PLEDGE OF ALLEGIANCE

OPENING STATEMENTS

- Key Club Officers attended to request Prom to be moved to a separate date. As of now, Prom is on 04.04, the same day as the Key Club District Convention. They are asking to move Prom to the week after Spring Break, 04.25. Key Club District Convention is a good way to win awards for the school and can even be used as a method for recruitment for the school.
- Nane asks if there is a limit to D-Con attendance. Noah says there is no limit. Jalexis speaks con, saying that the date might be too late in the school year. Mr. Barry says that the discussion could be tabled. Ben says that the date being close to Registration Day won't matter because it is in the hands of administration, and not the students. Caroline and Marie agree that having a later Prom date would be nicer for the parents and for the students as well.
- Akanksha makes a motion to table the discussion. The motion passes unanimously.

PARLIAMENTARIAN, BUCHI MANE

- Thought of the Day: "It's not 'can', it's 'will'. You have to will things into fruition." -Kanye West
- Assembly on 10.01 will be *Suicide Prevention* by Lifelines Counseling. Check-in will be done by XYZ.
- Next week's assembly is the Emily Hearin Speaker by Meteorologist Alan Seals.
- SGA Retreat is coming up on 10.05 from 8pm- in dorm and 10.06 from 11am-1pm.

SERGEANT AT ARMS, MACHINE GUN MARIE

- The Salesman of the Week was Nathan! He made \$55.75.
- The Paypal system is in Pi Store! It will begin after the SGA Retreat, so all of the representatives will learn how to use it.

SECRETARY, CARSON THEE STALLION

- Carson sent out an email today to the students signed up for the Mandarin Chinese DR, with specific and finalized times and class details. Two students replied saying that they were not able to take the class. Carson now has to find an additional student to take the class in order for the program to be viable with VNSLIY.
- The AAC plans to tackle ACT Prep reform first. AAC will meet this week to discuss goodie bag items.
- Lyberti volunteered to sign up for Mandarin! Queen!

TREASURER, MAY\$AP ROCKY

- May points out the remaining budget of around \$2,000 from clubs. Only \$300 has been spent by clubs. She asked if the representatives have any ideas on how to promote club spending. Barclay recommends telling clubs every assembly, and Marie recommends a rap.
- The club deadline for PO Forms will be on 10.22. May will announce it during assembly.
- May and Carson are working on adding the SGA Budget on the website. Mr. Barry says that it might not be a good idea. Ms. Cooley says that it is all about transparency and is a good thing. It is a tangible way for club officers to see how much money they must spend. Barclay says that having the published club budget could cause unwanted negativity. Joy reminds everyone that if anyone has a problem with the budget, they are always able to come to an SGA meeting with their concern. Lyberti believes that emailing the student body a link to the budget form could be a better idea. Jalexis states that having a published budget could promote trust among the SGA. May argues that adding it to the SGA website is easier and consistent access to the budget. Mrs. Cooley mentions that the Student Auxiliary Fund is already published knowledge.
- Akanksha makes a motion to table. 18 in favor, 1 in opposing. The topic was tabled.
- CLC is having a meeting on Wednesday, 10.02. May asks that if anyone has any recommendations to tell her or any CLC members!
