*Middle School Hackathon*

# DragonHack

## Alabama School of Mathematics and Science

March 17, 2018  |  8:00 AM - 3:00 PM

### Event Details

The ASMS Hackathon is a free coding competition hosted by the Alabama School of Math and Science in Mobile for beginner and experienced programmers. Alabama middle schoolers are invited to compete for prizes and learn while having fun.

### Online Registration

Current 6-8 graders can register online for FREE. Visit www.asms.net. Space is limited.
