

- Directly quoting another person's words without the use of quotation marks and/or acknowledging the source;
- Submitting the same written work to fulfill the requirements of more than one course without the explicit permission of the other instructors;
- Paraphrasing, or restating, another person's ideas, opinions, or theories without acknowledging the source; and
- Failing to properly cite an original source when using a secondary source.

Fabrication is a form of dishonesty by which the person deliberately invents or falsifies information or research findings with the intent to deceive. Examples include but are not limited to the following:

- Citing information not taken from the source indicated;
- Citing a source that does not exist;
- Intentionally distorting the meaning or applicability of data;

- Citing sources in a bibliography or reference list that were not used in the project; and
- Misrepresenting or falsifying a résumé for a college application or scholarship.

Collusion is a form of dishonesty involving two or more persons acting in a manner intended to misrepresent individual effort, learning, and/or contributions to course assignments.

- Allowing another student to copy from your work, intentionally or unintentionally;
- Completing an assignment for another student;
- Allowing another student to complete an assignment for you (e.g., asking a student to show you their answers or do some work for you);
- Unauthorized sharing of examination questions and/or answers before or after an examination; and
- Unauthorized collaboration with another person during an examination or other assignment.

Other Examples of Academic Integrity Violations include but are not limited to the following:

- Posting another's work on the internet without that person's permission;
- Unauthorized or inappropriate access to use of another's computer account, email or electronic files;
- Misrepresentation to avoid academic work by fabricating an otherwise justifiable excuse such as illness, injury, accident, personal emergency, etc. to avoid or delay timely submission of academic work, or the taking of an examination, or to request an incomplete or WP in the course;
- Coercing any other person to engage in academic dishonesty or misconduct; and
- Aiding any other person engaged in academic dishonesty or misconduct.

IDF Reports

Approximately halfway through each term, a progress report is issued by teachers for any student with a 50% or greater likelihood of receiving a failing grade (F, D, or U) in a course if student performance continues at the same level. In such instances, a progress report of IDF is recorded (in danger of failing). The instructor also includes a comment with the assessment summarizing the student's performance to date. ASMS can request a phone or on-campus meeting with faculty, staff, parents, and the student. Under some circumstances, ASMS will require an on-campus meeting.

ASMS Title IX Policies

Title IX (Title IX of the Education Amendments of 1972) is a federal law that prohibits discrimination on the basis of sex or gender identity in any federally-funded education program or activity. The law states, "No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance" (the United States Department of Justice). Title IX addresses sexual harassment, gender-based discrimination, and sexual violence. Sexual violence includes attempted or completed rape or sexual assault, as well as sexual harassment, stalking, and verbal or physical sexuality-based threats or abuse.

Mandatory Reporting Notice: All ASMS employees are required to report incidents of sexual harassment, discrimination, or sexual misconduct to the Title IX Coordinator or the authorities.

Nondiscrimination Notice

ASMS does not discriminate on the basis of race, color, national origin, sex, disability, age, sexual orientation, creed, religion, or veteran status in the administration of employment, educational programs and activities, and admissions. Anyone who claims to have been unlawfully discriminated against due to any ASMS regulation or policy or the official action of any ASMS employee should follow the ASMS Grievance Procedures (forms and additional information are located in the ASMS Student Community Handbook). Inquiries or complaints may be addressed to Title II and Title IX Coordinator, 1255 Dauphin St., Mobile, AL 36604.

Student Accommodations

It is a privilege, not a right, to attend ASMS. Students have the right to attend a public school in their home county. Accommodations are modifications to conditions that would otherwise cause a student, because of a disability, to be at a disadvantage relative to non-disabled students in their access to ASMS's programs for students. Reasonable accommodations provide equitable access to programs or facilities and do not fundamentally alter the essential nature of a course or academic program. The Federal Government stipulates that ASMS does not have to grant accommodations when it can demonstrate that making the modifications would fundamentally alter the nature of the service, program, or activity ASMS offers. Because a student has the right to attend a public school in their home county, ASMS will not make accommodations that fundamentally alter the nature of learning or residence life services, programs, or activities. Examples: ASMS will not follow 504 educational plans, IEPs, or requests for additional time for tests and assignments, special access to teacher notes, less homework problems, distraction-free rooms, or the use of calculators or other electronic devices when an instructor bans their use. Moreover, no accommodations will be made to audio or video class lectures or demonstrations.

Student Resources

Students are expected to take full responsibility for their education while attending ASMS. To facilitate academic success, ASMS provides several resources:

- College and career counseling.
- Mental health counseling.
- Study labs associated with courses and subjects.
- Library hours and resources.
- Teacher office hours.

COVID-19 Classroom Safety Policies

During the COVID-19 pandemic, students must wear masks in all classes and in all public areas of campus aside from their assigned dorm areas. Students are expected to follow the specific policies listed in the ASMS COVID Plan and in the Student Community Standards Handbook.

Remote and Online Learning Expectations

All students must be prepared to learn remotely in each of their classes. Even classes originally designed as on-campus experiences may be converted, at the instructor's discretion, to online platforms at any point in the term.

Remote students enrolled in in-person classes are expected to participate through reasonable methods prescribed by their instructors. They should participate in educational activities synchronously with on-campus students when the teacher deems it appropriate.
