Opening Statements

Hello, everyone! The agenda was distributed. Let's move to the reports from our officers.

Additionally, at the end of this meeting, please fill out the form for SGA feedback for next year's officers to improve upon the SGA.

Parliamentarian, Saku Cui

Thought of the day presented by Narae: "Even if you don't see the rewards of your efforts today..."

There is a mandatory assembly tomorrow. A senior slide show will be presented as well as the end of year math awards.

Sergeant at Arms, Novita Whillock

There was a tote bag painting event held by the School Spirit Committee and it was very successful.

Secretary, Lex Mroczo

I just want to start by saying this year has been amazing and I am so happy to have had the opportunity to serve as SGA secretary this year. For those of you who will be returning to run for SGA next year and are interested in my position, feel free to reach out to me as this year ends or even over the summer. That's all I had to say, so thank you everyone again and I hope you have a wonderful summer!

Treasurer, Wyatt Aiken

We had a wonderful year and a great time. Wyatt says he feels that he has grown in his leadership and hopes all of you have as well. To those who want to shadow for treasurer, reach out to Wyatt.

Vice President, Dinali Jayasena

This year was very different as new approaches to events were tried and the Activities Committee was working within a very different budget. Themes for Prom and Winter Formal are already in planning for next year.

Dinali says thank you for allowing her to be Vice-President these past two years.

President, Zoi Moon

For next year's SGA, the shadows are being well prepared and Zoi believes next year can be even better than this year.

Forms were sent out for Mega Musical Chairs feedback to the All Students Teams. The Initiatives Committee for next year is also in the planning. The handbook is being updated and edited right now as well.

Favorite memories from each SGA member were shared.

This has been one of the best years of SGA has ever seen, Zoi says, and it has been so wonderful to work with such passionate people.

SGA Advisors

Everyone should be so proud of how hard they have worked this year. You have all done a great job, and this is the most efficient SGA Mr. Barry has ever been associated with, he says.
