Parliamentarian, Liana Jayasena

Thought of the day: "Make up your mind that no matter what comes your way, no matter how difficult, no matter how unfair, you will do more than simply survive. You will thrive in spite of it."
Joel Osteen

Liana says that even though we had to do online school we overcame it and did our best. We may have missed our friends, the school environment but we tried our best to make the most of our situation.
