Opening Statements

Hello, everyone! The agenda was distributed. Let's move to the reports from our officers.

Parliamentarian, Liana Jayasena

Thought of the day: Serena Williams once said, "I am lucky that whatever fear I have inside me, my desire to win is always stronger." Liana said consider challenging yourself that allows you to grow and become a better, more well-rounded person. If you continue to experience the risks and challenges, you will be more open minded to all that the world has to offer. Even if you are scared, focus on how your goals can go right and on the fact that you can experience the mistake, but do it better next time.

Upcoming Assembly:

No assembly until after spring break.

April 14, 2025_ senior assignment
