### Opening Statements

Hello, everyone! The agenda was distributed. Let's move to the reports from our officers.

#### Parliamentarian, Liana Jayasena

Thought of the day: "To bring about change, you must not be afraid to take the first step. We will fail when we fail to try."

Liana reminds to take that first step. Don't be scared or afraid to try because you think you may fail. You automatically fail when you don't try.

#### Sergeant at Arms, Novita Whillock

School Spirit Committee will be having their first meeting this week. They will also be planning club fair in the upcoming weeks, working alongside Club Life Committee. Novita is also planning Wind Down Week which are mini events on the week before hell week for students to take a quick break and relax before getting back to their studies.

#### Secretary, Jacob Kim

SGA Bios and Pictures that will go on the SGA portal of the ASMS website are due September 30<sup>th</sup>. The Bio can be a short paragraph about yourself. SGA suggestion box locations were discussed. Nova brought up the idea that the cafe and 1<sup>st</sup> floor Student Center are good places because lots of students are in these locations.

#### Treasurer, Derek Ricafort

Derek stated the SGA budgets for this year. Then he said next meeting SGA sponsored clubs will be voted upon. Model UN had an extension on their deadline because the past sponsor recently retired so they are looking for a new sponsor. Derek also requested the SGA to start looking at the club applications to get an idea of what each club is like for the voting next week. Summaries on their reputations from last year and planned events will be sent out in a detailed document. Club fair is only for SGA sponsored clubs. Because of the budget, some of the tri-folds from last year will be reused for clubs that were already approved last year.

#### **Vice President, Bake Elenitoba-Johnson**

Activities Committee's main goal this year will be to bring back past year's traditions and set new ones. AC has their first meeting this Friday. Winter Formal and Prom venues are being worked on at the moment.

#### **President, Jeeah Kim**

One of Jeeah's main initiatives was Future Fairs. This will be catered toward younger students to explore future careers in a fun and friendly way. This will be done sometime in the fall or spring and Initiatives Committee will be meeting to discuss this later this week. ASMS plan on hosting chess club and science club for Montessori. Mrs. Frey also wanted SGA to promote keeping campus clean. So the Student Relations committee will make a video and everyone in SGA is required to bring 1 meme to the next meeting. Dr. Rambo mentioned the idea of people going to Mega Musical Chairs at the University of South Alabama. Contact Jeeah if interested and she will put you on this list.

#### **SGA Advisors, Mr. Barry and Ms. Millender**

The advisors both welcomed everyone in SGA.

#### **Closing Remarks / Open Floor**

Mekhi made a motion to adjourn the meeting and Novita seconded.
